DEPARTMENT OF LOCAL SELF-GOVERNMENT AND PANCHAYATS

NOTIFICATIONS

No. 8423M.3R-47/59.—2nd August 1960.—Whereas the commissioners of the Cooch Behar Municipality in the district of Cooch Behar have made the following rules under sub-clause (i) of clause (a) of section 57 of the Cooch Behar Municipal Act, 1944 (Cooch Behar Act No. III of 1944), and have under sub-section (1) of section 235 of the said Act submitted the said rules to the State Government;

Now, therefore, in exercise of the powers conferred by section 57 and sub-section (1) of section 235 of the Cooch Behar Municipal Act, 1944 (Cooch Behar Act No. III of 1944), the Governor is pleased hereby to approve, confirm and publish the following rules, namely:—

Leave Rules for Officers and servants of the Cooch Behar Municipality.

1. (a) In these rules—

(i) "average pay" means the average monthly pay earned during the 12 complete months immediately preceding the month in which the event occurs which necessitates the calculation of average pay;

(ii) "earned leave" means leave earned in respect of periods spent on duty;

(iii) "earned leave due" means the amount of earned leave, calculated as prescribed in rules 6, 7 or 8 diminished by the amount of earned leave taken;

(iv) "inferior service" means any kind of service on pay or scale of pay not exceeding forty-five rupees per mensem;

(v) "leave" includes earned leave, leave on private affairs, leave on medical certificate and extraordinary leave;

(vi) "leave on average (or half or quarter average) pay" means leave on leave salary equal to average (or half or quarter average) pay;

(vii) "leave salary" means the monthly amount paid to a municipal officer or servant on leave by the municipality concerned;

(viii) "superior service" means any kind of service which is not inferior;

(ix) a "Vacation Department" means a department or part of a department to which regular vacations are allowed during which a municipal officer or servant serving in the department is permitted to be absent from duty.

(b) These rules shall not apply to any municipal officer or servant appointed before the date of adoption of these rules by the municipality with the sanction of the State Government, unless any such officer or servant elect to come under these rules.

2. Leave cannot be claimed as of right. When the exigencies of the municipal service so require, discretion to refuse or revoke leave of any description is reserved to the authority empowered to grant it.

3. Any kind of leave under these rules may be granted in combination with or in continuation of any other kind of leave except casual leave.

4. No leave shall be granted beyond the date on which a municipal officer or servant must compulsorily retire:

Provided that, if a municipal officer or servant has applied in writing for earned leave due to him preparatory to retirement and has on account of the exigencies of the municipal service been denied that leave in whole or in part by the authority empowered to grant it, the said authority may grant to the municipal officer or servant the whole or any portion of the earned leave so denied, even though it extends to a date beyond the date on which such officer or servant must compulsorily retire:

Provided further that a municipal officer or servant whose service has been extended in the interest of the municipal service beyond the date of his compulsory retirement may similarly be granted either within the period of extension or, if the conditions of the preceding proviso are satisfied, after its expiry, any earned leave which could have been granted to

him under the preceding proviso had he retired on that date and in addition any earned leave due in respect of such extension not exceeding the limit of 90 days in all prescribed in rule 6.

5. Subject to the provisions of rules 2 and 4, a municipal officer or servant may at any time be granted the whole or any part of the earned leave due to him.

6. Subject to the provision of rule 7 the earned leave admissible to a municipal officer or servant in permanent employ is one-eleventh of the period spent on duty:

Provided that, when the earned leave due amounts to 90 days he shall cease to earn such leave.

7. The earned leave admissible to a municipal servant in inferior service in permanent employ is one-twenty-second of the period spent on duty:

Provided that when the earned leave due amounts to 30 days he shall cease to earn such leave

8. (1) The earned leave admissible to a municipal officer or servant not in permanent employ is, when he is in superior service, one-twenty-second of the period spent on duty, provided that when the earned leave due amounts to 30 days he shall cease to earn such leave.

(2) No earned leave is admissible to a municipal officer or servant in inferior service not in permanent employ.

Note 1.—In calculating "earned leave" under rule 6, rule 7 and rule 8, the actual number of days of duty performed should first be counted and then multiplied by 1/11th or 1/22nd as the case may be, and the product expressed in days (and a fraction of a day).

9. (a) A leave account shall be maintained for each municipal officer and servant in terms of leave on average pay.

(b) In the leave account of a municipal officer or servant shall be credited the leave earned by him under rules 6, 7 and 8 of these rules.

10. A municipal officer or servant not in permanent employ appointed without interruption of duty substantively to a permanent post shall be credited with earned leave which would have been admissible if his previous duty had been duty as a municipal officer or servant in permanent employ diminished by any earned leave already taken. Leave is not an interruption of duty for the purpose of this rule.

11. When the day immediately preceding the day on which a municipal officer or servant's leave begins or immediately following the day on which his leave expires is a holiday or one of a series of holidays, the municipal employee may leave his station at the close of the day before or return to it on the day following such holiday or series of holidays.

12. Unless the authority sanctioning the leave in any case otherwise directs—

(i) if holidays are prefixed to leave, the leave and any consequent rearrangement of pay and allowances take effect from the first day after the holidays; and

(ii) if holidays are affixed to leave, the leave is treated as having terminated on, and any consequent rearrangement of pay and allowances takes effect from the day on which the leave would have ended if holidays had not been affixed.

13. Leave on private affairs may be granted only to a permanent municipal officer or servant in superior service for twelve months in all, and on any one occasion for not more than three months.

14. (1) Leave on medical certificate not exceeding twelve months in all during his service may be granted to a permanent municipal officer or servant:

Provided that, when the maximum period of twelve months is exhausted, further leave on medical certificate not exceeding six months in all may be granted in exceptional cases.

(2) Leave on medical certificate may be granted to a municipal officer or servant not in permanent employ, when he is in superior service, up to one-thirtieth of the period spent on duty *minus* the amount of any such leave that may already have been taken by him.

(3) Leave admissible under sub-rules (1) and (2) shall be granted only on production of a medical certificate from such medical authority as the municipal commissioners may, by general or special order, direct and for a period not exceeding that recommended by the medical authority.

(4) In the case of a municipal officer or servant in superior service not in permanent employ who is subsequently appointed to a permanent post, the leave admissible under sub-rule (1) in respect of his permanent service shall be reduced by such leave as may already have been enjoyed by him under sub-rule (2) during his previous temporary service.

15. (1) Extraordinary leave may be granted to any municipal officer or servant in special circumstances—

(a) when no other leave is admissible, or

(b) when other leave is admissible, but the officer or servant concerned applies in writing for the grant of extraordinary leave.

(2) Except in the case of a municipal officer or servant in permanent employ, the duration of extraordinary leave shall not exceed three months on any one occasion.

(3) The authority empowered to grant leave may commute retrospectively periods of absence without leave into extraordinary leave.

16. (1) A municipal officer or servant on earned leave is entitled—

(a) if in permanent employ, to leave salary equal to his average pay or, to his average substantive pay for the 12 complete months, preceding the month in which leave is taken, whichever is greater;

(b) if not in permanent employ, to leave salary equal to his pay on the day before the leave commences.

(2) A municipal officer or servant on leave on private affairs or leave on medical certificate is entitled to leave salary equal to half his average pay or, to half his average substantive pay for the 12 complete months, preceding the month in which leave is taken, whichever is greater, subject in either case to a maximum of Rs. 750.

(3) A municipal officer or servant on extraordinary leave is not entitled to any leave salary.

(4) For the purpose of this rule, "substantive" pay means the pay of the permanent post which the officer or servant holds substantively or on which he holds a lien or would hold a lien had the lien not been suspended.

Note.—Average pay shall be calculated on the average monthly pay earned during the 36 complete months immediately preceding the month in which the event occurs which necessitates the calculation of average pay.

17. Leave on medical certificate for any period not exceeding a month, may be granted by the Chairman of the municipality concerned.

18. (1) The authority competent to fill her post substantively may grant to a female municipal officer or servant in permanent employ maternity leave, which is not debited against the leave account on full pay at the rate she was drawing at the time of taking leave, for a period which may extend up to the end of three months from the date of its commencement or to the end of six weeks from the date of delivery which is earlier.

(2) Leave of any other kind, as may be due, may be granted in continuation of maternity leave if the request for its grant be supported by a medical certificate.

Note 1.—In the case of a female municipal officer or servant in temporary employ, maternity leave may be granted up to four weeks prior to and four weeks after the date of delivery, provided that she has been in municipal employ for at least nine months immediately preceding the date of delivery.

Note 2.—Maternity leave under this rule may also be granted in cases of miscarriage including abortion subject to the condition that the leave admissible to a temporary female municipal officer or servant does not exceed six weeks in all and the application is supported by a certificate from the authorised medical attendant.

19. Unless otherwise provided in these rules, leave shall be granted by the commissioners of the municipality at a meeting.

20. The Executive Officer or where there is no Executive Officer, the Chairman of the municipality concerned may grant (i) casual leave for a period not exceeding seven days at any one time or fifteen days in twelve months and (ii) earned leave or leave on private affairs or leave on medical certificate for a period not exceeding a month.

21. Quarantine leave may be granted to a municipal officer or servant on the basis of a certificate from a medical officer-in-charge of any Government or municipal hospital or dispensary if his presence in office or duty is considered to be injurious to the health of other municipal officers and servants due to the presence of infectious diseases in his family or household. Such leave may be granted by the Executive Officer or if there is no Executive Officer, by the Chairman of the municipality concerned for a period not exceeding twenty-one days, or, in exceptional circumstances, thirty days. Any leave necessary for quarantine purpose in excess of this period shall be treated as ordinary leave. Quarantine leave may also be granted, when necessary, in continuation of other leave subject to the above maximum. A municipal officer or servant or servant on quarantine leave shall not be treated as absent from duty and his pay shall not be intermitted.

The following diseases only shall be treated as infectious diseases within the meaning of this rule:—

(1) Small pox,
(2) Scarlet fever,
(3) Plague (pneumonic and/or bubonic),
(4) Typhus,
(5) Cerebro-spinal meningitis,
(6) Measles, and
(7) Mumps.

For persons employed in the preparation or distribution of food, the following additional diseases shall also be treated as infectious:—

(1) Dysentery,
(2) Enteric fever (typhoid fever),
(3) Malta fever, and
(4) Paratyphoid fever.

22. (a) Special disability leave may be granted by the commissioners at a meeting to a municipal officer or servant who is disabled by injury accidentally incurred in, or in consequence of the due performance of his official duties, or intentionally inflicted in consequence of his official position, or by illness incurred in the performance of any particular duty which has the effect of increasing his liability to illness or injury beyond the ordinary risk attaching to the post he holds subject to the following conditions:—

(i) that the disability, if due to disease, must be certified by the Chief Medical Officer of the municipality or if there is no such municipal medical officer, by a registered medical practitioner;

(ii) that the period of leave granted shall be such as is certified by the municipal medical officer or a registered medical practitioner, as the case may be, subject to a maximum of twenty-four months.

(b) Such leave shall not be admissible unless the disability manifested itself within three months of the occurrence to which it is attributed, and the person disabled acted with due promptitude in bringing it to notice of the commissioners of the municipality, provided that if the commissioners are satisfied as to the cause of the disability, such leave may be granted in cases where the disability manifested itself more than three months after the occurrence of its cause.

(c) Such leave may be combined with leave of any other kind.

(d) Such leave may be granted more than once if the disability is aggravated or reproduced in similar circumstances at a later date, but not more than twenty-four months of such leave shall be granted in consequence of any one disability.

(e) Leave salary during such leave may be equal—

(i) for the first four months of any period of such leave, including a period of such leave granted under sub-rule (d) of this rule, to average pay, and

(ii) for the remaining period of any such leave, to half average pay, or at the option of the municipal officer or servant for a period not exceeding the period of average pay which would otherwise be admissible to him, to average pay:

Provided that in cases where the disability is not due to injury intentionally inflicted in consequence of official position, the commissioners at a meeting may grant such leave on average pay for a period less than four months and may treat part of the absence as covered by other leave.

23. Grant of leave to municipal officers or servants engaged on contract shall be governed as follows:—

(i) Where the contract is for one year or less, earned leave admissible shall be at one-twenty-second of the period spent on duty. Though ranking as earned leave, this may be granted only on medical certificate, and if subsequently it becomes necessary to grant the municipal officer or servant further leave, after the earned leave has been exhausted, leave on medical certificate may be granted to him subject to the condition that the total period of the two kinds of leave does not exceed one-eleventh of the period spent on duty.

If the municipal officer or servant serves in a Vacation Department, earned leave shall not be admissible, but he may be granted, if absolutely necessary, leave on medical certificate to the extent of one-twenty-second of the period spent on duty.

(ii) Where the contract is for more than one year but not more than five years, leave on medical certificate may be allowed in addition to earned leave under sub-rule (1) of rule 8 of these rules subject to a maximum of four months in all during the period of the contract. In addition extraordinary leave may be granted in special circumstances when no other leave is admissible subject to a total maximum limit of three months in respect of such leave. If the municipal officer or servant serves in a Vacation Department, earned leave will not be admissible.

(iii) Where the contract is for a term longer than five years or an original contract for five years or less is extended so as to make the total period of contract longer than five years, leave admissible to a permanent municipal officer or servant under these rules may be allowed, subject to the restrictions that no leave on private affairs shall be granted and that the leave on medical certificate will be limited to six months in all. In the case of extension of contract to a period longer than five years the municipal officer or servant shall be credited with the earned leave that would have been admissible had the contract been initially one of more than five years, diminished by any earned leave already taken, and leave on medical certificate, if any, already taken shall count against the six months' limit prescribed.

(iv) Where the contract is for an indefinite period, or an original contract for a definite period is extended for an indefinite period, the rules regarding grant of leave to permanent municipal employees except rule 16 shall apply. In the latter case the municipal officer or servant shall be credited with the earned leave that would have been admissible had the

contract been initially one for an indefinite period, diminished by any earned leave already taken and leave on medical certificate, if any, already taken, shall count against the limit prescribed in sub-rule (1) of rule 14.

(v) In the case of a municipal officer or servant falling under clauses (ii) to (iv) above, earned leave may be granted after the expiry of the contract only when it has been applied for during the period of the contract and refused owing to the exigencies of the public service. A municipal employee whose services are dispensed with on the ground of ill-health may be permitted to take all earned leave due to him before his service is terminated.

(vi) The leave salary during leave taken under the above clauses shall be regulated as follows:—

(a) A municipal officer or servant on earned leave is entitled to leave salary equal to his average pay.

(b) A municipal officer or servant on leave on private affairs or on medical certificate is entitled to leave salary equal to half his average pay subject in either case to a maximum of Rs. 750.

Note.—"Average pay" means here the average monthly pay earned during the twelve complete months preceding the month in which the event occurs which necessitates the calculation of average pay.

(c) A municipal officer or servant on extraordinary leave is not entitled to any leave salary.

(d) A municipal officer or servant initially engaged on contract becomes subject to the leave rules regarding permanent municipal employees on his being taken into permanent employment after the expiry of his contract. In such a case the municipal officer or servant shall be credited with the earned leave that would have been admissible had his previous duty been duty as an officer in permanent employ diminished by any earned leave already taken, and leave on medical certificate, if any, already taken, shall count against the limit prescribed in rule 14.

24. (a) Earned leave is not admissible to a municipal officer or servant in permanent employ serving in a Vacation Department in respect of duty performed in any year in which he avails himself of the full vacation.

(b) The earned leave admissible to such a municipal officer or servant in respect of any year in which he is prevented from availing himself of the full vacation is such proportion of 15 days' earned leave if he is in inferior service and 30 days' earned leave if he is in superior service, as the number of days of the vacation not taken bears to the full vacation:

Provided that if in any year he is prevented from availing himself of any part of the vacation, earned leave is admissible to him in respect of that year in accordance with the provisions of rule 6 or 7, as the case may be.

(c) Vacation may be taken in combination with or in continuation of any kind of leave under these rules, provided that the total duration of vacation and earned leave taken in conjunction, whether the earned leave is taken in combination with or in continuation of other leave or not, shall not exceed 90 days in the case of a municipal employee governed by rule 6 or 30 days if he is governed by rule 7.

(d) Earned leave is not admissible to a municipal officer or servant serving in a Vacation Department who is not in permanent employ.

ANNEXURE

In the matter of an industrial dispute between Messrs. Balmer Lawrie & Co, Ltd., 21 Netaji Subhas Road, Calcutta-1, and their employees represented by Messrs. Balmer Lawrie & Co., Ltd., Employees' Union, 19 Strand Road, Calcutta-1 (Case No. VIII-C-236/58).

BEFORE THE FIRST LABOUR COURT, WEST BENGAL

Present:

Shri M. C. BANERJI, Judge, First Industrial Tribunal in charge.

The Government of West Bengal, in the Department of Labour, by order No. 4219-I.R./IR/11L-11/58, dated 4th October 1958, referred under

sections 7 and 10 of the Industrial Disputes Act, 1947 (XIV of 1947), an industrial dispute between Messrs. Balmer Lawrie & Co. Ltd., 21 Netaji Subhas Road, Calcutta-1, and their employees represented by Messrs. Balmer Lawrie & Co. Ltd. Employees' Union, 19 Strand Road, Calcutta-1, regarding matters specified in the second schedule of the Act, to this Court for adjudication.

Issue

Whether the transfer of 23 employees (as per list attached to the order of reference) from their original departments to Pool Section is justified?

AWARD

The case of the Union in its written statement in short is that the very creation of the 'Pool Department' by the Company is a novelty which is not to be found in any other commercial or industrial organisation. This 'Pool Department', for the existence and continuance of which no necessity exists, is used as a weapon by the Company by transferring the workmen therefrom their own departments. The workmen so transferred to the Pool Department are to work from one department to another without fixity of any permanent and specified job, and as a result they are denied the scope of acquiring sufficient knowledge in their work meriting promotion. The Union thus contends that in the instant case the 23 workmen concerned have been unjustifiably and unreasonably transferred to the 'Pool Department', and as such their transfer is mala fide and amounts to unfair labour practice.

The Company, on the other hand, in its written statement contends that the 'Pool System' has been introduced by it with the object of improving the organisation and management of the Company's affairs and business. According to this system, when any member of the Company's staff—clerical or subordinate—becomes surplus to the requirement of any particular department of the Company, he is withdrawn from that department and shown as being in the pool until he is posted to any department with specific permanent job. Besides, the employees so transferred to the Pool Section do not sustain any loss in their service conditions or in emoluments. On the country, the Pool System enables the workmen to acquire knowledge and experience of the various type of work carried out by the different departments of the Company, and such added knowledge and experience make the workman concerned more useful to the Company and to himself. Thus the Company justifies its action in transferring the instant 23 workmen from their original departments to the Pool Department.

DECISION

The case was fixed for hearing on 24-11-59 on which date the Union instead of proceeding with the case filed a petition praying for an adjournment. Accordingly, the case was adjourned to 14th June 1960. But on this date, the Union filed a petition stating that it has no dispute with the Company, and on it the learned Advocate for the Company has also made an endorsement to that effect. In this view of the matter, a "no-dispute" award is passed in this case, and the said petition of the Union indicating its unwillingness to proceed with the case do form a part of this award.

AWARD

The Government of West Bengal, in the Department of Labour, by order No. 966-I.R./IR/9L-42/58, dated the 5th March 1960, referred under sections 7A and 10 of the Industrial Disputes Act, 1947 (XIV of 1947), the industrial dispute between (i) Messrs. Bhuil Singh, (ii) Jaman Das, (iii) Shyam Lal Shaw, (iv) Sham Chand and (v) Sukhu Das [all contractors of Messrs. G. Patel & Co. (P.) Ltd.], 10-A Munshigunj Road, Calcutta-33, on the one hand, and their workmen represented by the National Union of Tea Workers, 10 Mohan Chand Road, Calcutta-23, on the other, relating to the undermentioned issue to this Tribunal for adjudication.

Issue

(1) Whether the dismissal of the workmen named in the attached list is justified? To what relief, if any, are they entitled?

List of workmen

(1) Hautu Singh, (2) Shib Chandra Das, (3) Ramdew Das, (4) America Shaw, (5) Sitaram Das, (6) Thakar Ray, (7) Jagadish Das, (8) Fakira Singh, (9) Shibnandan Das, (10) Shibnarayan Ray, (11) Hiralal Singh, (12) Guna Ray, (13) Sunilal Sahani, (14) Bumdilall Shaw, (15) Shibnath Chaudhuri, (16) Dibraj Dhaw, (17) Jadu Das and (18) Saraju Bhagat.

Notices were issued to both the parties, who filed written statements setting forth their respective cases. The pleadings of the parties would be considered at the decisions of the issue herebelow.

Decisions

The Union states that the 18 persons mentioned in the order of reference are all registered permanent workmen of the employers named in the order of reference. There are two classes of workmen employed by the abovementioned employers —one class being termed as Khata workers and the other Nagda workers. Khata workers are those whose names are recorded in a register maintained by the employers. In the matter of employment it is a condition of service that the Khata workmen get priority over Nagda workmen. The workmen named in the list attached to the order of reference are all Khata workmen of the abovenamed employers and were engaged in the work

of blending tea, grossing, loading, unloading and other allied works. In the middle of February 1959 there was a dispute between the workmen and their employers in respect of certain conditions of service. Thereafter the employers on 5th March 1959 dismissed these workmen without any charge-sheet or notice whatsoever. The matter was taken up for conciliation by the Labour Directorate and in course of the conciliation proceedings an agreement was arrived at between the parties in presence of the Conciliation Officer on 12th August 1959. A copy of the agreement appears as Annexure "A" to the Union's written statement. Inspite of the above agreement, the employers are not employing the workmen named in the list attached to the order of reference. The employers have employed and are employing new hands in the category.

The Union, therefore, prays for an award declaring the dismissal of the 18 workmen as unjustified and directing the employers to reinstate the workmen with effect from 5th March 1959 and to pay them compensation for the period of their non-employment.

Four of the employers, out of 5, namely, Bhuil Singh, Jaman Das, Sham Chand and Sukhu Das appeared and filed a written statement. The other employer, viz., Shyam Lal Shaw, did not file any written statement. All the 5 employers, however, appeared through an Advocate who filed a written statement for the 4 employers. The 4 employers in their written statement state that these employers are not contractors in the real sense of the term and it would be proper to call them workers. The workmen named in the list attached to the order of reference were not their employees. None of the workers mentioned in the list were employed by any of the alleged contractors Nos. (i), (ii), (iv) and (v).

Sometime in August 1959 the Union representative held out the hope that they would arrange to have the rates enhanced in case they entered into an agreement with them. It was further given out that dire consequences would befall them, should they fail to sign the agreement.

The workmen mentioned in the list were never their Khata workers, as wrongly alleged. The three alleged contractors at times drafted a few coolies to do their work and one or two persons out of the list might have worked under the contractors as tickka workers.

The contractors, in the circumstances, pray that the Tribunal should make an award directing that the workmen in question are not the workmen of the alleged contractors and they are not entitled to any relief in this case.

Evidence was adduced by both parties, P.W. 1, Shri America Shaw, one of the workmen mentioned in the list attached to the order of reference, deposed on behalf of the Union, and O.P.W. 1, Shri Shyam Chand Shaw, employer No. 4, deposed for the employers. P.W. 1 states that all the workmen mentioned in the order of reference work under the opposite party, contractors, who work jointly as contractors under Messrs. G. Patel & Co. (P.) Ltd. P.W. 1 has been working for the last 8/9 years under these five contractors. He states that as the workers formed a Union, the employers did not employ them since March 1959. There was an agreement between the Union and the employers and this document was marked Ext. 1. The workers were refused employment even after the agreement. P.W. 1 states that the workers pray that they should be taken back as Khata workers in preference to others. He also states that the employers have taken new men.

Document (Ext. A) was marked for the employers. This shows that they were working under Messrs. G. Patel & Co. (P.) Ltd. O.P.W. 1 Shri Shyam Chand Shaw states in evidence that all the five employers do work of loading and unloading under G. Patel & Co. His father used to work before him and he has been doing this work for the last 3 years in place of his father. The employers work as coolies, and when they require help, they engage other workers. They have no Khata workers. The employers do not employ the 18 workers for the whole year, or for the whole month. The agreement (Ext. 1) was obtained from them under duress. He proved Ext. A. Before the date of agreement (Ext. 1), the 18 workers used to do the work to the exclusion of the employers and they used to take all the money from G. Patel & Co. In the cross-examination, the witness states that the rate under G. Patel & Co. is 2 pice and 4 pice per petty and the men that are employed by the witness and his co-employers are paid at Rs. 3 per diem. The employers realise their dues on piece-rate basis and pay the workers on daily basis. At first he stated that these 18 men were not working under the employers but they worked independently. He also stated that these 18 men sometimes worked with him and his partners. Again he says that it is not a fact that these 18 men worked under the witness and his partners. And they paid them. In cross-examination the witness states that the Agreement (Ext. 1) was made in the presence of the Labour Officer. At my question he stated that he did not tell the Labour Officer that he was not aware of the contents of the Agreement (Ext. 1). Again he stated that he told the Labour Officer that he did not understand the contents of the Agreement and he further states that he signed on Ext. 1 because he found that if he did not sign on it, the Labour Officer would be displeased. Ext. 1 shows that a number of terms have been settled between the five employers and the Union, in regard to the work of the muttiahs. There is an Agreement as to the duty hours, the tiffin period, over-time work, employment and attendance and pay-book. It states that it is agreed that the Khata workers will get priority in point of employment as occasion arises and they will get priority over the Nagda workers. The learned Advocate for the Union states that these 18 men were Khata workers under the five employers and they are to get priority in employment over other men. On a consideration of the evidence on record I do not accept the contention of the employers and O.P.W. 1 that Agreement (Ext. 1) was secured under duress in the presence of the Labour Officer. On a perusal of the Agreement it does not appear that it contains any terms to which any exception could reasonably be taken by the employers. O.P.W. 1 states clearly that he and his

partners, employers, received remuneration from Messrs. G. Patel & Co. on peice-rate basis and they on their part paid the muttiahs on the daily basis of Rs. 3 per diem. This clearly shows that the five employers employ muttiahs whom they pay on daily rates, while the employers themselves receive remuneration on piece-rates. The learned Advocate for the employers stated that the contractors are really manual labourers and when they could not do the work themselves they engaged some casual workers. The learned Advocate also stated that these 18 men mentioned in the order of reference were never employed by the five contractors. He also pointed out that no permanent status could be attached to the Khata workers, as they were really casual workers. The evidence of O.P.W. 1 shows that although he denied that the 18 workmen mentioned in the order of reference ever worked under him and other contractors, he states that it may be that the 18 men sometimes worked with them. From the evidence on record I come to the conclusion that these 18 workmen whose names are mentioned in the order of reference worked as Khata workers under the five contractors, and these five contractors made an Agreement (Ext. 1) with the Union in respect of the work of the muttiahs under them including the 18 workmen in question. The Khata workers are always casual workers and they are given work when work is available, but they get priority over the Nagda workers as it appears in the Agreement (Ext. 1) itself. The dismissal of a Khata workman means that he is not given work. The 18 workmen in question are Khata workmen and should be given work whenever work is available.

In the circumstances, it is awarded that the 18 workmen mentioned in the order of reference are Khata workers and they should be given employment as occasion arises and they will get the priority in point of employment over the Nagda workers or any other workmen who might have been taken in their place after the present dispute arose.

In the circumstances of the case I do not consider that any other relief is called for. This issue is accordingly answered.

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Leonard Biermans, 13/1A Government Place East, Calcutta, and their workmen represented by Leonard Biermans Workers' Union, 47 Chowringhee Road, Calcutta-16. (Case No. VIII-132/59.)

BEFORE THE SECOND INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri P. K. SARKAR, Judge, Second Industrial Tribunal.

Present for the Company: Shri N. K. Mukherji, Advocate.

Present for the Union: Shri Nikhil Roy, Advocate, assisted by Shri T. P. Chatterji, Advocate.

By Government order No. 3791-I.R./IR/11L-203/59, dated 5th August 1959, the above dispute was referred under section 10 of the Industrial Disputes Act to this Tribunal for adjudication of only one issue, viz., "gratuity". The employer, Messrs. Leonard Biermans, is a Company incorporated in Belgium which has a factory in Calcutta for manufacture of playing cards and the Union's case is that the Company is a very prosperous concern having almost a monopoly of the business of manufacture and sale of playing cards of high quality and is in a position to introduce a scheme of gratuity but has not done so inspite of the Union's demand preferred in 1957. The Union claims that the Company should be directed to adopt a scheme providing for payment of gratuity at the rate of half month's wages for each completed year of service in the event of death or retirement of a workman.

The Company has pleaded its inability to introduce any scheme of gratuity in view of its deteriorating financial position. It has denied that it is a prosperous concern and stated that it was actually incurring heavy losses year after year and in consequence is unable to bear any additional financial burden.

The case was heard in this Tribunal from 23rd June 1960 to 24th June 1960. Two witnesses were examined for the Company and one for the Union.

The Company's balance-sheets and other documents as also certain documents filed by the Union were taken in evidence and marked as exhibits.

It should be noted here in the year 1954 certain disputes arose between the Company and its workmen which were referred to this Tribunal. They related among others to revision of pay scales and additional bonus for two years. The matters in dispute were, however, settled and an award was passed based on the terms of the said settlement. The Company revised the scales of pay and the demand for additional bonus was not pressed by the Union. In that case also the Company appears to have taken the plea of financial incapacity and it is said that the Union did not press the claim for additional bonus on that ground.

The Company has produced before me its balance-sheets for the years 1953-1959 and also a summary of the figures in the balance-sheets (Exts. F and G series). The balance-sheets show that the Company last made a profit of Rs. 14,660 in the year 1953 and has since then been consistently sustaining losses which in the year ending 31st May 1956 amounted to Rs. 94,665. From 1957 the Company's financial year was changed and it was made to correspond to the calendar year. In that year the Company's losses amounted to Rs. 1,27,697 The Company's next financial year covered the period from 1st January 1958 to to 30th June 1959 and during the year the losses amounted to Rs 4,08,269. The Company's system of keeping accounts is to adjust the losses against the capital. By such adjustment the Company's capital has now been reduced to zero. Evidence has been given that the Company now operates only on loans and overdrafts which are also mentioned in the later balance-sheets. The Company accordingly pleads that it is not in a position to bear any further financial burden.

The reasons for this position have also been explained by the Manager and the Accountant of the Company. The Company formerly used to export high quality playing card sheets printed in Belgium, but in 1953 the Government of India stopped such import. The Company also imported flint paper from Belgium, but since the quota system was introduced for such import the Company's quota was reduced from year to year and the statement (Ext. E) shows that while the quota was for Rs. 77,652 during 1954-56 it was reduced in later years and in 1958 it amounted to Rs. 14,559 and in 1960 to Rs. 19,413. The Company has also to face severe competition from other card manufacturers in India and it has to sell high quality cards which it manufactures in India at a loss because it cannot increase the prices in view of the competition. According to the evidence, the Company makes a little profit out of its sale of ordinary cards which also it manufactures.

The Union has contended that the balance-sheets of the Company did not present a correct picture of its financial position and a suggestion has been made that the figures in the balance-sheets have been manipulated. Two letters from the Registrar of Joint Stock Companies have been produced showing that the Company did not file its balance-sheets annually and that the balance-sheets from 1954 to 1959 were filed together in December 1959. The Union had also referred to the fact that the Company changed its auditors from time to time and has relied upon a letter written by one of its auditors on 15th November 1955 which contained certain observations regarding irregularities in keeping the accounts. This letter is Ext. H and it was produced by the Company. The letter does not show, however, that the irregularities mentioned were of a serious nature. I do not find any reason to suspect from this letter that the Company manipulated its accounts or the figures in the balance-sheets for any ulterior purpose. It has been pointed out that in the recent balance-sheets for 1957 to 1959 the figures of sales show on evidence over the figures of previous years. The Company's Accountant has, however, explained, as stated above, that the increase in sales did not affect the losses because the Company had to sell high quality cards at a loss.

It has been argued that the figures in the balance-sheets should not be accepted as correct without proof from relevant books and registers. I should mention in this connection that the Union made an application on 2nd December 1959 praying for a direction on the Company to produce certain registers and account books and allow inspection thereof. The Company objected to such production and the matter was heard on 18th December 1959 when the Company was directed to produce the audited balance-sheets and to allow inspection of the account books mentioned in the application by the Union's lawyer in the Company's office. The Union complained on 6th January 1960 that the Company had not allowed such inspection. It appears, however, from the petitions and correspondence on record that the Company did not actually refuse inspection either by the General Secretary or by the lawyer of the Unoin but objected to inspection by two representatives of the Union who accompanied the lawyer. In terms of the order passed on 18th December 1959 the Company was quite justified in refusing inspection by persons other than the Union's lawyer. The persons objected to were retrenched employees of the Company. The inspection could have been made by the lawyer and the Secretary of the Union but this was not done. This matter was heard on 27th February 1960 when the Tribunal was informed that the application for production of the account books would not be pressed by the Union on condition that the Company produced its balance-sheets for the years 1954-58. The Company then produced its audited balance-sheets for 1953-59 which were inspected by the Union's lawyer. Finally the Union filed a petition on 30th May 1960 stating that it challenged the correctness of the figures in the balance-sheets and that the Company should support the figures by production of its account books and registers. It has been argued that the balance-sheets should be wholly rejected because the Company has not adduced any evidence in support of the same from its books and registers.

Reference has been made in this connection to two recent decisions of the Supreme Courtr in the cases of Khandesh Spinning and Weaving Mills Company, Ltd., and Pelted Turkey Red Dye Works

Company, Ltd., reported in 1960, I L.L.J. pages 541 and 548 respectively. In these cases, however, the formula laid down by the Full Bench of the Labour Appellate Tribunal for the calculation of net surplus for award of bonus was being considered and the question which arose for decision was whether the figures in a balance-sheet could be taken as proof of a claim of what portion of the reserve had actually been used as working capital without any evidence being given in support of such a claim apart from the balance-sheet. It was held that a mere statement in a balance-sheet was not sufficient proof on the point and that the burden was on the party who asserted such statement to be correct to prove the same by relevant and acceptable evidence. The observations in these two cases were thus made in connection with the particular question which arose for decision therein and it cannot be contended that the result of these decisions is that all the statements and figures in an audited balance-sheet should be suspected and held to be incorrect until they are supported and corroborated by other evidence.

In the present case we are concerned with no such question. The only question for our decision is whether the Company has the financial capacity to bear the burden of a gratuity scheme. The Company has taken the plea that it is sustaining losses and has relied upon the balance-sheets in support of the plea. The profit and loss accounts in the balance-sheets support that plea. What reason is there to suspect that all these figures are incorrect and have been manipulated for an ulterior purpose? It has not been suggested what that ulterior purpose may be. Inspite of its deteriorating financial position in 1954, the Company revised the pay scales of its employees in agreement with the Union and the Union then withdrew the claim for additional bonus presumably in view of the financial position of the Company. The Company cannot then be accused of any anti-Union bias. It would be preposterous to suggest that in anticipation of a demand for gratuity which was preferred in 1957 the Company would have manipulated its balance-sheets for 1955 and 1956 and shown losses therein. In the case of Associated Cement Companies Ltd. (1959—I—L.L.J. page 644) which was also a bonus case the Supreme Court held that the amount of gross profits as ascertained in the profit and loss account should, as a general rule, be accepted without submitting the profit and loss account to a close scrutiny, unless it appeared that the entries on the debit side had been made deliberately and mala fide to reduce the amount of gross profits. The same view was reiterated in the recent case of Kapoor and Company, reported in 1960—I—L.L.J., page 510.

In the present case no particular item on the debit side of the profit and loss accounts has been challenged as mala fide or incorrect and only a general and vague suggestion has been made that the balance-sheets have been manipulated. The Company did not merely file its balance-sheets but examined its Accountant and tendered him for cross-examination. He was cross-examined only with reference to the item of "general expenses" in the balance-sheets previous to the year ending on 31st May 1956. At that time, as the Accountant explained, expenses under the heads of salaries of staff excluding wages, temporary allowances, medical benefits, legal expenses, bonus, insurance charges, postage and other such items were not seperately shown but were grouped together under the head "general expenses". Thereafter a change was made and the different heads which were formerly grouped together under the head of "general expenses" were shown separately in the balance-sheets. He was not cross-examined with respect to any other item. It may be that the Company had a peculiar system of keeping accounts or had changed its financial year and auditor more than once or had not regularly filed its balance-sheets before the Registrar of Joint Stock Companies, but all these would be no ground for suspecting the statements in its balance-sheets or rejecting them. In a case like this where no question of calculation of surplus is involved but the only question is the financial capacity of the Company, the general picture prosented by the balance-sheets should be taken to be correct even though the figures therein might not have been supported by books, registers and vouchers. The accounts were audited and bear certificates of the auditors that they had inspected the supporting books and vouchers. They should therefore be taken to represent the correct financial position of the Company, as certified by the auditors.

In a case of gratuity the financial capacity of the employer is a most relevant consideration, and as the Supreme Court observed in the case of Indian Hume Pipe Co. Ltd., 1959—I—L.L.J.—830, it is only when the Tribunal is satisfied that the financial condition of the employer is satisfactory and the burden of a gratuity scheme can be borne by the employer that a scheme of gratuity should be framed. As the Company has been consistently sustaining losses for the last few years it is clear that it is not in a position to bear the burden of gratuity and the claim should, therefore, be rejected. I award accordingly.

HOME DEPARTMENT

Police

NOTIFICATION

No. 3488Pl.—6th August 1960.—A questionnaire issued by the Police Commission, West Bengal, is published for general information.

QUESTIONNAIRE

I Organisation and strength of the Police Force

Terms of Reference Nos. 1 and 2—

1. *Whether the strength of the Police Force in all its branches (armed and unarmed) is adequate and whether the supervisory and administrative machinery is adequate?*
2. *What yardsticks for strength of different ranks should be fixed?*

(1) The organisational set-up and strength of the Police Force, as shown in Appendix II, are based on the Indian Police Act (Act V of 1861) and on the recommendations of the Police Commission of 1902, with minor changes made from time to time as necessitated by the exigencies of public service.

Do you consider the present structure to be appropriate and the strength of the different ranks, subordinate as well as supervisory, in each branch to be adequate to meet the demands of the present times?

(2) According to the present revised yardstick adopted for the West Bengal Police there are now one senior Sub-Inspector in charge of each Police Station and one or more junior Sub-Inspectors at the rate of one Sub-Inspector for every 60 cases per annum in excess of the first 100 cases, up to 3 addtional Sub-Inspectors, and above that at the rate of one Sub-Inspector for every 100 cases per annum.

Do you consider this scale to be adequate?

For Assistant Sub-Inspectors there is hardly any yardstick followed in Calcutta. In West Bengal the number of Assistant Sub-Inspectors at a Police Station is usually the same as the number of Sub-Inspectors.

The number of unarmed constables at each Police Station in West Bengal is fixed at the rate of 2 constables for each Investigating Officer and 3 addtional constables for sentry duty. In Calcutta, where a much larger number of constables are required at each Police Station for beat and miscellaneous other duties, there is no fixed standard.

What standard would you recommend for fixing the number of (i) Sub-Inspectors, (ii) Assistant Sub-Inspectors and (iii) constables for Calcutta Police? If you consider the present strength of these ranks at each Police Station in West Bengal as well as in Calcutta to be inadequate or in excess, please give your views with reasons and, if possible, figures in support thereof.

(3) What in your opinion should be the yardstick for Police officers of different ranks in the Criminal Investigation and Intelligence Branch, Enforcement Branch and in technical branches like the Police Wireless, Police Transport and Communication Departments? If you consider the existing strength of different ranks in any of these branches to be inadequate or in excess, please state what should be the appropriate strength, with reasons and figures, if possible.

(4) Do you consider any change in the existing strength of the supervisory and administrative machinery to be necessary? If so, please state your views with reasons and figures, if possible.

II. Territorial areas of Jurisdiction

Term of Reference No. 3.—What should be the territorial areas of jurisdiction?

(5) The primary unit being the Police Station, in your opinion should be its optimum size

(6) Would you recommend any alteration of the territorial area of jurisdiction of any Police Station? If so, please specify the area or areas, with reasons and figures, if possible.

(7) Has any difficulty been noticed or experienced in the detection and control of crimes within railway lands arising out of the divergent jurisdictions of the Government Railway Police and the District Police? If so, would you recommend any change either in the organisation or territorial jurisdiction of the two separate Forces for effecting a more satisfactory co-ordination between the two?

III. Powers and duties of the Police Force

Term of Reference No. 4.—What powers and duties should be prescribed to make the Force suitable for modern needs?

(8) The existing powers and duties of the Police officers of different ranks are to be found mainly in the Police Act (Act V of 1861), the Calcutta Police Act (Act IV of 1866), the Code of Criminal Procedure and the Police Regulations, Bengal.

Have these powers and duties been found to be inadequate to meet the demands of a democratic Welfare State? If so, please state in what respects you consider them to be inadequate.

(9) What in your opinion should be the nature of duties of the Police in controlling the growing evil of juvenile delinquency? In most of the Western countries there are now special Police squads in cities and big towns to deal with this problem and their duties are—

(a) to keep an eye on the juveniles, specially in areas where the living conditions are uncongenial for the moral upbringing of children, so as to prevent them from coming in contact with bad characters and to warn the parents or guardians of such children so that the laws protecting youth are respected,

(b) to keep under surveillance delinquent juveniles and to administer warning to them, whenever necessary,

(c) to investigate all cases of disappearance or temporary absence of juveniles,

(d) to investigate all kinds of criminal cases involving juveniles under 18 years of age, and

(e) to carry out orders of the Children's Courts and other administrative authorities dealing with juveniles.

Would you recommend the setting up of special police squads on similar lines and, if so, would you recommend similar or other duties for such squads? In what areas should such squads be set up? In this connection do you consider the provisions of the Children's Act to be adequate for the protection of juveniles? If not, please give your suggestions regarding amendments.

(10) The old Criminal Tribes Act and the Hooghly Act have been declared by the 110, Cr.P.C., section 3 of the Preventive Detention Act and section 11 of the West Bengal Security Act for dealing with such bad characters. Please give your comments and suggestions on the said procedures adopted by the Police.

(11) What in your opinion should be the duties and responsibilities of the Police in rendering service in times of widespread natural calamities like famines, floods, earthquakes, cyclones, etc., without detriment to their primary responsibilities as guardians of law and order?

(12) If in your opinion the Police in a modern State should undertake such responsibilities, would you recommend a special course of training for the Police personnel for this purpose?

(13) If you think that any of the extra-Police duties now performed by the Police should be transferred to any other department of the Government or any non-official organisation, please specify them with your suggestions and reasons regarding such transfer.

(14) Do you consider it necessary to enlarge the schedule of cognizable offences under the Code of Criminal Procedure for more effective control of crimes? If so, please specify the offences which are at present non-cognizable but should in your opinion be made cognizable.

(15) Do you consider it desirable to confer certain magisterial powers on Police officers of specified ranks or some selected Police officers in respect of any specific offences for the purpose of—

(a) maintenance of law and order,

(b) prevention of crimes, and

(c) enforcement of traffic laws and regulations?

If so, please specify the offences and the powers recommended.

(16) Please see Appendix XV regarding the supervision and control of the District Magistrate over the Police. Please give your comments and suggestions.

IV. Recruitment, training, disciplinary control, promotion and other conditions of service including recreational facilities and welfare measures.

Term of Reference No. 5.—What changes, if any, are necessary in regard to recruitment, training, disciplinary control, promotion and other conditions of service, including recreational facilities and welfare measures?

(17) The existing rules regarding the recruitment and promotion of Police officers of different ranks will be found in Appendix VI. Do you consider it desirable to make any changes in the existing methods and standards for recruitment to any of the subordinate ranks in order to improve the standard of the Force? If so, please make suggestions.

(19) State from your experience the deficiencies, if any, commonly found in new recruits in different ranks. Would you suggest any change in the existing rules regarding recruitment or training whereby such defective selections can be avoided or remediable defects in the character of the recruits can be rectified?

(20) The existing syllabuses and periods of training for Police officers of different ranks will be found in Appendix VI. Do you recommend any changes in the syllabuses for any rank?

(21) It is sometimes stated that under the existing system the technical training given to a Police officer, e.g., in the Finger Print or Handwriting Bureau, is wasted when such an officer is transferred after a period, either as a matter of routine or in the officer's own interest to make him eligible for promotion to the higher rank. Do you think that such transfers can be avoided by creating a separate cadre for the technical personnel in the Police Force? If so, please give your suggestions.

(22) What suggestions, if any, would you make to improve the existing system as regards the maintenance of physical fitness of policemen throughout their career? Would you recommend a system of periodical medical examination and physical tests for this purpose?

(23) The Eastern Frontier Rifles are said to be a more disciplined Force than other branches of the Police. Would you recommend that any feature of the former Force should be introduced into the latter for ensuring greater discipline and efficiency? If so, please give your suggestions.

(24) Would you suggest any changes in the existing rules regarding promotion from one rank to another? Would you recommend that permanent promotions should be made only after the passing of a special qualifying examination at each stage and special training in the new duties of the higher post?

(25) In view of the fact that recruits permanently residing in the State have greater knowledge of the local conditions, including language, and problems than candidates from outside the State, would you recommend that this factor should be given its due importance in making recruitment?

(26) In the United Kingdom a Police officer is required to take an oath before entering upon office. Do you think that the introduction of a similar practice in this State is desirable?

(27) The rules regarding control and discipline of the Police Force will be found in Appendix VII. Do you recommend any change in the existing rules? What measures would you suggest for the expeditious disposal of disciplinary proceedings? Would you recommend any special machinery for dealing with such cases?

(28) It has been suggested that the general standard of the Police Force will improve if new recruits are subjected to a closer test and only such of them as are found to be suitable are permanently employed and unsuitable persons are weeded out during the period of probation. Do you think that under the existing rules even a probationer cannot be [illegible]

V. Rural Police

Term of Reference No. 6.—What changes, if any, in the rural Police system are necessary to make it effective in the performance of Police duties and in integrating its work with that of the regular Police?

(29) A Note on the strength of the rural Police and the duties and powers of the village Chaukidars and Dafadars will be found in Appendix IV.

Do you recommend any changes in their qualifications, duties and powers to make them more effective in the performance of Police duties? If so, please specify them.

(30) To what extent and how is it possible to effect a greater integration of their work with that of the regular Police?

(31) Does the existing system provide a reliable basis on which the regular Police Force can depend for the control of crime? If not, should the existing system be abolished and something else be substituted for it? Or is it inherently sound and susceptible of improvement? If so, what changes would you recommend to achieve such improvement?

(32) Do the Chaukidars and Dafadars perform their duties properly and keep the Thana officers regularly informed of the movements of bad characters and occurrence of any crime or suspicious happening within their respective beats?

(33) What, in your opinion, should be the best way to ensure that the Chaukidars and Dafadars do their night patrols regularly and keep watch over the activities and movements of bad characters of the locality?

(34) Do you recommend any improvement in their pay and emoluments in order to attract better candidates? If so, please make your suggestions.

(35) What recommendations would you make to minimise the defects inherent in the system of dual control over the Chaukidars and Dafadars by the Union Board or Anchal Panchayat on the one hand and the Police and the District Magistrate on the other?

VI. West Bengal Police and Calcutta Police

Term of Reference No. 7.—Relation between the two Police Forces.

(36) Do you consider it desirable to amalgamate the two Police Forces into one? If so, please give your views with reasons in support of such a course. In case the two Forces are to be amalgamated, what are your views as to the extent to which such amalgamation is desirable? If in your opinion the two Forces are to be kept separate as at present, do you think that there is sufficient co-operation between them as regards the maintenance of law and order, detection of crimes, apprehension of offenders, etc.? If not, what are your suggestions for bringing about better co-operation between the two Forces?

(37) In case the two Forces are to be kept separate, would you recommend an extension of [illegible] are to be administered [illegible] provisi-

VII. Women Police

Term of Reference No. 8.—Role of the Women Police and their organisation.

(39) There are now no women in the West Bengal Police. A Women's Branch was created in the Calcutta Police in 1949 with 10 Sub-Inspectresses and 50 Assistant Sub-Inspectresses on an experimental basis for the exclusive purpose of dealing with crimes involving women. Do you think that the Women Police are doing useful work and that their services are being fully utilised? Do you recommend that this Branch should be made permanent?

(40) Do you think that the services of the Women Police could also be usefully utilised in connection with the detection and investigation of juvenile offences, immoral traffic, etc.? If so, would you recommend any special training for them for that purpose?

(41) Since its creation in 1949 the Women's Branch of the Calcutta Police has not been expanded and has at present a limited scope for promotion. Do you think that the right type of candidates are being attracted by the existing conditions of service? If not, please give your recommendations.

(42) Do you recommend the creation of a similar Women's Branch in the West Bengal Police? If so, what, in your opinion, should be its strength, organisation and duties?

(43) Should the Women Police Force form a separate body or should the women officers be dispersed through various departments of the Police Force?

(44) What type of uniform would you suggest for the Women Police?

VIII Police buildings and accommodation

Term of Reference No. 9.—Police buildings and accommodation.

(45) Appendix XI gives the existing type plans and scales of buildings sanctioned for the residential quarters of Police officers of different ranks. Do you suggest any changes in these type plans? If so, please give your suggestions keeping in view the need for economy.

(46) Would you recommend any changes in the existing scales of rent admissible to Police officers of different ranks in lieu of free quarters in view of the prevailing high market rates? If so, please give your suggestions.

(47) At present Police officers of and above the rank of Assistant Sub-Inspector are entitled to rent-free family quarters, while in the case of Head Constables and Constables 25 per cent. of the total strength only are entitled to the same privilege and the remaining 75 per cent. are provided with "single" accommodation in barracks. Do you consider the position of accommodation with regard to Head Constables and Constables satisfactory? If not, what suggestions would you make in order to improve the position keeping in view the need for [illegible]

IX. Stores, equipment and dress

Term of Reference No. 10.—Stores, equipment and dress.

(49) Is there any delay or difficulty in obtaining stores, equipment and dress?

(50) Does the existing system of indenting ordnance, stores, clothing, etc., require any change? Would you suggest setting up of a Central Departmental Store which would indent all supplies and distribute them to various districts or should the present system of indenting ordnance and departmental stores by the districts from approved contractors continue?

(51) Would you suggest any change in the existing designs of uniforms or the scales of clothings prescribed for different ranks?

(52) Would you suggest any change in the calibre or bore of the various types of weapons in use by the Police?

(53) In some States lathis have been replaced by canes. Would you recommend the introduction of canes either in lieu of or in addition to lathis in this State?

(54) Is it a fact that there has been a deterioration in the department of the Police with regard to the wearing of their uniforms? If so, please make your suggestions for improvement in this respect.

X. Strength and equipment of Border Police

Term of Reference No. 11.—Strength and equipment of Border Police.

(55) Do you consider the existing number of Border Outposts and the strength in each to be sufficient to cope with the problem of smuggling of goods, unauthorised entry of aliens and undesirable characters across the borders and border incidents? Would you recommend equipping the Border Police with greater fire strength for this purpose?

XI. Police transport and communication system

Term of Reference No. 12.—Police transport and communication system: Police telephones and wireless.

(56) Please refer to Appendix XII and state whether you consider the existing number of motor vehicles and river craft including motor launches in each district to be sufficient? If not, please give your suggestions separately about each type of vehicles to be allocated to each district for different branches, including the Wireless Branch.

(57) Would you recommend a separate organisation under the Police Department for the maintenance and repair of their own transport?

(58) Would you suggest any improvement in the existing facilities for the maintenance, repair [illegible] of Police transport and Wireless

XII. Use of modern devices and its expansion

Term of Reference No. 13.—*Use of modern devices and its expansion.*

(61) What is your opinion about the usefulness and efficiency of the Flying Squads and R. T. patrols which move about during all hours of the day and night in motor vehicles fitted with radio telephones in Calcutta and during certain hours in some other industrial areas in West Bengal? Would you recommend that such squads and patrols should operate in other crime-infested areas also? If so, please name those areas.

(62) What modern devices would you like to be introduced in the Police Force for proper discharge of their duties?

(63) There are at present 4 Police dogs in use for detection of crimes. Do you think that they are rendering useful service? Would you recommend the employment of more dogs for this purpose?

(64) Is the State Forensic Science Laboratory properly equipped and manned with sufficient number of experts and technical personnel? Please specify the deficiencies noticed in its equipment, organisation or working and your suggestions for improvement.

(65) Do you recommend the amalgamation of the State Forensic Science Laboratory with the existing other laboratories now under the control of the D.I.G., C.I.D.? If so, who in your opinion should be the controlling authority over the amalgamated organisation?

XIII. Investigation of crimes.

Term of Reference No. 14.—*Investigation of crimes —causes of delay.*

(66) Is it a fact that the public is reluctant to report to the Police because complaints are often not recorded or are incorrectly recorded, or, if recorded, are not promptly and seriously investigated? Please illustrate from your own experience or knowledge, if any.

(67) If it be true that complaints are not recorded or incorrectly recorded, what steps would you suggest to put a stop to this evil?

(68) Police Order No. 22 of 1950 was issued directing all Officers-in-charge of Police Stations to prepare an extra carbon copy of the F.I.R. in plain paper in addition to the number of copies to be made in accordance with Rule 246(a) of the Police Regulations, Bengal, to make over such a copy free of cost to the informant and to obtain in acknowledgment of receipt from the latter on the copy of the F.I.R. to be kept at the Police Station. This Police Order was followed by a corresponding amendment of Rule 246(a) of Police Regulations, Bengal. Do you think that the order is being strictly followed in all cases?

(69) Delay in investigation may be due to one or more of the following causes, viz.,

(a) Increase in the number of crimes beyond the capacity of the number of Sub-Inspectors at the Police Station fixed according to the existing formula;

(b) Inefficiency of the existing staff;

(c) Congestion and consequent hold

Which, in your opinion, is more important of these causes for delay?

What remedies would you suggest to remove such causes and to improve generally the efficiency of the Investigating officers?

(70) Do you think the present yardstick for fixing the number of investigating Sub-Inspectors at each Police Station to be adequate? If not, what yardstick would you suggest?

(71) Would you recommend the creation of a special pool of Investigating officers at district headquarters to assist the Thana staff in speedier investigation of cases in times of widespread outbreak of crime or in complicated cases requiring prolonged investigation? If so, do you think that such a pool could be created by the Superintendent of Police himself by a more judicious deployment of the total Force of Sub-Inspectors and Inspectors sanctioned for each district, or should additional staff be sanctioned for the purpose?

(72) Do you think that it would help speedier investigation of cases if at each Thana the investigating staff is separated from the general law and order staff? Would such separation be feasible (keeping in view the probable cost of any additional staff involved) and desirable (considering the possibility of insufficient co-operation between the two wings)?

Do you know if such a system was tried in any area either in West Bengal or in Calcutta? If so, what have been the results? If it has been abolished, what were the causes for the abolition?

(73) Would you recommend any amendment of the law relating to—

(a) Investigation of non-cognisable offences as provided under section 152(2), Cr. P. C.;

(b) Refusal to investigate cognisable offences as permitted under sections 95 and 157(b), Cr. P. C.;

(c) Release of the accused under section 169, Cr. P. C.; and

(d) Method and procedure of writing and despatch of case diaries as provided under section 172, Cr. P. C.

XIV. Prosecution in Court and Causes of delay.

Terms of Reference No. 15.—*Prosecution in court and causes of delay caused by failure of prosecuting staff to be ready with witnesses, documents, etc.*

(74) Do you consider the present system of prosecution of Police cases in lower courts by Court Inspectors and Court Sub-Inspectors to be satisfactory? Are these Prosecutors sufficiently trained in law and legal practices? Is there any system of giving such training to these officers?

(75) If you consider the present system to be unsatisfactory, would you recommend the creation of the post of a Director of Public Prosecutions with a number of assistants for each district? If so, what should be the qualifications for such posts?

(76) It is sometimes complained that cases have to be adjourned because of the paucity of prosecuting staff. What do you consider to be the fair number of cases which could be handled by a prosecutor properly?

(78) The following are said to be some of the reasons for the delay of trial which is caused by the prosecution in Police cases:—

(a) Failure to give the accused copies of the statements of witnesses and other documents as required under the Criminal Procedure Code;

(b) Failure to produce the prosecution witnesses and documents or other materials on the due dates;

(c) Absence of the Police officers on the dates of hearing on account of their alleged preoccupation with other duties or sometimes due to wilful negligence.

Regarding (a), what remedies would you suggest to eliminate this cause of delay?

Regarding (b), there is seldom any instance of failure to produce witnesses on the fixed dates in the Sessions Court. Why cannot the Police be equally strict and vigilant in lower courts? Is it a fact that witnesses are reluctant to come to court because the travelling and other expenses allowed to them under the existing rules are inadequate and difficult to obtain and also because of the time they have to spend in attending courts? Are bonds obtained by the Police from the witnesses for their appearance in court on the first date of hearing? If so, are the bonds forfeited in case of wilful negligence to appear in court?

Regarding (c), when a Police officer cannot attend the court on the due date, does he send timely intimation? Do you think that matters will improve if there is a rule for sending such intimation to court with a copy to the S.P.? Do the Superintendents of Police take any departmental action against Police officers found guilty of wilful negligence to appear in court on due dates?

(iii) the object of the assembly is to stop trains and other vehicles from moving?

If you agree with the above view, please state at what stage, in what order and to what extent these methods should be used.

LABOUR DEPARTMENT

ORDERS

No. 4028-I.R./IR/11L-657/58.—30th July 1960. —Whereas under the Government of West Bengal, Labour Department, order No. 144-I.R./IR/11L-657/58, dated the 15th January 1959, the industrial dispute between Messrs. (1) Champalal Agarwala, 45 Armenian Street, Calcutta, (2) Fati Chand Jahurimull, 2/2B Armenian Street, Calcutta, and (3) Fati Chand Tara Chand, 2/2B Armenian Street Calcutta, and their workmen represented by the Calcutta Rangkal Mazdoor Congress, 35B Wellington Street, Calcutta, regarding the issues mentioned in the said order, being matters specified in the third schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred to the Fourth Industrial Tribunal for adjudication;

And whereas during the pendency of proceedings before the said Industrial Tribunal Sarbashri Sitaram Mahato and Deodhari Kahar, workmen of the said companies, made a complaint in writing to the said Industrial Tribunal against the said companies alleging that the said companies had dismissed the said workmen concerned in such dispute;

And whereas in exercise of the powers conferred by section 33A of the Industrial Disputes Act, 1947 (XIV of 1947), the said Industrial Tribunal has adjudicated upon the said complaint and submitted its award to the State Government;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of a complaint under section 33A of the Industrial Disputes Act, filed by two employees, namely, (i) Sitaram Mahato and (ii) Deodhari Kahar, against Messrs. Fatechand Jahurimull and others, 2/2B Armenian Street, Calcutta, in connection with Government order No. 144-I.R./IR/11L-657/58, dated the 15th January 1959. (Case No. 145 of 1959, under section 33A.)

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri K. K. MITRA, Judge, Fourth Industrial Tribunal.

For the workmen: Shri Panchanan Bhattacherjee.

For the Company: Shri Nalini Mohan Das Gupta, Advocate.

This is an application under section 33A of the Industrial Disputes Act preferred by two employees, namely, (i) Sitaram Mahato and (ii) Deodhari Kahar, against Messrs Fatechand Jahurimull and others, complaining that their services were wrongfully terminated by the Company, without the leave of the Tribunal, in writing, before which a proceeding was pending at the relevant time.

It is contended that Sitaram Mahato was verbally dismissed on 8th October 1959 after he had put in three years' service under the employer, and that the other workman Deodhari Kahar was also similarly dismissed on 26th September 1959 after he had put in 14 months' service.

The opposite party, the employer filed a written objection challenging the maintainability of the application. It is also contended that Sitaram Mahato was taken in employment as a temporary worker on 27th July 1959 and his temporary employment was terminated by way of retrenchment on 7th October 1959. Regarding the other workman, viz., Deodhari Kahar, it is contended that he was also a temporary workman and that he voluntarily left the service on 22nd May 1959 when he went away to his native place. It is thus alleged that the applicants have no case on merits as well.

Obviously, an application under section 33A of the Industrial Disputes Act would be maintainable in law if the employer had contravened the provisions of section 33 of the Industrial Disputes Act. Under section 33(1)(b) restrictions had been imposed upon employer against discharge or punishment by dismissal or otherwise, any workman concerned in the dispute while it is pending before the Tribunal, for any misconduct connected with the said dispute. If the employer wants to discharge by way of dismissal or otherwise any workman for anything considered as misconduct done by the employee which is connected with the dispute, he cannot take such action save and except with the prior permission in writing of the Tribunal. The case as made out by the employer is that the provision in section 33 was not violated at all when the workman Sitaram Mahato was in fact retrenched. It was also not necessary to take such permission of the Tribunal when the other workman Deodhari Kahar left the services of his own accord. It is urged by the learned lawyer for the employer that the question of taking permission would arise only when the employer wants to discharge or punish, by way of dismissal or otherwise any workman. An employer has otherwise the freedom to terminate the service of a workman for any reason whatsoever other than for misconduct connected with the dispute pending before the Tribunal. Evidently, section 33(1)(b) of the Industrial Disputes Act puts a restriction and imposes an obligation upon the employer and lays down the procedure to be followed when he wants to punish or discharge by way of dismissal or otherwise any workman during the pendency of a dispute before the Tribunal. Section 33A of the Industrial Disputes Act confers a statutory right upon an employee, to move directly the Tribunal without depending upon the discretion of the Government to refer the matter of controversy as an industrial dispute, for adjudication, when he feels that there has been a violation of such provisions. Naturally when an employee stands dismissed, he ascribes the action taken against him by the employer as mala fide or arising out of a spirit of victimisation, or actuated by unfair labour practice. It is the common case of both the parties that there had been termination of services of both these workmen during the pendency of the proceeding before the Tribunal. The termination of service arising from voluntary resignation, as alleged by the employer with respect to Deodhari Kahar, or arising from bona fide retrenchment as alleged in the case of Sitaram, if established, would take away the dispute outside the scope of section 33 of the Industrial Disputes Act. It is only in case of a termination of service as a result of a decision of the employer to discharge or punish by way of dismissal or otherwise a workman for any misconduct which can be linked up with the pending dispute, that adjudication by the Tribunal in the same manner as in the case of an industrial dispute referred to it by the Government is called for.

Let me now consider how the termination of services in these two cases took place. It appears from Ext. C which is a copy of the award published in the "Calcutta Gazette", dated September 17, 1959, that the industrial dispute relating to two issues, viz., (i) Dearness Allowance and (ii) Permanency of Service of certain workmen, as between the three employers' viz., (i) Messrs. Champalal Agarwala, (ii) Messrs. Fati Chand Jahurimull and (iii) Messrs. Fati Chand Tara Chand, and their workmen was decided in terms of a settlement effected between the parties on the date of hearing of the dispute before the Tribunal, i.e., on 27th August 1959. In terms of the settlement embodied in the award, workers were given increase in dearness allowance by Rs. 5 per month and temporary workers, if any, were to be made permanent on completion of one year's approved service. In the background of the change in condition of service, effected by the award, let me consider which of the versions of the contesting parties is true.

There is no controversy on the point that the service of Sitaram Mahato was terminated on 8th October 1959. The award published on 17th September 1959 became enforceable on the expiry of 30 days from the date of its publication. The date of termination is just a few days before the award became enforceable in law and, therefore, during the pendency of the proceeding. The contention of the employer is that Sitaram was appointed as a temporary worker on 27th July 1959. In support of the same a letter, dated 26th July 1959, was produced at the time of hearing. It is however significant to note that the opposite party stated in the written objection filed on 15th January 1960, that a letter, dated 27th July 1959, purported to have been addressed by Sitaram was being enclosed and marked Annexure "A", though in fact no such letter was enclosed, as an annexure. At the time of hearing the letter, Ext. B, said to have been written by the brother of O.P.W. 1, Sumureala, a partner of the Company, is produced, as the letter referred in the written objections. The conduct of the employer is highly suspicious and I am not prepared to place any reliance upon this document, Ext. B. Sitaram denied having given his thumb impression in any such paper. The impression by itself is blurred. The employer has got pay register and attendance register. These are not produced. Considering the evidence as a whole, I accept the version of Sitaram that his service had been terminated at a time when he had put in more than three years of services. Apparently Ext. B is a manufactured document created with ulterior motive.

Sitaram stated that he demanded increased wages as under the award and the employer refused to pay and drove him away on the ground that there was no work. It appears from Ext. 3, a letter addressed to a worker Suraj Pandey that he was given increase in D.A. at Rs. 5 and made permanent with effect from the very date, that is 8th September 1959, when Sitaram was discharged. But the fact remains that it is not the case of either the employer or the workmen that the dismissal was based on any allegation of misconduct. The remedy available under section 33A is restricted to case of discharge or punishment arising from an allegation of misconduct. When the discharge took place on an allegation by the employer that there was not sufficient work to keep the workmen employed, the point arises for consideration if the retrenchment is bona fide. But I am afraid, a case as to contravention of section 33(1)(b) cannot be made when the employer discharges an employee, not for any misconduct but for any other reason bona fide or otherwise.

So far as the other workman, I find from his own statement that he went away home in the month of Jaistha. The employer also stated that he went away on 22nd May 1959. While the employee stated that he went away on leave, the employer's version is that he went away after resignation after getting all his dues. From the evidence I am inclined to accept the version of the employer. So, Deodhari cannot get any relief whatsoever as clearly there was no question of his discharge or punishment by way of dismissal or otherwise. The application, therefore, fails though for different reason with respect to the two workmen.

Judge, Fourth Industrial Tribunal.

The case of the Union briefly stated is as follows:

Shri Adalat Choudhury of Durgapur Brick Field who is the employer of some workmen including the 26 workmen mentioned in the order of reference is a manufacturer of and dealer in the bricks. He denied ordinary amenities to his employees and even deprived them of their wages. The wages of the above 26 workmen to the amount of Rs. 1,934-7 fell in arrear. The Union represented the matter to the Assistant Labour

Commissioner, Asansol. While conciliation proceedings were pending before the above officer, Shri Adalat Choudhury dismissed the above 26 workmen in August 1958 without any reason. So the Union contends that the dismissal of the above workmen is unjustified.

The employer Shri Adalat Choudhury did not file any written statement nor did he put in appearance in this case in spite of several notices having been issued to him. So the case proceeded ex-parte.

Findings

The Union has examined one witness, viz., Shri Keshab Banerjee, General Secretary of the Union, in support of its case. He has described the case of the Union. As stated above, the employer did not put in appearance. So the witness on behalf of the Union was not cross-examined nor was any evidence adduced on behalf of the Company.

It is clear from the evidence of the witness on behalf of the Union that Shri Adalat Choudhury dismissed the 26 workmen mentioned in the order of reference without any reason. So the dismissal of the above 26 workmen is obviously unjustified. Hence I order that Shri Adalat Choudhury shall reinstate all of them and pay them compensation equal to their wages for the period of their forced unemployment.

The Union has also prayed that the employer may be directed to pay the arrear wages of the above workmen; but as this is not an issue in the order of reference, I do not pass any order on that prayer.

The above award shall take effect within a month of its publication in the "Calcutta Gazette".

LABOUR DEPARTMENT

ORDER

No. 4165-I.R./IR/10L-73/60.—5th August 1960.—Whereas under the Government of West Bengal, Labour Department, order No. 4392-I.R./IR/10L-38/58, dated the 13th October 1958, read with its corrigendum No. 4470-I.R./IR/10L-38/58, dated the 17th October 1958, the industrial dispute between Messrs. Hindusthan Iron & Steel Co. (Works at 68 Jessore Road, Dum Dum, and Head Office at 8 Rajendra Deb Road, Calcutta-7), and their workmen represented by Hindusthan Iron & Steel Co. Workers' Union, 48 Dharamtala Street, Calcutta-13, regarding the issues mentioned in the said order being matters specified in the second and the third schedules to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the First Industrial Tribunal;

And whereas the said First Industrial Tibunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an industrial dispute between Messrs. Hindusthan Iron & Steel Co. (Works at 68 Jessore Road, Dum Dum, and Head Office at 8 Rajendra Deb Road, Calcutta-7), and their workmen represented by Hindusthan Iron & Steel Co. Workers' Union, 48 Dharamtala Street, Calcutta-13. (Case No. VIII-205/58.)

BEFORE THE FIRST INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri M. C. BANERJI, District Judge (Retd.), Judge, First Industrial Tribunal

1. The Government of West Bengal, in the Labour Department, by order No. 4392-I.R./IR/10L-38/58, dated 13th October 1958, referred, under sections 7A and 10 of the Industrial Disputes Act, 1947 (XIV of 1947), the industrial dispute between Messrs. Hindusthan Iron & Steel Co. (Works at 68 Jessore Road, Dum Dum, and Head Office at 8 Rajendra Deb Road, Calcutta-7), and their workmen represented by Hindusthan Iron & Steel Workers' Union, 48 Dharamtala Street, Calcutta-13, on the undermentioned issues to this

Tribunal for adjudication. There was a corrigendum, dated 17th October 1958, to the issue No. 1 and the issues after this corrigendum stand as follows:—

Issues

(1) Whether the refusal of the Company to employ the workmen (names given in the list attached to the order of reference) till the date of reference of this dispute to this Tribunal is justified? What relief are they entitled to?

(2) Whether the workmen of Key and Grinding Departments are employed by contractors or are direct employees of the Company and whether there is justification for their work being intermittent?

(3) Medical attention for workers injured during working hours.

(4) Medical leave with full pay.

The list of workmen referred to in Issue No. 1 appears as Appendix A to this award.

2. Notices were issued on both the parties, and they appeared and filed written statements setting forth their respective cases.

3. The pleadings of the parties will be considered at the decision of the issues here below.

4. The appearances for the parties were as follows:—

For the Union: Shri Subodh Banerjee, M.L.A., Vice-President, Shri D. L. Sen Gupta, Advocate, and Shri M. Saha, Advocate, instructed by Shri Fatick Ghosh, General Secretary.

For the Company: Shri S. K. Bose, Counsel, instructed by Shri S. K. Asthana, Labour Adviser of the Engineering Association of India, and Shri B. L. Jaiswal, Manager.

5. The learned Counsel for the Company raised the preliminary objection, at the time of his address, that the Union did not represent the workmen in question and the dispute was, therefore, not an industrial dispute. An additional issue, being issue No. 5 is, therefore, framed on this objection. The issues that arise for the decision of this case are those that appear on the order of reference, as also the issue No. 5 appearing below.

Issues

(1) Whether the refusal of the Company to employ the workmen (names given in the list attached to the order of reference) till the date of reference of this dispute to this Tribunal is justified? What relief are they entitled to?

(2) Whether the workmen of Key and Grinding Departments are employed by contractors or are direct employees of the Company and whether there is justification for their work being intermittent?

(3) Medical attention for workers injured during working hours.

(4) Medical leave with full pay. (The list of workmen referred to in issue No. 1 appears as Appendix A to this Award.)

(5) Does the Hindusthan Iron & Steel Company Workers' Union represent the employees in question in this proceeding and is the dispute referred to this Tribunal an industrial dispute.

AWARD

DECISIONS

Issue No. 5

6. I shall take up issue No. 5 first. On the basis of the Company's pleadings, it appears that except 73 men under a contractor, 66 men not employed by the Company, 14 names on repetition and 1 name not mentioned, there are as many as 276 men out of 430 names mentioned in the order of reference, that were in the employment of the Company. These men form a considerable fraction of the total complement of workers in the Company, which is in the region of 1,000. The present Union is representing these men before the Tribunal and also represented them before the Hon'ble High Court in the proceedings started at the instance of the Company, and there were no objections as to the competence of the Union to represent the workmen before the Hon'ble High Court. The notices to the 430 workmen before the Hon'ble High Court were issued to this Union. It will be found at the discussions of the issues that the Company sent charge-sheets and notices of enquiry and dismissal letters for a large number of workmen involved in this proceeding to the address of the Union for transmission thereof to the workers concerned. While the charge-sheets and notices of enquiry meant for the workmen were sent to them by the Company in the care of the Secretary of the Union, it is idle for the Company also to contend that the Union did not represent these workmen, or that the dispute between the Company and the workmen involved in this proceeding, as represented by the Union mentioned in the order of reference, was not an industrial dispute. That being so, I consider the objection on which this issue was framed to be unworthy of support and I award accordingly.

Issue Nos. 1 and 2

Whether the refusal of the Company to employ the workmen (names given in the list attached to the order of reference) till the date of reference of this dispute to this Tribunal is justified? What relief are they entitled to?

And

Whether the workmen of Key and Grinding Departments are employed by contractors and whether there is justification for their work being intermittent? (The list of workmen referred to in issue No. 1 appears as Appendix A to this Award.)

7. The question for decision in issue No. 1 is if the refusal of the Company to employ a number of workmen named in a list attached to the order of reference is justified and to what relief they are entitled.

8. The list appended to the order of reference shows 429 names, but the last name is number

430 as there is no name against No. 142 in the list. These 429 names are shown as distributed in the following departments:—

Mill Department	...	71
Bearing Plate Department	...	19
Electric Department	...	10
Electric Furnace Department	...	2
Cooly Department	...	43
Tie Bar Department	...	24
Blacksmith Department	...	12
Fitters Department	...	6
Grinding Department	...	36
Machine Shop Department	..	17
Moulding Department	...	44
Loss Gons Department	....	25
Key Department	...	37
Head Department	...	83
Total	...	429

9. The Union states the following story in respect of grievance in issue No. 1. There were frequent disputes between the Company and the workmen regarding employment and non-employment and terms of employment of the workmen, and a dispute was referred to the Fourth Industrial Tribunal by an order, dated 21st September 1957. The learned Tribunal, in its award, ordered for reinstatement of a number of workmen, including Shri Subodh Guha. The award was partially modified by the Hon'ble High Court. The Company did not reinstate Shri Subodh Guha (serial No. 381 in the list in the order of reference). Other workmen were also refused employment on different dates. On 27th January 1958, the Company refused to give work to 13 leading workmen. At this, there was a protest by the general body of workers. Conciliation proceeding was started by the Labour Department and a settlement was arrived at through conciliation on 31st January 1958. On 1st February 1958 the workers resumed work, but after two hours some Durwans and paid men of the Company assaulted the workmen within the factory and stopped the work at the instance of the management. Second February 1958 was a Sunday and work was resumed on 3rd February 1958. On 4th February 1958 the Company refused to give work to 26 workmen. The workers received charge-sheets by registered post at 1 or 2 p.m. They gave replies to the charge-sheets, as shown in Annexure D to the Union's written statement. These 26 workmen are serial Nos. 351 to 353 and 355 to 377 in the list in the order of reference. They are still being refused work. They received no intimation regarding enquiry into the charges against them, no enquiry was held in fact, and they did not receive any discharge, dismissal or retrenchment letter.

10. On 11th February 1956 the management again refused to give work to 2 workmen, being Nos. 378 and 379 in the list in issue No. 1. They received charge-sheets by registered post, to which they gave replies, as shown in Annexure F to the written statement. They were not informed of the date of enquiry. No enquiry was held; nor did they receive any letter terminating their services and they are still being refused work by the Company.

11. On 26th February 1958 the Company again refused work to 26 workmen, being serial Nos. 380 and 382 to 406 in the list attached to the order of reference. They were served with charge-sheets through registered post to which they gave replies, as shown in Annexure H to the written statement. They were not informed of the date of enquiry; no enquiry was held; nor did they receive any discharge, dismissal or retrenchment letter. They are still being refused work.

12. The Company refused employment to 26 workmen on various dates, commencing from 6th January 1958 to 26th April 1958. Conciliation meetings were held in connection with these refusals by the Company to give work to its workmen. Sometimes towards the end of July, there was a breakdown in the Tie Bar Department. The workers employed in that department accepted alternative jobs of inferior type on the understanding that they would be taken back in that department as soon as the department would start functioning. But the management instead of taking them back, started appointing new hands for the department. On 4th August 1958, these workmen made a representation to the management to keep their promise. The management assured that they would be taken on the next day, but even on 6th August 1958, these workmen were not actually taken in their old jobs and they again made representation to the management. The management retaliated by keeping them idle. The general body of workers protested against the highhandedness of the management, at which the management suspended work altogether. On 9th August 1958, there was a conciliation. The state of affairs continued till 11th August 1958 when the workers, who were inside the factory for work, were driven out of the factory with police help. Since then, all these 430 workmen whose names appear in the list attached to the order of reference, have been presenting themselves at the factory gate for work, but are being refused work by the management. As the conciliation failed, the dispute has been referred to the Tribunal.

13. The Union prays that the Tribunal should declare the refusal of the Company to employ the 430 workmen as unjustified and order the Company to take back these workmen to their usual work. It is also prayed that the Company should pay wages and other dues to the workmen up to the date of reference and also for the period after the date of reference up to the date of their reinstatement.

14. The Company, in its written statement, states as follows: It employs at present directly and through contractors a complement of about 1,000 workmen. Since January 1958, labour troubles started and in course of a few months, 4 strikes were resorted to by the workers on flimsy grounds and a state of utter lawlessness and indiscipline prevailed and as a result, the Company was forced to take disciplinary action against the workmen who were responsible for bringing about, or inciting others to resort to, the said illegal and unjustified strikes and other subversive activities under treat, intimidation, coercion and by other

means. As a result of the said disciplinary action, a number of workers had to be dismissed for misconduct and suspended for security reasons and the services of some had to be terminated due to prolonged and unauthorised absence. In regard to issue No. 1, the Company states that the said 430 workmen named in the order of reference were not at any relevant time refused employment or even locked out, but were either dismissed for misconduct or suspended for security reasons or discharged for prolonged absence and some of them resigned from the Company's service of their own accord. The true position with regard to the said 430 workmen is as stated hereunder.

54 workmen	..	Dismissed for misconduct.
41 workmen	..	Suspended for security reasons.
170 workmen	..	Service terminated due to prolonged unauthorised absence.
8 workmen	..	Resigned.
66 workmen	..	Not in Company's employment.
73 workmen	..	Employed by Contractor.
3 workmen	...	Cases already adjudicated upon.
14 workmen	..	Repetition of names.
1 workman	...	Name not mentioned.

Total: 430

The Company's action in dismissing the workers after proper enquiry is perfectly justified and bona fide and there is no case for reinstatement. They were dismissed for misconduct after charge-sheets were duly served, explanations called for and received, and enquiries held in their presence. Copies of the charge-sheets, dated 3rd February 1958, 1st February 1958, 25th February 1958, served on the said 54 workers appear as Annexure A to the Company's written statement, and the list containing the names of the 54 workers is Annexure B. A copy of the order of dismissal, dated 22nd September 1958, served on the workers concerned appears as Annexure C to the written statement.

15. A list of 41 workers, who were suspended for security reasons, appears as Annexure D to the Company's written statement. A copy of each of the charge-sheets, dated 11th March 1958, 24th April 1958, 25th April 1958, 17th July 1958 and 7th August 1958, by which workers concerned were suspended appears as Annexure E to the Company's written statement. As the residential addresses of the workers concerned were not available, the said charge-sheets were sent to the care of the Secretary, Hindusthan Iron & Steel Co. Workers' Union.

16. A list of 170 workers whose services were terminated for prolonged and unauthorised absence, appears as Annexure F to the Company's written statement. Most of the workers as named in Annexure F, have been absenting themselves in a concerted manner and also in batches, as a result of which, production was seriously hampered and the Company has had to sustain huge losses. A copy of each of the letters, dated 16th August 1958, 20th August 1958 and 28th August 1958, addressed to the workers concerned are annexed as Annexure G to the Company's written statement.

17. A list of 8 workers who had resigned from the Company's service of their own accord, appears as Annexure H to the Company's written statement. Copy of each of the letters, dated 27th August 1958, 3rd September 1958, 6th September 1958, 18th September 1958, 23rd September 1958, 4th October 1958, 6th October 1958 and 14th October 1958, received from the workers concerned are collectively marked as Annexure I.

18. A list of 66 workers who are not in the Company's employment, appears as Annexure J to the Company's written statement.

19. A list of 73 workers who are working under a contractor appears as Annexure K to the Company's written statement. These workers were never taken in direct employment and the employment of those workers or their names were never shown in the Company's muster roll at any time. The contractor has all along been responsible for the payment of wages to these workers and exercised overall control and supervision over their recruitment, discharge, etc., from time to time.

20. As regards three workers, viz., Tulshi Rajbhar (serial No. 412), Sibu Das (serial No. 413) and Rangalall (serial No. 414), whose cases have already been adjudicated upon, the Company states that the termination of the services of Tulshi Rajbhar was upheld by the Hon'ble Calcutta High Court by their decision, dated 8th August 1958, while the cases of the remaining two workers were disposed of by the Fourth Industrial Tribunal by its award, published on 10th April 1958.

21. As regards the workers who resigned from the Company's employment, or were employed by the contractor, or whose cases were already adjudicated upon, the question of refusal of employment does not arise at all.

22. As regards 66 workers who had never been in the Company's employment and 14 others in whose names there was repetition of names, the Union is not entitled to any relief, as their cases do not merit any consideration. The Company, therefore, states that it did not refuse employment to the said 429 workmen; nor were they locked-out at any time and having regard to the fact that its action by way of dismissal for misconduct or discharge for prolonged absence, or suspension for security reason is bona fide, the Union's claim for reinstatement of the workers concerned with back wages should be rejected.

23. Evidence was adduced by both the parties in support of their respective cases. P.W. 1 Shri Fatick Ghosh, Secretary of the Union, P.W. 2 Shri Rampada Roy, Assistant Secretary of the Union, and a dismissed worker, P.W. 3 Shri Shah Muhammad, a dismissed worker of the Rolling Mill. P.W. 4 Shri Daniel Mandal, a dismissed worker, P.W. 5 Shri Shewdhani Gore, a dismissed worker of the Tie Bar Department, P.W. 6 Shri Sukhdeo Gore, an ex-employee of the Key Department, P.W. 7 Shri Kedar Jeswaru, an ex-employee of the Tie Bar Department, and P.W. 8 Shri Subodh Kumar Guha, a dismissed employee, deposed for the Union, and documents, Ext. 1 to Ext. 29, were marked for

the Union. O.P.W. 1 Shri A. C. Roy Chowdhury, Labour Officer of Barrackpore, O.P.W. 2 Shri Lalji Tewari, Head Durwan of the Company, O.P.W. 3 Shri Shibnath Jaiswal, Supervisor of the Electric Furnace Department, O.P.W. 4 Shri Ramsagar Dubey, Supervisor, General Mazdoor Department, O.P.W. 5 Shri B. L. Jaiswal, Manager of the Company, and O.W.P. 6 Shri Shambhu Nath Chakrabarty, Officer-in-charge, Dum Dum P.S., deposed for the Company. Documents, Ext. A to Ext. ZZ(17) were marked for the Company.

24. The pleadings of the parties show that 54 men were alleged to have been dismissed on charges of taking part in shbversive activities in three incidents, viz., in the incidents occurring respectively on 27th January 1958 to 1st February 1958, on 8th February 1958 and on 23rd February 1958. The Company's case is that 41 wokmen were suspended for security reasons in connection with the incidents occurring during the period from 6th August 1958 to 11th August 1958. There are 8 workmen who are alleged to have voluntarily resigned from service. There are 170 workmen whose services have been terminated, as they were alleged to have been absent without leave for a long time. Besides these, there is a group of 66 men who, according to the Company, were not in the service of the Company, and 73 men who, while working in the Company's factory, were, according to the Company, in the employment of a contractor named Munshi. It is the Company's case that this complement of indirect employees were employed in the Key and Grinding Departments, and it was stated at the hearing of the case that those departments have since been permanently closed and also that contractor Munshi has been discharged. It is further stated that 14 names have been erroneously repeated in the list of workmen, appended to the order of reference, and that, these names do not represent any workmen. This plea was not controverted before me at the time of hearing. The case of 3 workmen whose cases, according to the Company, have been adjudicated on by a previous Tribunal, was not also pressed by the Union at the time of hearing

25. The learned Counsel for the Company at the time of his address, raised the plea that the Tribunal is, on the wording of issue No. 1, only to consider if there was a refusal of the Company to employ the listed 429 men, till the date of reference, or in other words, the Tribunal is to consider if the Company had locked out the 429 men, and if it was found by the Tribunal that there was in fact no lock-out in respect of any of the workmen, it was not called upon, and in fact had no legal jurisdiction to enquire further into the matter, or grant any relief in the case of these workmen. The decision of the Hon'ble Supreme Court in the case of Ferojdin versus the State of West Bengal, reported in 1960(I) L.L.J., 244, was cited in support of the plea that a refusal to employ was a lock-out under the Act and a lock-out did not contemplate the discharge or dismissal of a workman. It was claimed that it would be sufficient for the Tribunal to state that there was no lock-out in the case of men discharged or dismissed, as well as in the case of men suspended for security reasons, as they were awaiting enquiry and the Tribunal was not called upon to travel further in respect of these men. These propositions of the learned Counsel was opposed by the learned spokesman for the Union.

26. I have given my best consideration to the matter, and I am of the opinion that the objection of the learned Counsel, as stated above, is unworthy of support for the following reasons. The issue really means that the listed workmen were not employed by the Company and the Tribunal has been asked to adjudicate on the jurisdiction of this non-employment of the workmen. The Company has explained in its written statement the grounds for refusing to give employment to these workmen in question which were for various reasons including dismissal and discharge. It is competent for the Tribunal to confine its adjudication to the points referred to it by the Government and also to matters incidental thereto. On the pleadings of the parties, the Tribunal has to adjudicate on the issue as to the justification of the refusal of the Company to employ the workmen till the date of reference on the grounds as set forth by the Company, viz., dismissal, discharge, suspension pending enquiry, etc. It is, therefore, clear that the Tribunal will be competent and even obliged to adjudicate completely as to the cause of the refusal of the Company to employ the listed workmen, to assess justification of such act on the part of the employer. In the circumstances, the suggestion of the learned Counsel for the Company that the case of 54 men, who are alleged to have been dismissed and the 41 men who were suspended, were not within the issue No. 1 as referred to the Tribunal, is unworthy of acceptance. The Tribunal will, therefore, adjudicate completely on the non-employment of the 429 men listed in the order of reference and ascertain as to the justification or otherwise of such non-employment.

27. I shall now take up the case of 54 workmen who were served with charge-sheets in connection with the three incidents respectively on 27th January 1958 to 1st February 1958, on 8th February 1958 and on 23rd February 1958. Their names appear in Appendix B to this award. In regard to the first incident occurring on 27th January 1958 and continuing up to 1st February 1958, the Union states that on 27th January 1958, the management refused to give work to 13 leading workmen; at this, there was a protest by the general workers. The matter was referred to the Labour Department. Conciliation proceeding was started on 30th January 1958 and a settlement was arrived at, as shown in Annexure B to the Union's written statement. On 1st February 1958 the workmen started work, but after two hours, some of the Company's durwans and paid men assaulted the workers within the factory and stopped the work at the instance of the management. It is stated by the Union in its written statement that on 4th February 1958, the Company refused to give work to 26 workmen and they received charge-sheets by registered post at 1 or 2 p.m. on the day. The Company's case is that it issued charge-sheets, dated 3rd February 1958, 11th February 1958, and 25th February 1958, on the said 54 workmen, as shown in Annexure A to its written statement, and orders of dismissal, as shown in Annexure C, were served on these workmen on 22nd September 1958. The charge-sheets issued on 3rd February 1958 on 27 workmen appears in Annexure A to the Company's written statement at page 18. It charges the workmen that they, along with other workers,

induced and forcibly prevented other willing workers to stop their work and staged an unjustified stay-in-strike at 10 a.m., that they were the prime movers of the stay-in-strike on 27th January 1958, and its continuance thereafter, and the same stay-in-strike was still continuing, in spite of the notices, dated 27th January 1958, 28th January 1958, 29th January 1958, 30th January 1958 and 1st February 1958, as well as the agreement for resumption of work on 1st February 1958. The charge-sheets state that they are directed to show cause within two days from the receipt of the charge-sheets why they should not be dismissed from the Company's employment. The workmen were put under suspension with effect from 3rd February 1958 as a security measure.

28. In evidence P.W. 1 Shri Fatick Ghosh, the General Secretary of the Union, states that on 26th January 1958, the Union submitted a memorandum to the Hon'ble Chief Minister against the management. On the next day, 13 workmen were refused employment. On making protests, 1,500 workmen were refused employment. The matter was settled on 31st January 1958. On 1st February 1958 all the workers went to work. After two hours' work, Lalji Tewari, Subedar, Amulya Mistri, Chhedi Mistri, Suren Mistri and some other employees who are either durwans or mistries, stopped the work. They are not members of the Union. On 3rd February 1958 the work was resumed. After the day's work, 26 workmen were suspended. Orders of dismissals were passed eleven months later. The charge-sheeted workmen submitted their explanations in which they did not admit their guilt. There was no enquiry over the matter. P.W. 2 Shri Rampada Roy, who was an Electric Fitter in the factory and the Assistant Secretary of the Union, states that he got charge-sheet on 3rd February 1958 by post. Annexure C to the Union's written statement is a copy of the charge-sheet that he got and Annexure D is a copy of his reply to the charge-sheet. Dismissal letter was sent to him by post, and he received the dismissal letter at Dum Dum. He says that all the 26 workmen got their dismissal letters at Dum Dum. He says that there was no enquiry on the charge-sheets. There was no enquiry in regard to his case, that he did not get any intimation that any enquiry would be instituted against him and it is not a fact that he was present at the enquiry but did not put his signature at the last moment. The other witnesses on the Union's side were not concerned with the incidents occurring between 27th January 1958 to 1st February 1958. O.P.W. 2 Shri Lalji Tewari is the head durwan of the Company. He says that at 10 a.m. there was a strike in the Rolling Mill. All the workers there stopped work and went on strike. 30 or 40 workers went to the machine shop and threatened to assault the workers if they did not stop work and thereafter the work was stopped. After that, 30 to 35 workers went to the Electric Furnace Department and similarly threatened the workers with assaults and got the work stopped. Thereafter they came to the Loose Jaw Department and had the work of the department stopped on threatening the workers with assault. They said that Shri Subodh Banerjee had instructed them to stop work. They then went to the Tie Bar Department. On 31st January 1958 there was an agreement, of which he came to know from the notice, which was fixed at the gate. During these days, the strikers sat down in the departments day and night. On 31st January 1958 after the agreement was made between the Union and the Company, in the presence of the Labour Officer, the workers left the factory in the evening. They came back on 1st February 1958 and prevented the workers from working. They went inside the factory and sat down in the departments. On 2nd February 1958, which was a Sunday, they were inside the factory. They resumed work on 3rd February 1958. Lalji Tewari's evidence gives the story of a stay-in-strike resorted to by the workers at 10 a.m. on 27th January 1958, which continued up to the evening of 31st January 1958. An agreement was arrived at between the Union and the Company on 31st January 1958, and this agreement appears as Annexure B to the Union's written statement, being the same as Ext. 3. The same story is given by P.W. 3 Shri Shib Nath Jaiswal, Supervisor in the Electric Furnace Department. O.P.W. 4 Shri Ramsagar Dubey, Supervisor in the General Mazdoor Department, also proves the same facts. O.P.W. 5 Shri B. L. Jaiswal, the Manager of the factory, also gives the same evidence in proof of the stay-in-strike between 27th January 1958 and 31st January 1958. This witness states that on 27th January 1958 at about 10 a.m. the work of the whole factory was stopped all of a sudden. He went from department to department and found that groups of workers with iron rods and other pieces of iron materials were threatening the workers and mistries and asking them not to work. At about 11 a.m. or 12 noon, he informed the police-station to depute some police pickets. After that, he rang up the S.D.O. and informed him of the situation. The police picket arrived. Up to 31st January 1958 the same situation continued. During all these five days, the workers were sitting near the machines in the factory without doing any work and obstructing willing workers from doing work. The willing workers came and tried to work, but were physically obstructed and were not allowed to do any work. The Company never suspended 13 workers on 27th January 1958. These 13 workers are Fulchand Mistri, Ramkewal Tewari, Tulshi Rabidas and 10 others and they continued to work in the factory till February 1958. They were charge-sheeted in the month of April 1958. Fulchand Mistri was charge-sheeted on 24th April 1958, and Ext. D is the copy of his charge-sheet. Ext. D(2) is his explanation. Ramkewal Tewari was charge-sheeted by Ext. E on 24th April 1958, and Ext. E(1) is his explanation. Tulshi Rabidas was charge-sheeted on 24th April 1958 by Ext. F and Ext. F(1) is his explanation. An agreement was arrived at on 31st January 1958 in the office of the Labour Commissioner where Shri Subodh Banerjee, Vice-President, and Shri Fatick Ghosh, Secretary of the Union, were present and the witness and Shri B. Roy Chowdhury, Labour Officer, represented the Company. In the agreement, it was settled that work would be resumed from 1st February 1958, and notices were displayed informing the workers of the agreement. On 31st January 1958 evening the workers on strike vacated the factory. On 1st February 1958 in the morning the workers entered the factory, but when they

work was to start, they obstructed the workers from starting work. The willing workers who wanted to start work were physically obstructed and intimated that if they started work, they would be assaulted and would be severely dealt with. In the course of the day, the work was not resumed and the situation was the same as before. 2nd February 1958 was a Sunday and was a closed day for the factory. On 3rd February 1958 the work started, as O.P.W. 5 states. Ext. G is a copy of the charge-sheets that were served on the workers who took active part by moving in groups with iron rods physically obstructing the willing workers from doing work. Ext. G shows the names of 27 workers. It includes the name of Chaturi Kahar. We can omit his name in the context of the charge-sheets, because he is a man who submitted resignation, and we are really concerned with 26 men, being those mentioned in Ext. G, except Chaturi Kahar. The evidence of O.P.W. 5 Shri B. L. Jaiswal is clear in stating that the persons' name in Ext. G and on whom the charge-sheets were issued are those who took an active part in staging the stay-in-strike and moved in groups with iron rods and physically obstructed the willing workers from doing work from 27th January 1958 to 1st February 1958.

29. Ext. ZZ(5), dated 27th January 1958, shows that the Company issued a notice to the workers stating that at the instigation of some of the workers and outside Trade Union leaders the workers had staged an illegal stay-in-strike since 10 a.m. causing loss to the Company. It states that the workers are ill advised to stage the stay-in-strike on flimsy ground for redress of their grievances, if any. The proprietor, therefore, advised, requested and directed the workers to join their duties immediately on calling off the strike. Ext. ZZ(6), dated 28th January 1958, shows that the Company issued a notice stating that the workers were still continuing the stay-in-strike and that some of the workers did not leave the premises even after 5 p.m. on 27th January 1958 and continued to stay in the factory premises. The workers were again requested and directed to join their duties forthwith. A copy of the notice on 27th January 1958 was sent to Shri A. C. Roy Chowdhury, Labour Officer. A copy of the notice on 28th January 1958 was also sent to Shri A. C. Roy Chowdhury in continuation of the communication, dated 27th January 1958 for information. He was requested to exercise his personal influence so that the workers might join their duties by calling off the stay-in-strike immediately. A copy of the notice, dated 28th January 1958, Ext. ZZ(6), was sent to the Chief Inspector of Factories, West Bengal, Officer-in-Charge, Dum Dum P.S., S.D.O., Barrackpore, and Labour Commissioner, West Bengal. Ext. ZZ(7) is another notice of a similar nature issued on 29th January 1958, requesting the workers to join their duties forthwith, and a copy of this notice was sent to the Labour Commissioner, West Bengal, S.D.O., Barrackpore, Officer-in-Charge, Dum Dum P.S., Ext. ZZ(8), dated 31st January 1958, states that the workers were still continuing their stay-in-strike, in spite of issue of notices on 27th January 1958, 28th January 1958 and 29th January 1958. The notice further states that if the workers did not resume their work by calling off the strike by 1st February 1958, the management would take serious action in the interest of discipline. Ext. ZZ(9), dated 1st February 1958, is a notice issued by the proprietor to the workmen stating that in spite of the notice, dated 30th January 1958, as well as agreement under section 19(2) of the Act for resumption of work on 1st February 1958, the workers were still continuing the illegal and unjustified stay-in-strike at the instigation and intimidation of some workers. In the circumstances, the management had no other alternative than to take serious steps in the best interest of the Company. A copy of this notice was sent to the S.D.O., Barrackpore, S.D.P.O., Barrackpore, Labour Commissioner, West Bengal, and Officer-in-charge, Dum Dum P.S. The agreement on 31st January 1958 appears as Annexure B to the Union's written statement (same as Ext. 3). It shows that the management confirms that they had not discharged the 13 workmen as noted therein, including refusal of work to 1,500 workmen, as alleged by the Union, and as such, work in the factory shall be resumed from 1st February 1958 with all the workers who were on muster roll till 25th January 1958, including the 13 workmen noted therein. The learned spokesman for the Union argued that the agreement (Ext. 3) did not show any mention of a strike during the period from 27th January 1958 to 1st February 1958, and that the statement in the terms of agreement showing that the work "will be resumed from 1st February 1958 with all the workers who were on muster roll till 25th January 1958, including the 13 workers" shows that it was the Company that refused work to the 1,500 workmen and not that there was a strike on the dates in question. I do not consider such an explanation to be worthy of acceptance. The occurrence of a strike on the dates in question which is being denied by the Union even today could not be agreed to be made a part of the terms of settlement on 31st January 1958. The statement that the management confirmed that they did not discharge the 13 workmen in question is a sure proof of the fact that the plea of the Union in its written statement that 13 leading workmen were refused employment on 27th January 1958 that resulted in the strike is unworthy of credit. The written statement of the Union clearly shows that there was protest from the general workers, although the written statement does not explain what form this protest took. The evidence as discussed above clearly shows that this protest was in the form of a stay-in-strike staged by the workmen on 27th January 1958 at the incitement of a small number of desperate workers and the strike continued till 31st January 1958 when a settlement was made, as shown in Ext. 3. The evidence also justifies the conclusion that the same state of affairs continued also on 1st February 1958. It appears from the evidence that the workers staged a complete stay-in-strike from 10 a.m. on 27th January 1958 and a number of workmen stayed in the factory from that hour till the afternoon of 31st January 1958, when they cleared out of the factory after the execution of the settlement, Ext. 3. It was agreed in Ext. 3 that the workers would resume work on 1st February 1958. It appears from the evidence that on 1st February 1958 work could not be resumed on

account of disturbances and threatening of a number of workers who resisted the willing workers from starting work. The statement of the Union in its written statement is that on 1st February 1958, the workmen as usual started work, but after two hours, some of the Company's durwans and paidmen assaulted the workmen within the factory and stopped work at the instance of the management. P.W. 1 Shri Fatick Ghosh, General Secretary of the Union, states in his evidence that on 1st February 1958 all the workers went to work, and after two hours' work, Lalji Tewari, Subedar, Amulya Mistry, Cheddi Mistry, Suren Mistry and some other men of the management stopped the work. The evidence of witness examined on the Company's side is as stated before. The notice, Ext. ZZ(9), dated 1st February 1958, also shows that in spite of the agreement for resumption of work on 1st February 1958, the workers still continued the illegal and unjustified stay-in-strike. Copies of this notice were sent to the S.D.O. and S.D.P.O., Barrackpore, Labour Commissioner, West Bengal, and Officer-in-charge, Dum Dum P.S. The learned spokesman for the Union stated that it should not be believed by the Tribunal that there was strike on 1st February 1958, as there was no need of putting pressure on the Company to launch a strike, in view of the fact that the demands were met by the agreement, Ext. 3. The evidence, however, shows that the workers launched the strike on 27th January 1958 on the ground that 13 of the leading workmen had been refused work which was an incorrect plea according to Ext. 3. It does not appear from the written statement of the Union or the evidence on record on what other demands the strike on 27th January 1958 was launched. It cannot, therefore, be stated that it was improbable that the workers would launch a strike on 1st February 1958, as they had no demands to be met. It is highly improbable that some mistries and durwans of the Company would interfere with the working of the factory and resist the workers in resuming work or assault them after two hours' work and stop the production in the factory. Work was resumed on 3rd February 1958 and on that very date charge-sheets were issued on the prime-movers of the strike on 27th January 1958, and its continuance thereafter till 1st February 1958. From the evidence on record and the circumstances of the case, I come to the conclusion that there was a stay-in-strike from 27th January 1958 till 31st January 1958, and the workers also continued the strike on 1st February 1958, and the plea that there was a lock-out of all the 1,500 workmen during the period or that workers joined on 1st February 1958 and were assaulted and turned out by the durwans, mistries and other paidmen of the Company is unworthy of credit. Ext. G is a copy of the charge-sheets issued on 27 workmen, being the prime movers of the strike during the period from 27th January 1958 to 1st February 1958. We shall consider the case of only 26 men in this list as Chaturi Kahar, as mentioned, resigned his job.

30. The next incident on which charge-sheets were issued on workmen is alleged to have occurred on 8th February 1958. The relevant charge-sheets are Exts. H and H(1), which were issued on 11th February 1958. The Union in paragraph 18 of its written statement states that the management again refused work to two workmen, being serial Nos. 378 and 379 in the list. They received charge-sheets per registered post to which they replied. The Company's written statement shows that the charge-sheets were issued on 11th February 1958 for misconduct. The evidence on record shows that on 8th February 1958 the proprietor, Shri Gayadin Ram, left the factory a few minutes after 5 p.m. and when his car went out of the gate for about 30 or 40 cubits, some workers surrounded the car and stopped it and they shouted asking all to assault him. There was a police picket in the factory. They came in and intervened and somehow managed the car to pass out. Out of these men, 3 persons, namely, Koria Rajbhar, Baij Nath Kahar and Rajai Jaswara stood in front of the car. They abused the proprietor saying that he was a blood-sucker and asked others to beat him. There were two other persons occupying the car, namely, Ganga Prosad Sahu and Parameswar Ram; they had business connections with the Company. This story is stated by O.P.W. 2 Lalji Tewari, Head Durwan, O.P.W. 3 Shri Shibnath Jaiswal, Supervisor, Electric Furnace Department, O.P.W. 4 Shri Ramsagar Dubey, Supervisor of General Mazdoor Department, and the Manager, Shri B. L. Jaiswal, O.P.W. 5. Shri B. L. Jaiswal gives a complete picture of the incident on 8th February 1956 regarding the attack on the proprietor, Shri Gayadin Ram. Ext. YY is a copy of the Magistrate's record and the petition of complaint of Shri B. L. Jaiswal and his first statement before the Magistrate on 11th February 1958 regarding the incident of surrounding the proprietor's car and trying to assault him on 8th February 1958. There are 30 accused in this case, being 27 men involved in the charge-sheet, Ext. G, and 3 other men, namely, Baijnath Kahar, Koria Rajbhar and Rajai Jaswara. P.W. 1 Shri Fatick Ghosh says that he does not know whether Gayadin's car was surrounded on 8th February 1958, nor does he remember whether he was near the factory on that date. The evidence of P.W. 3 Shah Mohammed shows that he admits that there was some incident regarding the proprietor. Exts. H and H(1) are the charge-sheets on 30 persons on account of the incident on 8th February 1958. These 30 men comprise of 27 men included in the charge-sheet, Ext. G, and 3 other men, namely, Karia Rajbhar, Baijnath Kahar and Rajai Jaswara. The three last named persons have been charge-sheeted in Ext. H to the effect that they wrongfully detained the car of the proprietor by using force and filthy language against him with 27 other men, being the persons who are involved in the charge-sheet, Ext. G, and Ext. H(1) is a charge-sheet against these 27 persons charging them that they committed the abovementioned offence with the other three men mentioned in Ext. H.

31. The written statement of the Union states that on 11th February 1958, the management refused to give work to two workmen, being serial Nos. 378 and 379 in the list and that, they received charge-sheets, to which they gave replies. It further states that on 26th February 1958 the management again refused employment to 26 workmen, being serial Nos. 380 and 382 to 404. As a matter of fact, on 11th February 1958 by Exts. H, charge-sheets were given to 3 persons

being Koria Rajbhar, No. 378, Baijnath Kahar, No. 379, and Rajai Jeswara, No. 380. The charge-sheet, dated 25th February 1958, which was received by the workmen on 26th February 1958, shows the name of 25 and not 26 other workmen than those mentioned in Exts. G, H and H(1). The statement of the Union in paragraph 19 that on 26th February 1958, the management refused employment to 26 workmen, including serial No. 380 is not, therefore, correct. In view of the evidence on record, I consider that the plea of the Company that Koria Rajbhar, Rajai Jesawara and Baijnath Kahar along with 27 other workmen, who were involved in the charge-sheet, Ext. G, committed the offence of surrounding the proprietor's car on 8th February 1958 and abusing him and trying to assault him, has been substantiated and I award accordingly.

32. I shall now take up the case of the incident on 23rd February 1958. The Union states that on 26th February 1958 the management refused employment to 26 workmen, being serial No. 380 and 382 to 406 in the list. They were served with charge-sheets by registered post, to which they gave replies, as mentioned in Annexure H. They were not informed of the date of enquiry; no enquiry was held; nor did they receive any discharge, dismissal or retrenchment letter. They are still being refused work. The Company, in its written statement, states that the employees in question were dismissed for misconduct after charg-sheets were duly served, explanations called for and enquiries held in their presence. The charge-sheets, dated 25th February 1958, appear as Annexure A to the Company's written statement.

33. P.W. 1 Shri Fatick Ghosh did not give any detail of the incident on 23rd February 1958 in his examination-in-chief. He states in his cross-examination that he knew that the police used tear gas in the month of February. He knew that there was no brickbatting or stone-throwing in the month of February in the factory. He can say this because that was a Sunday and at a little distance from the gate, he was having demonstrations and a meeting. He does not admit that any of the employees were injured due to brickbatting, which was going on and for which reason, the police came. He did not exactly remember if that was 23rd February 1958 or 24th February 1958. P.W. 3 Shah Muhammad, is a person who was charge-sheeted on 25th February 1958. He says that he received the charge-sheet by post and he gave a reply to the charge-sheet. The charges mentioned are not true. It is not a fact that he forcibly entered the factory, or that he pelted stones. 23rd February 1958 was a Sunday. A meeting was being held at a place near the factory. While the meeting was being held, some people from inside the factory were throwing brickbats. Lalji Tewari, Ramsagar, Subedar, Amulya Mistri and Fulchand Dubey threw brickbats from inside the factory. In cross-examination, he says that there were 150 to 200 workers in a meeting that was being held near the factory. When the durwans and mistries threw stones at the meeting, the workers stood quietly. None of the workers were injured. The meeting was being held at a distance of about two cottahs or 300 yards from the factory and was being addressed by Shri Fatick Ghosh. The other witnesses for the Union did not state anything about the incident on 23rd February 1958. O.P.W. 2 Lalji Tewari states that on 23rd February 1958, he was on duty when he saw about 30 to 40 workers assemble near the gate at 1 p.m. and they shouted, "Let us break open the gate and break the machines." At that time the police arrived at the scene, as also a few durwans such as Ramkripal Tewari, Shaligram Tewari and Sher Bahadur. There were about 40 to 50 persons. After the police had explained and remonstrated with them and when they did not listen to the police, the police tear-gassed on them. The Officer-in-charge, Shri Dutta, arrested 3 to 5 persons. They started pelting brickbats and some of the durwans got injured and the witness also received injury. After they received injury, they went to the Belgachhia Hospital for getting treated. Ext. C is the injury report. The same is the evidence of O.P.W. 4 Shri Ramsagar Dubey. O.P.W. 5 Shri B. L. Jaiswal, Manager, states that on 23rd February 1958, he was at his residence which was nearly a furlong outside the factory. At about 1 p.m. a durwan, Sher Bahadur, came to him and informed him that nearly 50 to 60 workers were trying to forcibly enter into the factory. He immediately went to the police-station and from there gave a ring to the factory and requested the Officer-in-charge to control the situation. The Officer-in-charge, Dum Dum police-station, immediately rushed with some police in his van to the factory. As soon as he along with the Police Officer, Shri Dutta, reached the factory, he was informed by the durwans on duty that four rounds of tear gas had been fired, because 50 or 60 workers who were trying to enter forcibly into the factory, after having been resisted by the police pickets and the durwans, started hurling brickbats. Finding the situation beyond control, the police opened tear gas. Nearly 8 to 10 persons were injured by brickbats. They were sent by the police to the R. G. K. Medical College Hospital, where they were treated. The injured persons were Brij Kissore Tewari, Ramprosad Sahu, Mangru Shaw, Jairuddin, Jokhan, Matru Sahoo, Dukhi Sawoo and two others, Lalji Tewari and Ramsagar Dubey. The Manager states that charge-sheets were issued against these men and these charge-sheets are Ext. I to Ext. I(1). In cross-examination, the witness states that when the Officer-in-charge arrived, firing of tear gas was finished. The Head Constable of the police picket, finding the situation uncontrollable, fired tear gas. Exts. C to C(8) are the hospital tickets of the persons who were injured on 23rd February 1958, and were treated by the R. G. Kar Medical College Hospital at Belgachhia. It appears that all of them had injuries and were advised to take A.T.S. 1,500 units after skin test. Exts. I to I(1) are charge-sheets on the workmen in connection with the incident on this day. Ext. I is the charge-sheet on 25 persons who were charged with having committed a misconduct or tried to enter forcibly into the factory premises unlawfully with a view to causing mischief to the Company and also terrorising the workers living inside the factory.. It is also stated that at the resistance of the durwans on duty at the main gate of the factory, as well as the posted police pickets, these workmen, along with others, threw brickbats on all who went to help the police picket, including

the durwans, causing serious injuries to their persons. They are charged to be the prime movers of this illegal attempt for forcible occupation and mischief to the Company. These 25 persons mentioned in Ext. 1 are charged to have committed the offence along with 31 other persons, being the same as those mentioned in charge-sheets, Exts. G, H and H(1). The charge-sheet against these 31 persons is Ext. I(1). The explanations to these charge-sheets are Ext. L series, being Exts. L to L(51). All the explanations are of the same text. It is stated by each workman in the explanation that on 23rd February 1958 he, along with other workmen, was passing in a procession along the Jessore Road, and never did he or the others terrorise the Durwans, nor expressed any intention of breaking the costly installations of the Company. He was also not in a position to accept the other charges as of throwing brickbats on durwans and the police pickets, forcible occupation of factory, etc. It is further stated that under the leadership of Lalji Durwan along with police pickets, goondas rushed towards the peaceful processionists armed with iron rods, etc. and assaulted them seriously, causing fatal injuries to 10 persons. There is no evidence on record to show that any one of the workers was injured on 23rd February 1958, and the evidence of P.W. 3 Shah Muhammad, states that although durwans and other people were stoning the peaceful workmen near the factory, none of the workmen were injured. It is noticeable that while the explanations, Ext. L series, state that a peaceful procession was passing by the factory, which was stoned and brickbatted by the durwans, the witnesses, being the General Secretary, P.W. 1 and P.W. 3 Shah Muhammad state that there was a meeting near the factory and P.W. 3 states that no one of the meeting was injured. P.W. 1 Shri Fatick Ghosh states that there was no tear-gassing by the police on 23rd February 1958. The police used tear gas on the road and on the durwans, who were chasing the people on the road. The tear gas was not used on the meeting. The workers were not tear-gassed. The evidence of the witnesses on the side of the Union shows that the durwans were stoning the workmen who were engaged in a meeting near the factory and the evidence of Shri Fatick Ghosh also shows that the durwans were chasing the workmen on the road Shah Muhammad says that no workmen was injured. Exts. C series shows that as many as 9 of the durwans and other men on the Company's side were injured on 23rd February 1958, and were given first-aid by the R. G. Kar Medical College Hospital. In view of the circumstances on record, and the disparity in the evidence on the Union's side, I come to the conclusion that the evidence adduced on the side of the Company in respect of the incident happening on 23rd February 1958 should be accepted. The learned spokesman for the Union pointed my attention to the fact that in the charge-sheet, Exts. I and I(1), it was stated that these workmen made an illegal attempt for a forcible occupation of the factory and mischief to the Company and along with others, threatened the loyal workers to stop production and staged an illegal strike. The charge of stopping production and illegal strike was not, it was pointed out to me, correct, in view of the fact that 23rd February 1958 was a Sunday and a closed day for the factory. I appreciate that the charge of threatening loyal workers to stop production and staging an illegal strike on Sunday was an error and an incorrect addition to the charge-sheet. I, however, consider that the workmen who have been named in Exts. I and I(1), committed the misconduct as stated in the charge-sheet, except that of launching strike and inciting to stop production.

34. P.W. 1 Shri Fatick Ghosh, General Secretary of the Union, states that all the charge-sheets were served on the workers at their residential addresses. The Company sent a bunch of charge-sheets weighing about 2 seers to him. It is not his duty to distribute them. He has got those charge-sheets with him, and he can produce them in court, if necessary. The bundle may contain about 200 charge-sheets. Since it was not received by the workers, they did not give any reply. Since it is not the duty of the Union to serve charge-sheets, he did not make any attempt to communicate with the workers. The charge-sheets which were sent to the care of the Union have not been received by the workers. He did not distribute the charge-sheets to the individual workers and all the charge-sheets are likely to be in the Union Office. He did not intimate to the Company that it was not acceptable for him to receive charge-sheets all in a bundle, in the care of the Union. It may be stated that in regard to the incidents on 27th January 1958 to 1st February 1958, on 8th February 1958 and on 23rd February 1958, as has been mentioned above, all the charge-sheets were received by the workers and they submitted explanations. These explanations are Exts. A, Ext. J to Ext. J(25), in respect of the charge-sheet, dated 3rd February 1958, Ext. K to Ext. K(28) in respect of the charge-sheet issued on 11th February 1958, and Ext. L to Ext. L(51) in respect of the charge-sheet issued on 25th February 1958. The written statement of the Union and the evidence of Shri Fatick Ghosh are that no notices of enquiry were issued on the workers, and no enquiry was held on the charge-sheets, and that no orders of dismissal were also issued on the 54 workers mentioned above. P.W. 1 Shri Fatick Ghosh says in evidence that the Company did not send any notice of enquiry to the workers; nor did they receive any such notice. He himself received a bunch of notices of enquiry from the Company. This bunch which was addressed to him has been kept in the Union office. He did not make any protest to the Company asking them why they should send enquiry notices C/o. his address. He never corresponded with the Company regarding these enquiry notices. He says that the dismissal letters were received by the workers at their addresses. The witness also admits that recently in one case he asked the Company to send him money payable to some workers. He asked the Company to pay leave wages, for the workers who were not available, to him for payment to the workers. He says that he would have attempted to contact them so that they might come to collect the money. He claimed such wages for about 54 workers. These 54 workers are included in the list of 430 attached to the order of reference. The witness also admits that he has some responsibility to know whether after the charge-sheets there has been any enquiry or not. After receiving the

enquiry notices, he did not enquire from the Company as to when the enquiry was going to be held. He had no correspondence with the Company enquiring about the dates when the enquiry would take place or requesting the Company that the Union should be asked to represent the workmen in the enquiry. He further says that the Company sent these correspondences frequently to the Union to put it to a false position. In his cross-examination, the witness also states that the Company got a rule issued under Article 226 of the Constitution of India challenging the present order of reference and in that rule, the Hon'ble High Court served on him as Secretary of the Union notices on behalf of the Union representing the 430 workmen. He did not inform the Hon'ble High Court that service on him for 430 workers was not effective. The notices from the Hon'ble High Court were not served on individual workers. The Hon'ble High Court sent a bunch of notices on workers which was received by him. That is lying in the Union office. Ext. ZZ(16) the order of the Hon'ble High Court in the written petition under Article 226 of the Constitution of India shows that the 430 workmen were described as C/o. Secretary, Hindusthan Iron & Steel Workers' Union. The evidence of O.P.W. 5 shows that after receiving the explanations, he sent out notices of enquiry. Ext. M is the enquiry notice issued on 10 workers individually out of 27 workers charge-sheeted on 3rd February 1958, asking them to appear before an enquiry committee on 6th June 1958 at 3 p.m. and Ext. O.P.W. 5 states that the second enquiry notice was issued in respect of 20 workers, out of which 17 were of the first charge-sheet and 3 of the second charge-sheet, dated 11th February 1958, and these are Ext. N series. Ext. N is a letter to the Secretary, Hindusthan Iron & Steel Company Workers' Union, stating that the Company was sending 20 letters named therein in regard to the notice for enquiry in connection with charge-sheets on them for onward transmission to the persons concerned, as their addresses were not known to the Company. N(3) is the copy of individual letters of notice of enquiry addressed to 20 persons, which were sent to the Secretary, intimating that the enquiry would be held on 25th June 1958 at 3 p.m. O.P.W. 5 states that the Company issued enquiry notices to the third group, viz., those workers who were charge-sheeted on 25th February 1958. These notices along with receipt, are in Ext. O series. Ext. O is a letter addressed to the Secretary of the Union stating that the Company was sending 25 letters issued to 25 workmen named therein in regard to notice for enquiry in connection with charge-sheet for onward transmission to the persons concerned, as their addresses were not known to the Company. Ext. O(1) is the letter sent to the individual workmen, 25 in number, directing them to appear before an enquiry committee on 3rd July 1958 at 3 p.m. Ext. O(2) is the postal receipt and Ext. O(3) is the acknowledgment receipt signed by one Debabrata Talukdar for Secretary, Hindusthan Iron & Street Workers' Union. It was received on 30th June 1958. O.P.W. 5 states that out of 10 workers to whom enquiry notices were issued, 6 turned up on the date of enquiry on 6th June 1958 and 4 did not turn up. The Company then issued another notice to these 4 workers. These notices are Ext. P series. Ext. P is a letter addressed to the Secretary, Hindusthan Iron & Steel Co. Workers' Union, stating that the Company was sending 4 letters addressed to 4 persons named therein in regard to enquiry notice for onward transmission to them, as their addresses were not known to the Company. Ext. P(1) is the letter addressed to the individual workers, 4 in number, named in this letter stating that he did not appear before the Enquiry Committee on 6th June 1958 as desired and that, he was directed to appear on 13th June 1958 at 4 p.m. Ext. P(1) is dated 7th June 1958. Ext. P(2) is the acknowledgment receipt signed by S. Paul for Secretary of the Union and dated 10th June 1958. Ext. P(3) is the postal receipt. O.P.W. 5 states that in the same manner the Company sent copy to Fatick Ghosh for onward transmission to the 4 workers concerned. The next notice was in respect of 20 workers out of whom 11 attended the enquiry on 25th June 1958, and 9 did not attend. The Company again issued enquiry notice to the remaining 9 workers. The second notice with the postal receipts is Ext. Q series. Ext. Q is the notice of enquiry addressed to 9 workers named in the letter in which they have been directed to appear on 3rd July 1958 at 3 p.m., as they did not appear on 25th June 1958 before the enquiry committee. This letter is dated 26th June 1958. Ext. Q(1) is the letter addressed to the Secretary of the Union forwarding the 9 letters to him and asking him to transmit them to the workers concerned, as their addresses were not known to the Company. Ext. Q(2) is the postal receipt and Ext. Q(3) is the acknowledgment receipt signed by S. Paul for Secretary of the Union, and dated 2nd July 1958. P.W. 5 states that in respect of the third charge-sheet, only 15 workers attended the enquiry and the rest did not, to whom the Company issued a fresh enquiry notice in the same manner with copies to the Secretary, Hindusthan Iron & Steel Co. Workers' Union, for onward transmission and these are Ext. R series. Ext. R is the letter addressed to the 10 workers in question intimating them that as they did not appear on 3rd July 1958 as directed, they are asked to appear on 14th July 1958 at 3 p.m. before the enquiry committee. This letter is dated 7th July 1958. Ext. R is the forwarding letter to the Secretary of the Union, requesting him to transmit the letters to the workmen concerned, as their addresses were not known to the Company. Ext. R(2) is the acknowledgment receipt signed by S. Paul for Secretary of the Union, dated 9th July 1958. O.P.W. 5 states that it is not a fact that the enquiries were not held. They held enquiries first on 6th June 1958, the second enquiry was held on 13th June 1958, the third enquiry was held on 25th June 1958, the

fourth enquiry was held on 3rd July 1958, and the fifth enquiry was held on 14th July 1958. Ext. S series show the minutes of the enquiry proceedings. The witness himself and Shri B. Roy Chowdhury were Enquiring Officers.

35. I shall now deal with the enquiry reports, Exts. S to S(4). The enquiries were held for 5 days, viz., 6th June 1958, 13th June 1958, 25th June 1958, 3rd July 1958 and 14th July 1958. The enquiry on 6th June 1958 was held in connection with the charge-sheets, dated 3rd February 1958, 11th February 1958 and 25th February 1958, on 10 workmen, on whom the enquiry notices, Ext. M series, were served. Ext. S shows that on the date of enquiry only 6 out of 10 workers appeared and the other 4 did not appear. Ext. S shows that 8 witnesses were examined on the Company's side by the Enquiring Officers, Shri B. L. Jaiswal, Manager, and Shri B. Roy Chowdhury, Labour Officer. These 8 witnesses were as follows:—

(1) Shri Gayadin Ram, Proprietor,
(2) Shri Shibnath Prosad Jaiswal, Supervisor,
(3) Shri Lalji Tewari, Head Durwan,
(4) Shri Ramesagar Dubey, Supervisor,
(5) Shri Adhir Mandal, Electrican,
(6) Shri Subedar,
(7) Shri Chhedi Mistri, and
(8) Shri Fulchand.

of these witnesses, 3 have examined before the Tribunal. They are O.P.W. 2 Shri Lalji Tewari, O.P.W. 3 Shri Shibnath Jaiswal, and O.P.W. 4 Shri Ramasagar Dubey. Ext. S shows that at the end of the examination of the Company's witnesses, the six charge-sheeted workmen who were present at the enquiry, were asked to cross-examine the witnesses produced by the Company, but they declined to do so. These workmen were also asked to make statements and to produce evidence in their defence. This also was declined. The Enquiring Officer, therefore, closed the enquiry and submitted report, as shown in Ext. S, in regard to the six workmen. In the enquiry, these workmen were found guilty of all the offences for which they were charged. The evidence of the witnesses who were examined before the Enquiring Officers appear as Exts. S (5) to S (12). Ext. S (1) is the minutes of the enquiry proceedings held on 13th June 1958 in connection with the charge-sheets dated 3rd February 1958, 11th February 1958 and 25th February 1958, in respect of four workers who were absent on the first date of enquiry. These 4 workers were again served with notices, as shown in Ext. P series. They did not appear on 13th June 1958 and an ex-parte report was made against them. The witnesses who were examined on the previous date were also present on this date, but no one cross-examined them and their evidence on the previous date was considered and an ex-parte report was made by which they were found guilty of the offences with which they were charged. Ext S (2) is the minutes of the enquiry proceedings held on 25th June 1958. Notices were given to 20 workmen for enquiry on this date and these notices are Ext. N series. Out of 20 men, only 11 appeared as mentioned in Ext. S(2). The 8 witnesses who were examined on the first date of enquiry were called and their previous statements were read out to the workmen present, and explained to them in Hindi or Bengali. The workmen were asked to cross-examine the witnesses, if they so desired. They declined to cross-examine the witnesses. The Enquiring Officers then submitted the report, Ext. S(2). The 11 men who were present on this day were found guilty of the charges on the charge-sheets served on them. Ext. S(3) is the minutes of enquiry proceedings held on 3rd July 1958. Notices Ext. O series were on 25 men who were asked to come on that date for the first time and notices, Ext. Q series, were served on 9 men who were not present on 25th June 1958, for appearance on this date. These 9 men did not appear even on this date, and report was ex-parte as against them. Out of 25 men, 15 men appeared, as mentioned in Ext. S(3). The evidence of 7 witnesses, as mentioned in the report, and as recorded on a previous day, were read out to the workmen and explained to them in Hindi or Bengali. The workmen present were asked to cross-examine the witnesses if they so desired, or examine witnesses in their defence. The workmen declined to cross-examine the witnesses or to adduce any evidence and the Enquirnig Officers submitted report as in Ext. S (3). Ext. S(4) is the report of enquiry on 14th July 1958 in respect of 10 persons who did not appear on the previous day, viz., 3rd July 1958, and notices, Ext. R series were issued to them. It appears that they did not attend the enquiry for the second time also and the enquiry was held in their absence. Ext. S(4) is the report of the Enquiring Officers against these 10 persons. They were found guilty of the charges brought against them. Ext. S (5) is the statement of Shri Gayadin Ram, recorded by the Enquiring Officers in connection with the enquires held on 6th June 1958 and 25th June 1958. Ext. S(6) is the statement of Shri Shibnath Jaiswal. Ext. S(7) is the statement of Shri Lalji Tewari. Ext. S(8) is the statement of Shri Ramsagar Dubey. Ext. S(9) is the statement of Shri Adhir Mondal. Ext. S(10) is the statement of Shri Subedar and Ext. S(11) is the statement of Shri Chhedi Mistri and Ext. S(12) is the statement of Shri Fulchand Dubey. Ext. X to Ext. X(4) are the dismissal letters issued on the workmen by the Company on 22nd September 1958. Ext X(4) is the dismissal letteer on 14 persons on the charges against them on the charge-sheets issued on 3rd February 1958, 11th February 1958 and 25th February 1958, that is on all the three incidents. Ext X(3) is the dismissal letter on 13 workmen, being 9 workmen whose case was disposed of ex-parte in Ext. S(3) and 4 workmen whose case was disposed of ex-parte in Ex. S(1). By Ext X(3) the 13 workmen were dismissed for charge-sheets issued to them on 3rd February 1958, 11th February 1958 and 25th February 1958. Ext. X(2) is the letter of dismissal of 3 persons, viz., Koria Rajbhar, Baijnath Kahar and Rajai Jesawara. They were dismissed for charges in charge-sheets issued on 1st February 1958 and 25th February 1958 as in Ext. S(2). Ext. X(1) is the letter of dismissal upon 15 workmen who were involved in the third incident on 23rd February 1958 and were served with charge-sheets, dated 25th February 1958, and were involved in the enquiry report, Ext. S(3).

They were dismissed for charges as per charge-sheet, dated 25th February 1958. Ext. X .is the letter of dismissal on 10 workmen who were involved in the third incident on 23rd February 1958 and who were absence and whose cases were dealt with ex-parte in the enquiry report, Ext. S(4). They were dismissed for charges on charge-sheets, dated 25th February 1958. All the letters of dismissal, Exts. X to X(4) are dated 22nd September 1958. Exts. X to X(4) are copies filed by the Company. Exts. 26 to 26(u) show the original letters of dismissal issued to the workmen by name individually, C/o. The Secretary, Hindusthan Iron & Steel Workers' Union. It appears that all these letters were redirected to the care of Chongur Mistri, 64, Jessore Road, Shyamnagar, Dum Dum, Calcutta-28. These dismissal letters were produced by the Union. P. W. 1 Shri Fatick Ghosh admits in his evidence in cross-examination that the dismissal letters were received by the workers at their addresses. P.W. 2 Shri Rampada Roy states that his dismissal letter was sent to him by post and this was received by him at Dum Dum, and all the 26 workmen got their dismissal letters at Dum Dum. He could not say why all the letters, Ext. 26 series, were sent to the address of Chengur Mistri from the Union. It was pointed out to me by the learned Counsel for the Company that the Enquiring Officers stated in Ext. S to S(4) that all the workmen were made responsible for all the three charges, which was incorrect and was an accidental error. The letters of dismissals show correctly the charges fro which the respective workmen were dismissed. O.P.W. 5 Shri B. L. Jaiswal was one of the Enquiring Officers and he deposed in detail about the notices of enquiry and the enquiry proceedings and also the letters of dismissal.

36. The learned spokesman for the Union contended that natural justice was denied to the workmen in the matter of the enquiry by the Company, as no notices of enquiry were issued to them. He pointed out to the evidence of Shri B. L. Jaiswal where he states that charge-sheets to the 54 workmen were sent by registered post, and some letters were sent to the individual addresses and some to the care of Union. Charge-sheets were not sent to the care of the Union. They were sent to the names and addresses of the individual workmen under registered post. The dismissal letters were sent in the name of the individual workmen under separate covers, care of the Union. He sent notices of enquiry to these workmen. Notices of enquiry were sent under registered cover to the individual workers with a covering letter to the Secretary, Hindusthan Iron & Steel Co. Workers' Union, for onward transmission thereof to the workers concerned. The notices were addressed separately to the individual workmen, but they were sent in a bunch with a forwarding letter addressed to the Secretary of the Union. All the letters were registered in one packet and addressed the the Secretary of the Union. The learned spokesman for the Union stated that the charge-sheets were sent to the workmen by post and dismissal letters were also sent to the individual workmen under separate covers and they were received from Chengur Mistri, to which address they were re-directed, but enquiry notices were not sent in that way. He also stated that really none appeared at the enquiry, although the enquiry reports, Exts, S series, show that on some dates some of the charge-sheeted workmen appeared at the enquiry, but did not cross-examine the witnesses nor adduced evidence. The evidence of the Union Secretary is that he received a bunch of notices of enquiry from the Company and the bunch has been kept in the Union office. He did not protest to the Company as to why they should send the enquiry notices care of his address. About the dismissal letters, the Secretary says that they were received by the workers at their addresses. The Secretary did not even enquire from the Company as to when the enquiry was going to be held, although he admits in his evidence that he had some responsibility to know whether there has been any enquiry held or not. I have already stated above that he, as the Secretary of the Union, received the notices for 430 workmen from the Hon'ble High Court in the matter of Article 226 of the Constitution of India preferred by the Company against the workmen in connection with the present order of reference. Ext. ZZ(16) is an order of the Hon'ble High Court, which will show that the 430 workmen are described as "care of Secretary of the Union". P.W. 1 Shri Fatick Ghosh admits that he contested the case before the Hon'ble High Court as the Secretary of the Union on behalf of all the 430 workmen and notices from the Hon'ble High Court were not served on individual workers. The Hon'ble High Court sent a bunch of notices on the workers which was received by his and they are all in the Union office. The Secretary also states in evidence that he asked the Company to pay leave wages of about 54 workers to him, as these workers were not avaliable to receive payment. He states that he would have attepmted to contact them so that they might come and collect the money. These 54 men are included in the list of 430 workers involved in this proceedings. The Secretary says that he did not transmit the notices of enquiry to the persons concerned, although he was requested by the Company to do so, as it was not the Union's duty. He also states in his evidence that there is a notice board in Dum Dum at Paresh Kutir near Shyamnagar, and if he wanted to collect members in a meeting, he would paste a notice on that notice board. He did not find any inconvenience in contacting the members of his Union, because whenever a notice is pasted at Paresh Kutir, all of them meet together. This is with reference to normal periods, but when the Union members are out of station, he cannot contact them. The same is the evidence of P. W. 3 Shah Muhammad. He also states that notices of meeting are put up at Paresh Kutir and workers get information when notices are fixed near Paresh Kutir. It, therefore, appears that the Secretary would have no difficulty in contacting his members and informing them about the date of the enquiry, only if he tried to do so. The enquiry notices were addressed to individual workers, but a number of them in one bunch were sent with a forwarding letter to the Secretary of the Union. The Union Secretary should have intimated the Company if it was difficult for him to transmit the letters to the workers concerned. It is not enough for him to state that sending of intimation of enquiry

notices was not one of the duties of the Union. Dismissal letters, Exts. 26 series, were produced from the custody of the Union Secretray. They were only re-directed to one Chengur Mistri at Dum Dum. It is stated that the workers received all the letters from Chengur Mistri and then deposited them with the Union Secretary. The Union Secretary, if he so desired, could have informed the Company that it was not possible for him to serve the enquiry notices on the workers, and he might have suggested the address of Chengur Mistri as the proper address for reaching all the workers instead of the Secretary of the Union. The decision of the Hon'ble Supreme Court in the case of G. McKenzie & Co. [1959(1) L.L.J., 285] was cited by both the parties. In this case the Management of the Company took the precaution of fixing the notices on its notice board both inside and outside the Company's premises and they remained affixed from 20th April 1955 till 9th June 1955, i.e., right up to the termination of the enquiry. It also sent registered acknowledgement due notice to all workmen. When some of them came back unserved, it wrote to the Secretary of the Union, asking for the addresses of the workmen, but he did not agree to reply to the letter. The Hon'ble Supreme Court observed as follows: The Industrial Tribunal held that there was no proper notice to workmen Nos. 2 to 24 and the mere affixing of notices on the notice board of the Company was not sufficient, as the workmen could not enter the premises of the Company during the lock-out. Notices were also affixed on the Company's notice board outside its gate from where the workmen concerned were not excluded as a result of the lock-out. The Tribunal was of the opinion that the appellant-Company might have sent the notices to the Secretary of the Union for circulation to the absentees. The Hon'ble Supreme Court observes that in the first place, this is not one of the recognised modes of effecting service and in this case the Company would have been justified in not taking this action after the way that gentleman had neglected even to reply to the Company's letter asking him to supply the addresses of the workmen. Apart from complying with its Standing Orders, the appellant-Company made every effort under the circumstances to serve notices on the workmen. No principle of natural justice has been infringed and the findings as to the workmen having no notice of the charges against them and consequently not having a proper opportunity to meet the case against them cannot be sustained. The Hon'ble Court further states that if the rule were as the order of the industrial tribunal holds it to be, then by their action of not giving proper addresses to the employer of abstaining from looking up the notice boards where under the Standing Orders notices were required to be affixed, the workmen might make it impossible for an employer to take disciplinary action assuming that such action is necessary or justified. The learned Counsel for the Company pressed that the despatch of the notices of enquiry in the name of individual workmen addressed to the care of the Secretary of the Union with a forwarding letter to the Secretary of the Union requesting him to deliver the notices to the workmen concerned was a sufficient compliance of the need of effecting service on the workmen. It was pointed out that most of the workmen concerned had given their address as care of the Company, as it will appear from the charge-sheets Exts. G, H, H(1), I and I(1). It was not suggested by the Union that the addresses were otherwise. The learned Counsel for the Company stated that after the suspension of the workers in the month of February, the enquiry notice which were issued on 31st May 1958, and June 1958, could not be reasonably sent to the workmen at the address of the Company. The management, therefore, sent the enquiry notices addressed to the individual workers but in the care of the Secretary of the Union in its registered address. It was pressed that this mode of service was better than the service of the notices on the notice boards of the Company. The learned spokesman for the Union, however, contended that according to the observation of the Hon'ble Court in the case of McKenzie & Co., this was not one of the recognised modes of effecting service. The industrial dispute in question was referred to the Tribunal by the West Bengal Government to the Second Industrial Tribunal. Notice was, therefore, to be served under rule 12 under the Bengal Industrial Disputes Rules, 1947. Under that rule, a notice may be sent by registered post or where there are no Trade Union of the workmen, it may be served by affixing it on the notice board of the office of the employer at the address mentioned in the order of reference, or it may be served through the Registrar of the Court of Small Causes, Calcutta, or through the District Judge of the district. Circulation of the notice in a notice board of the Company was not, therefore, one of the recognised modes of service where there was a Trade Union of the workers. All that the Hon'ble Supreme Court observes in the case of McKenzie & Co., is that the Company should make evey effort under the circumstances to serve notices on the workmen. When the addresses of the workmen were not available, the Supreme Court decided that the displaying of the notice on the outer notice board of the Company was a sufficient compliance of the need for a good service of the notice. The Hon'ble Court does not rule out effecting service of notice through the Union Secretary when the addresses of the workmen were not available. Addresses of workmen other than in the care of the Company were to be found only in the case of 7 out of 55 of the workers as it appears from the charge-sheets, Exts. G, H, and I series. On the decision of the Hon'ble Supreme Court in the case of McKenzie & Co., and its workmen, reported in 1959(I) L.L.J., 285, it appears to me that sending of notice for the workmen whose addresses were not available, to the care of Secretary of the Union was a sufficient compliance of the rule of good service of notice and it should be considered that this was the best the Company could do in the circumstances. The learned Counsel for the Company proved the letters, Exts. U and U(1), in which adjournment has been requested in the enquiry in respect of Dashai Khatic, Bahadur Molla and Sampat Rabidas in Ext. U, and Tilakdhari Rajbhar in Ext. U(1). The three men in Ext. U appear as Nos. 5 and 6 in charge-sheet, Ext. G, and the one in Ext. U(1) appears as No. 8 in the charge-sheet, Ext. G. For all these 4 persons, the enquiry notice is Ext. M series, and the enquiry was fixed for 6th June 1958. These letters are purported to have been signed by Shri Fatick Ghosh, Secretary of the

Union. Shri Fatick Ghosh denied having written these letters. There was not expert evidence on the handwriting of these letters. The learned Counsel for the Company pressed that the letters emanated from the Union and that it should be considered that the Secretary or somebody for him sent these letters to the management of the Company for an adjournment of the enquiry as against the four workmen named therein. The Union proved the letters, Exts. 9(a) and 9(b), being replies to charge-sheets by some workers. On a superficial observation of these letters, as can be made without expert assistance, it appears to me that they are similar in character to the letters, Exts. U and U(1). This is, however, not a proof of the fact that lettres, Exts. U and U(1), were really written by the Secretary, Shri Fatick Ghosh. The letter, Ext. T, dated 23rd June 1958, written by the Deputy Labour Commissioner to the proprietor of the Company, shows that the representative of the Company could not attend a joint conference of conciliation on 23rd June 1958, as the Deputy Labour Commissioner was informed that enquiries and finalisation in regard to the pending cases had not been completed by then and the Company expected to have the matter finalised by 25th June. The Deputy Labour Commissioner, therefore, requested the Company to send a representative for a joint meeting in his office on 26th June 1958. From this letter, it will appear that the fact of the Company holding enquiries in respect of the charge-sheeted workmen was also intimated to the Deputy Labour Commissioner during a conciliation proceeding with the Union. It is, therefore, highly improbable that the Union was not aware of the holding of the enquiries by the Company in the month of June. It may be pointed out that the enquiries were held on 6th June 1958, 13th June 1958, 25th June 1958, 3rd July 1958 and 14th July 1958. The Company did not keep the matter of the enquiry concealed from the Labour Commissioner. From all these circumstances, it wold appear that the plea of the Union that the enquiries were held without giving any opportunity to the workmen to appear or that no enquiries were held at all, is unworthy of acceptance. On the evidence on record and the circumstances of the case, I have no other alternative than to come to the conclusion that the enquiry notices, as sent to the workmen in the care of the Secretary of the Union, was a sufficient compliance of the need of a good service of the notices and that the Secretary of the Union delibertely neglected and failed to intimate to the workmen the dates of the enquiry and that the fact of the Company holding enquiries on the charge-sheets were known to the Union at the time when it was carrying on conciliation proceeding before the Labour Commissioner and also contesting before the Hon'ble High Court on behalf of the workmen. It is, therefore, decided that the workmen in question were given sufficient opportunity to appear before the Enquiring Officers and the evidence of the Company that some of the workmen also actually appeared should be accepted by the Tribunal. A fair opportunity was given to the workmen to present themselves at the enquiry and defend themselves. It could not be said that the enquiry was anything but fair. No principle of natural justice was violated and the Management was at liberty to come to its own conclusion as to the culpability of the workmen concerned and to determine what punishment should be meted out to them for the misconduct as proved against them [vide Supreme Court decision in the case of Laxmidevi Sugar Mills, reported in 1957(I) L.L.J., 17]. The findings of the Enquiring Officers that all the workmen were guilty of all the offences on the three dates in February, was an accidental mistake and the orders in dismissal letters, Exts. X to X(4), show the charges for which the workmen in the respective groups were punished by dismissal. The learned Counsel for the Company asked the Tribunal to consider the case of Subodh Kumar Guha and Shri Chaturi Kahar separately, in view of the fact that Subodh Kumar Guha was not allowed to join, as he did not present himself for the purpose in proper time acording to the orders of the Hon'ble High Court and Chaturi Kahar tendered his resignation. I shall deal with these two cases separately, and for the present, it is awarded that the order of dismissal upon the 54 workmen, viz., 10 workmen in Ext. X, 15 workmen in Ext. X(1), 3 workmen in Ext. X(2), 12 workmen out of 13 excluding Chaturi Khar in Ext. X(3), and 14 workmen in Ext. X(4) is justified. It appears that although Shri Subodh Guha was given a charge-sheet in Ext. I and I(1), dated 25th February 1958, no order of dismissal was passed against him. An order of dismissal was passed against Chaturi Kahar in Ext. X(3), but he resigned from service as shown in Ext. KK(7).

37. It will appear from the facts of the case that the strike during the period from 27th January 1958 to 1st February 1958 was a stay-in-strike. It almost amounted to an illegal seizure of the premises by the workmen, and this is an act which interferes with the business of the Company and it is also an unfair labour practice on the part of the workmen. This view has been supported by the Arbitrators, Shri J.N. Mazumdar and Shri R. C. Mitter, in the case of Rohtas Industries Ltd., reported in 1959(II) L.L.J., 845. The same view will be found in the Supreme Court case of Punjab National Bank, reported in 1959(II) L.L.J., 666, although the Hon'ble Judges observed there that the principle of stay-in-strike as enunciated by the Supreme Court of U.S.A. should not be made applicable to a pen-down strike in India.

38. Independent of the fact that there was an enquiry made by the Company after issue of charge-sheets and enquiry notices as discussed above, the misconduct of the workmen on the dates in question, has also been proved by the Company by independent evidence before this Tribunal. If there were a defect in the domestic enquiry, the Company may produce necessary evidence before the Tribunal and prove the misconduct of the workmen concerned. This view has been upheld by the Supreme Court in the case Balipara Tea Estate, reported in 1959(II) L.L.J., 245, and the case of Fulbari Tea Estate, reported in 1959(II) L.L.J., 663. The learned sponkesman for the Union pointed out that the Hon'ble Supreme Court observed in the case of Fulbari Tea Estate that the defect in the conduct of the enquiry could be cured if the Company produced the witnesses before the Tribunal, and this meant that all the witnesses examined before the Enquiring Officers should be produced before the Tribunal. I do not consider the suggestion of the learned

spokesman of the Union to be correct. It is enough for the Company to produce necessary evidence before the Tribunal which may prove the charges on the charge-sheet. Three of the witnesses examined before the Enquiring Officers and one of the Enquiring Officers himself, being the Manager of the Company, deposed before the Tribunal, and I consider their evidence to be sufficient to prove the misconduct against the charge-sheeted workmen. It has been decided by the Hon'ble Supreme Court in the case of Susa Musa Sugar Mills, reported in 1959(II) L.L.J., 388, that even where the employer did not hold any enquiry before applying section 33 of the Act for permission to dismiss an employee, he could make good the defect by producing all relevant evidence, in which case, the Tribunal would consider the evidence and decide whether premission should be granted or not. The same principle has been extend to a case of adjudication under section 15 of the Act that any defect in the enquiry by the employer could be made good by producing necessary evidence before the Tribunal. This will appear from the observations of the Hon'ble Supreme Court in the case of Hotel Imperial, reported in 1959(II) L.L.J., 544.

39. The learned spokesman for the Union stated that the statements of the witnesses examined before the Enquirying Officers bear no date and one of the Enquiring Officers did not put a date below his signature. These are insignificant errors of a clarical nature that do not go to the root of the matter and may be ignored. It was also pointed out that the reports, Exts. S series, show that the workers abused the Enquirying Officer, the Manager, Shri B. L. Jaiswal, and no evidence was adduced to show this fact. Firstly, it was the statement of the Enquirying Officer himself in the reports and required no extra evidence. Secondly, the order of dismissal passed was not sustained of the charge of abusing the Enquiring Officer. It was also pointed out by the learned spokesman for the Union that the dismissal order on 22nd September 1958 in Exts. X series were made during the period of pendency of conciliation proceedings, and were, therefore, prohibited under section 33 of the Act. It was claimed by the Union's side that Ext. 10 shows pendency of the conciliation proceedings on 17th June 1958 and Ext. ZZ(15) also shows this pendency on 9th August 1958. It was stated by the learned spokesman for the Union that the Conciliation Officer made the report on 10th October 1958 and he suggestd to the Tribunal to find out this fact from the file of the Conciliation Officer brought from the Labour Commissioner's office. I consider this to be unnecessary, because assuming that the conciliation proceeding was pending on 10th October 1958, the fact that the orders of dismissal were passed during the conciliation period has little bearing on the present proceedings. Assuming that the Company violated section 33 of the Act and passed orders of dismissal during the pendency of a conciliation proceeding between the Company and the workmen, the Tribunal will not be competent to set aside the orders of dismissal only on that ground. There have been numerous decisions of the superior courts that in a proceeding under section 33A of the Act when the Company is proved to have contravened section 33 of the Act, the Tribunal should go into the merits of the dispute and adjudicate on the matter as if it were a dispute referred to it for adjudication. The decision of the Hon'ble Supreme Court in the case of Punjab National Bank, reported in 1959(II) L.L.J., 666, is one of the latest pronouncements on the point. It is, therefore, clear that in this proceeding under section 15 of the Act, the Tribunal is to go into the merits of dismissal, although the orders of dismissal might have been made in violation of section 33 of the Act. To sum up, the learned spokesman for the Union attacked the dismissals of the 54 workers on the following four grounds:—

(i) There was no strike and the charges were false; if there was a strike, these workers were not guilty;

(ii) The workers were denied natural justice, as there was no service of enquiry notices;

(iii) The dismissals were in violation of section 33 of the Act;

(iv) The conduct of the Company during the material peiod and previously show that the workers were victimised.

40. I have already discussed above that the evidence on record show that there was a stay-in-strike from 27th January 1958 to 1st February 1958, and evidence on record also show that the charge-sheeted men were the prime-movers in the strike. I have also discussed that in the case of the enquiry, the Company did its best in issuing notices on the workmen concerned and the Union was aware of all the facts about the enquiry and the notices of enquiry and this was at a time when the Union Secretary was representing all the workmen in conciliation proceedings and proceedings before the Hon'ble High Court. Some of the workmen were also proved to have been present at the enquiries. I have decided above that there was no violation of the principles of natural justice in regard to the enquiry in question. I have also discussed that assuming that the dismissals were in violation of section 33 of the Act, the Tribunal has to decide the question on merits, independent of the fact of such violation. I do not find anything to show that the conduct of the Company during the material period or previously might show that the wrokers were victimised for their trade union activities. There is no evidence on record to justify the claim that the workmen were victimised for their trade union activities. It is, therefore, awarded that the dismissal of the 54 workmen mentioned in Appendix B to this award, out of 430 workmen named in the list in issue No. 1 is justified and the Company was also justified in refusing them employment after the date of their dismissal.

41. I shall now take up the case of 41 workmen who were suspended for security reasons and who have been mentioned in Annexure D to the Company's written statement. These 41 workmen appear in Appendix C to this award. These 41 men may be divided into three classes as below:—

No. 1 in Appendix C may be considered to be in one class, numbers 2 to 5 and 41 in Appendix C may be considered to be in the second class, and numbers 6 to 40 may be considered to be in the third class.

Ramjanam: He is No. 1 in Appendix C. The charge-sheet letter on him appears as Annexure E to the Company's written statement. Exhibit 21(e)

is the notice of enquiry. Ext. 9 is a copy of the explanation submitted by the worker during the charge. The worker was charged with having assaulted one Indradeo Jadav with a flat iron bar inside the factory while he was on duty. No further evidence on this point has been adduced by the Company. It does not appear that the Company instituted any enquiry over the matter, although the charge-sheet was issued on 11th March 1958. In the circumstances, I find that the charge against Ramjanam has not been proved and he should be reinstated. In view of the fact that he has been kept under suspension from 12th March 1958 as a security measure and no enquiry has also been made in his case and no evidence was adduced against him before this Tribunal, the worker is entitled to some back wages. In view of the fact that the Company was involved in continuous trouble with the workers, it is awarded that Ramjanam shall be paid one month's wages by way of compensation for the period of his non-employment. The period from the date of his suspension on 12th March 1958 till the date of his re-employment shall be considered to be special leave on payments as allowed by this award and his service shall be considered continuous for this period.

42. I shall now consider the case of five workers in the second class, viz., No. 2 Fulchand Misra, No. 3 Ramkowal Tewari, No. 4 Tulshi Raidas, No. 5 Harisankar Misra and No. 41 Ramnaresh Bhar in Appendix C.

Appendix E to the Company's written statement in pages 41, 42 and 40 show the charge-sheets, dated 24th April 1958, against Fulchand, Ramkewal and Tulshi Raidas respectively. Exhibit 9(a) is the explanation to the charge-sheets by these three persons, and Ext. 21(d) is the notice for enquiry which is dated 11th April 1959. In Ext. 9(a) all the three workers state that they were workmen of the Tie Bar Department and were unable to work in the General Mazdoor Department. O.P.W. 5 states in evidence that before 24th April 1958 Tulshi Raidas worked in the Tie Bar Department, but afterwards he was transferred to the Mazdoor Department, that he was an unskilled worker in the Tie Bar Department, and on 24th April 1958, he was transferred to the General Mazdoor Department where also he was to do the work of an unskilled worker. In the General Mazdoor Department, he was doing loading and unloading of raw materials which were coming from Dum Dum Station to the factory. If the load is heavy, more than one mazdoor is required to do the job. It is stated by the learned spokesman for the Union that these workmen were transferred to an inferior job and that this should not be allowed. On a consideration of the matter, I do not find that these unskilled workers, who were transferred from the Tie Bar Department to the General Mazdoor Department were transferred to an inferior job. In the result, they are reinstated in the General Mazdoor Department. As they were kept under suspension for a long period, it is awarded that they should be paid compensation to the extent of one month's wages.

No. 41 Ramnaresh Bhor was transferred to the General Mazdoor Department by order, dated 26th March 1958, 29th March 1958 and 5th April 1958. Appendix E to the Company's written statement at page 43 shows a copy of the charge-sheet against him by which he was suspended from duty with effect from 28th April 1958 as a security measure pending disposal of his case. Exhibit 21(c), dated 11th April 1959, is the notice for enquiry issued to him in the care of the Union. Exhibit 9(a) also shows the explanation of Ramnaresh Bhor, which shows that he was also transferred to the General Mazdoor Department and he objected to the transfer on the same ground as Tulshi Raidas, Fulchand Misra and Ramkewal Tewari. Ramnaresh Bhor is also reinstated in the General Mazdoor Department with one month's wages as compensation for the period of non-employment.

Harisankar Misra was transferred to the Electric Furnace Department by order, dated 8th July 1958 and 12th July 1958, but he did not join there and a copy of the charge-sheet against him appears at page 44 in Annexure E to the Company's written statement. Exhibit 9(b) is his explanation, dated 11th July 1958, in reply to the charge-sheet dated 8th July 1958. He says that he was an old worker of the Rolling Mill and he was unable to work in the Electric Furnace Department. There is nothing in evidence to show why this transfer should not be given effect to. It is awarded that Harisankar Misra be reinstated as a Tongs-man in the Electric Furnace Department with one month's wages as compensation. The periods of non-employment of these five workmen shall be considered as special leave on payments as allowed by this award.

43. I shall now take up the case of 35 men out of 41 mentioned in Annexure D to the Company's written statement who were suspended with effect from 9th August 1958 by a charge-sheet, dated 7th August 1958. A copy of the charge-sheet appears as Appendix E to the Company's written statement. This charge-sheet is Ext. CC. The charge-sheet, Ext. CC, shows that 49 workmen including these 35 mentioned above were charged with having committed the following misconduct. It is stated that on 6th August 1958 these workmen induced and forcibly prevented other willing workers to stop their work and staged an illegal and unjustified stay-in-strike at 2 p.m., that these were prime-movers of the stay-in-strike and its continuance thereafter, and at their instigation, the said stay-in-strike was still continuing in spite of notices, dated 6th August 1958 and 7th August 1958. These workmen were inducing the other workmen to stage the stay-in-strike under threats and intimidation and forcibly obstructing the willing workers to resume work. They were directed to show cause within two days from the receipt of charge-sheet why they should not be dismissed from the Company's employment. In the meantime, they were kept under suspension with effect from 9th August 1958. Exhibit AA, dated 6th August 1958, is a notice issued by the Company asking the workers to call off the stay-in-strike. Exhibit BB, dated 7th August 1958, is another notice to the same effect with the warning that if the workers did not join on 8th August 1958, it would be treated as if they had left the Company's employment. Copies of these notices were sent to the Hon'ble Labour Minister, West Bengal, the Deputy Labour Commissioner, West Bengal, the Subdivisional Officer, Barrackpore, and the Subdivisional Police Officer, Barrackpore. The

evidence of O.P.W. 3 Shri Shibnath Jaiswal, O.P.W. 4 Shri Ramsagar Dubey, O.P.W. 5 Shri B. L. Jaiswal and O.P.W. 6 Shri Shambhu Nath Chakrabarty, Officer-in-charge, Dum Dum P.S., shows the facts of this strike during the period from 6th August 1958 to 11th August 1958. O.P.W. 5 Shri B. L. Jaiswal states that towards the end of July, 1958, there was a break-down in the Tie Bar Department, and the Department had to be closed for repair works of machineries which broke down. The workmen were given alternative jobs. The machines of the Tie Bar Department were repaired in the first week of August and the Department was reopened on 6th August 1958. The machineries were repaired by 4th August 1958; for two days the machines were under trial by the Mistries. On 6th August 1958 the workers of the Tie Bar Department were informed that they would be given jobs in the Tie Bar Department from the following day, i.e., 7th August 1958. All of a sudden on 6th August 1958 at 2 p.m. the workers of the Tie Bar Department struck work and forcibly stopped the work of the other departments by coming in groups with iron rods, etc. and working of the whole factory was paralysed. The strike continued till 11th August 1958. During this period, the workers were remaining inside the factory and were sitting idle near the machines. They were intimidating and coercing other workers not to do work. The Company issued notice on 6th August 1958 and 7th August 1958, and then charge-sheeted 49 workers. Exhibit CC is the charge-sheet. The Company also wrote to the Hon'ble Labour Minister about the matter in Ext. DD, dated 7th August 1958, and to the Subdivisional Police Officer in Ext. EE, dated 8th August 1958. Exhibit Z, dated 11th August 1958, is a letter to the Deputy Labour Commissioner also stating about the strike on 6th August 1958 to 11th August 1958, and also other matters. Exhibit Z also shows that there was a strike by the workers on 22nd July 1958 and on 29th July 1958. O.P.W. 5 also states that on 11th August 1958 at about 9-15 a.m. when a set of willing workers wanted to start work in the Loose Jaw Department, the strikers went to the department with rods and iron bars, etc., and forcibly stopped the work, which was started by the willing workers. In the same department, one Ramsagar Dubey was attacked by the strikers when he requested them not to force people to stop work. He was also assaulted. The Police Officer-in-charge of Dum Dum, Shri Shambhu Nath Chakrabarty, was informed about the matter and police officers came with a police force and controlled the situation. The Police Officer also telephoned to the Circle Inspector, Shri Haripada Mukherjee, who came along with the Subdivisional Police Officer, Mr. Kittson. After three hours, they arrested nearly 45 workers when the strikers vacated the factory and went away. On 12th August 1958 the work was started as usual. Those workers who were willing to work attended and others did not. The evidence of O.P.W. 2, O P.W. 3 and O.P.W. 4 are also to the same effect. The evidence of O.P.W. 6, Shri Shambhu Nath Chakrabarty, Officer-in-charge of Dum Dum P.S., also corroborates the story of O.P.W. 5, Shri B. L. Jaiswal. He states that on 11th August 1958 the duty officer of the picket of Hindusthan Iron & Steel Co. informed him and he arrived at the factory at 8-55 a.m. On arriving at the factory, he noticed that there was a heap of flat iron bars and some mazdoors were trying to take some bars inside the factory and workmen from inside were resisting them. He noticed that those workmen who were on stay-in-strike were shouting and making Golmal and they were agitated. They were asserting that they would not allow anybody to work. He entered into the factory with a force and controlled the situation. The Manager, Shri B. L. Jaiswal, gave him a written complaint against 40 workmen. He arrested these 40 men and also 5 other men who were within the police cordon. The Circle Inspector of Police, Shri Haripada Mukherjee, and the Subdivisional Police Officer, Mr. Kittson, arrived on the spot. Out of 45 men arrested, he submitted charge-sheet against 15. The case is pending before a Magistrate. The learned spokesman for the Union argued that there is nothing in evidence to show that these 35 were committing any act of indiscipline, and none of the six witnesses named these men. The evidence of O.P.W. 5, Shri B. L. Jaiswal, is that after the incident, he issued charge-sheets on some workers on 7th August 1958, and the charge-sheet, Ext. CC, shows that it was issued against the prime-movers of the stay-in-strike. O.P.W. 5 Shri B. L. Jaiswal states that the charge-sheets on the 49 men in Ext. CC were sent in separate covers to the individual workmen, but all these covers were sent in a bunch with a covering letter addressed to the Secretary of the Union, and for all these letters, he got one registered receipt, because all of them were sent in a registered packet. No enquiry was made in respect of the suspended workmen. The enquiry notices were sent on 5th May 1959. It is not a fact that the charges brought against these 49 men were false and frivolous. It was also admitted by P.W. 1 Shri Fatick Ghosh, General Secretary of the Union, that he received 45 charge-sheets in one registered envelope and the cover of the same was addressed to the Secretary of the Union. One of the copies of the charge-sheets was shown to the witness, and he admitted that it contained 49 names. This charge-sheet is Ext. 21. This is the same as Ext. CC. The witness admits that each of the 45 charge-sheets produced by him contained 49 names. A letter of a bunch, dated 6th April 1959 is shown to the witness, and he says that he might have received it under certificate of posting. One such letter out of a bunch received in a cover is notice of enquiry addressed to the Secretary is marked as Ext. 21(a). The witness states that he did not know the address of the workmen and did not transmit to the persons concerned the charge-sheets or the notices. He says that it was not the Union's duty. I have already decided in connection with the charge-sheets issued to the 54 workmen over the incidents in the months of January and February, 1958, that the issue of charge-sheets to the workmen in the care of the Secretary of the Union was proper in the circumstances of the case. I also hold the same opinion in the matter of issue of charge-sheets to the workmen over the stay-in-strike from 6th August 1958 to 11th August 1958. It is awarded that the charge-sheets to the 35 workmen in question and the notice of enquiry on these workmen, as shown in Exts. 21 and 21(a) were properly issued on the workmen and should be considered to have been properly served on them. The date of enquiry was 17th April 1959 at 3 p.m.

It does not appear that this enquiry ever took place. I have also discussed above that it would be competent for the parties to have the charges on the workmen adjudicated on by the Tribunal on evidence adduced before it. Necessary evidence has been adduced before the Tribunal, and it is held that subject to my observations in the case of a few workers as mentioned below, the charges on the remaining workmen of having committed the offence of a stay-in-strike along with subversive activities in the factory between the period from 6th August 1958 and 11th August 1958 has been sufficiently proved. Stay-in-strike of the nature as was launched by the workmen in the period in question was an unlawful seizure of the employer's property and the workmen should be dismissed on account of this misconduct. It is awarded that except three workers that are mentioned below, all the other workers of this group of 35 workmen who were charged with the misconduct of stay-in-strike during the period from 6th August 1958 to 11th August 1958, should be dismissed from service and the Company's refusal to employ them would be justified.

44. It appears that No. 18 in Ext. CC is one Patiraj Rabidas. It appears from muster roll, Ext. ZZ(11), that on 6th August 1958, he was absent. This workmen was once dismissed by the Company and was reinstated by the award of Shri M. N. Ghan under section 33A of the Act, published on 1st May 1958. This award is Ext. 5(a). Exhibit 10, dated 27th June 1958, is a letter written by the Deputy Labour Commissioner to the proprietor of the factory. It shows that there was a dispute going on even at that date regarding this man. In these circumstances, the learned spokesman for the Union suggested that he was falsely implicated, although he was absent on the date. Patiraj Rabidas is serial No. 351 in the muster roll, Ext. ZZ(11). Serial No. 49 in Ext. CC Purna Chandra Karmakar is serial No. 153 in muster roll in Ext. ZZ(11). He was also marked absent on 6th August 1958. Serial No. 33 in charge-sheet, Ext. CC, Natu Das is serial No. 19 in muster roll, Ext. ZZ(12). He was not marked absent or present on 6th August 1958. I consider that these three persons, viz., Patiraj Rabidas, Purna Chandra Karmakar and Natu Das did not take part in the stay-in-strike and they should be reinstated. Serial No. 24 in Ext. CC is Ramnaresh Bhar, being No. 41 in Appendix C. He was under suspension from 28th April 1958. I have already mentioned above that he should be reinstated on being absolved of the charges, dated 25th April 1958, as shown in Annexure E, page 43 to the Company's written statement. I do not consider that Ramnaresh Bhor also took part in the stay-in-strike, at he was under suspension from before. It is, therefore, awarded that 32 workers out of the group of 35 as mentioned above in Appendix C, being the workers from No. 6 to 40 in Appendix C, except No. 19 Patiraj Rabidas, No. 40 Purna Chandra Karmakar and No. 29 Natu Das shall be dismissed from service. Patiraj Rabidas, Purna Chandra Karmakar and Natu Das shall be reinstated to their jobs with one month's wages as compensation for the period of their non-employment, which shall be considered as special leave.

45. The learned spokesman for the Union pressed that the order of suspension of the workers was not proper, as there was no Standing Order of the Company under which it could suspend the workers pending enquiry, and the Company had therefore no power to suspend any worker. Documents, Exts. 17 and 17(a) show that in March, 1959, the Union's objection on the proposed Standing Orders for the Company was being considered by the Labour Commissioner, and the evidence of O.P.W. 5 Shri B. L. Jaiswal is also to the effect that between February, 1958, and October, 1958, the Company had no Certified Standing Orders and they had submitted the Standing Orders for certification before February, 1958. The learned spokesman for the Union cited the case reported in 1956 A.I.R., Madras, 150, to show that in the case of a private employment the powers of suspension may be specifically contracted for and even if the power exists, the employer cannot withhold salary for the duration of the suspension unless the misconduct to enquire into which the suspension was ordered is proved to have been made out. This principle is not in question here. The question raised here is if the Company can at all order suspension of a workman pending enquiry into charges against him. The decision of the Hon'ble Supreme Court in the case of Luxmidevi Sugar Mills, reported in 1957(I) L.L.J., 17, shows that suspension without pay even for an indefinite period pending enquiry or pending permission of the appropriate Tribunal to dismiss a workman could not be held to be a punishment which would require permission of the Tribunal before the same could be meted out to the workmen. In the case of Hotel Imperial, reported in 1959(II) L.L.J., 544, the Hon'ble Supreme Court approved of the decision of the Hon'ble Court in the case of Luxmidevi Sugar Mills. It is stated that the ratio of the decisions of the Hon'ble Supreme Court in the case of Luxmidevi Sugar Mills or in the case of Susa Musa Sugar Mills, 1959(II) L.L.J., 388, was not based on the presence or absence of Standing Orders, for there is very little difference between cases where Standing Orders provided for a few days' suspension without pay and the suspension was continued for a much longer period and where there was no Standing Orders providing suspension without pay. The Hon'ble Court is of the opinion that though those cases did not expressly proceed on the basis of an implied term in the contract of employment to suspend the employee, that must be the implicit basis on which these decisions were given. The Hon'ble Court is, therefore, of the opinion that the ordinary law of master and servant should be held to have been modified in view of the fundamental change introduced in Section 33 by that law and a term should be implied by Industrial Tribunals in the contract of employment that if the master has held a proper enquiry and come to the conclusion that the servant should be dismissed and in consequence suspend him pending permission required under Section 33, he has the powers to order such suspension. It, therefore, appears that the employer has the right to suspend the workers pending enquiry into the charges against him and such a term should be considered to be implied in the contract of employment. There is, therefore, no doubt that the

employer is entitled to suspend the workers pending enquiry into the charges against him. The reference of the case to the Tribunal was made on 13th October 1958, and no enquiry was made by the employer before the date of the reference. No enquiry was also made after the date of the reference of the dispute to the Tribunal, as the matter was pending before the Tribunal. I hold accordingly that the employer was entitled to suspend the employees in question for security reasons as he did.

46. In view of the fact that the order of dismissal on the 54 workers mentioned above was passed on 22nd September 1958, whereas the workers were suspended in January and February, 1958, the enquiry into the charges and the order of dismissal appear to have been very much delayed. The employer was also involved in labour troubles during all this period. Considering all these circumstances, I award that these 54 men who have been dismissed on 22nd September 1958, should be paid compensation to the extent of one month's wages on account of the delay in the enquiry and issue of dismissal orders. These are the only relief which these 54 men are entitled to in the circumstances of the case. They are not entitled to any other relief.

47. In the same way, the 32 men out of 35 who were suspended for security reasons in Appendix C, being Nos. 6 to 40, excluding 19, 29 and 40 shall get compensation to the extent of one month's wages for the delay in dealing with their cases. This is the only relief which is allowed to these persons in the circumstances of the case. They shall not get any other relief.

48. I shall now take up the case of 170 men mentioned in Annexure F to the Company's written statement whose services were terminated for prolonged and unauthorised absence. The names of these 170 men appear in Appendix D to this award. It is the case of the Company that these 170 men did not attend the factory since 12th August 1958, and were on unauthorised absence. The Union's case is that they came and made endeavours to join their duties on 12th August 1958 and on succeeding dates, but the Management did not allow them to enter into the factory. P W. 1 Shri Fatick Ghosh, General Secretary of the Union, states in his evidence that 54 out of 430 men in the order of reference were refused employment on 3rd February 1958 and the rest of 430 men were refused employment on 12th August 1958. 1,500 men were refused employment from 6th August 1958. On 12th August 1958 all the people out of the 1,500 men in the factory except these 430 men were given employment. The Union made representations to the Government He also states that he did not admit that the 170 men were ever absent. His case is that these 170 workers were not allowed to resume duties in spite of their efforts to join and from 12th August 1958, they were prevented at the gate from reporting for work. P.W. 4 Shri Daniel Mandal, who is No. 16 in Appendix D, states that he was dismissed from 6th August 1958. The golmal continued from 6th August 1958 to 11th August 1958. He used to attend the factory on all these days, but the Company did not offer him any work. He was removed by the police on 11th August 1958, and on 12th August 1958 and 13th August 1958, he was not allowed entrance. The Company did not inform him that he was dismissed. He did not write any letter of protest to the Company against the Company's refusal to employ him. He did not also ask the Union to write such a letter. O.P.W. 5 Shri B. L. Jaiswal states in evidence that these 170 men did not report for duty after 11th August 1958, and that they abandoned their services of their own accord. After waiting for three weeks, the Management struck off their names with effect from 1st September 1958. Charge-sheets were sent to them by registered post and under certificate of posting to the address of the Secretary of the Union. These letters were sent in two packets, both addressed to the Union Secretary. Separate letters were addressed to the individual workmen, but a number of these letters was sent in one packet addressed to the Union under certificate of posting and the rest of the letters were sent in another packet in a registered cover to the Union Secretary. The Management waited for three weeks and when they did not turn up, the Management struck off their names from the muster rolls with effect from 1st September 1958, deeming that they had left their services of their own accord. Ext. FF, dated 16th August 1958 was issued on 63 men under registered post, intimating that they were on unauthorised absence from 12th August 1958, the day on which the factory resumed work after the stay-in-strike and that if they did not attend their duties within three days, the Company would treat that these workmen had left the Company's employment of their own accord. Ext. GG is a notice, dated 20th August 1958, which was issued on 132 men by certificate of posting. Exts. HH to HH(43) are the certificate of posting. Ext. GG states that these employees were not attending their duties since 12th August 1958 without intimation and were absenting themselves in an unauthorised manner since that date. They were directed to attend their duties immediately, but not later than 30th August 1958. If they did not join their duties by 30th August 1958, their names would be struck off from the muster roll of the Company from 1st September 1958. A second notice, Ext. II, was sent on 28th August 1958 on 63 men of Ext. FF, stating that they were not attending their duties without intimation on and with effect from 12th August 1958 in spite of the letter, dated 16th August 1958, the Management had therefore decided to strike off their names from the muster roll with effect from 1st September 1958 All these notices were addressed individually, but all the notices were sent in a bunch to the care of the Secretary of the Union. The Secretary of the Union, P.W. 1, admits the fact of receiving these notices. Ext. 21(f) is a copy of the notice, dated 28th August 1958, on 63 men. The Secretary of the Union admits that he learnt from the notices that the Management was charging the workmen with unauthorised absence from 12th August 1958 and contemplating to strike off their names from 1st September 1958. He did not object to the Management, although his claim was that the men were really attending but were not being allowed access. The learned spokesman for the Union pointed out that P W. 4 Shri Daniel Mandal stated that he did not receive any notice This

denial is not a sufficient proof of the fact that the notice was not served. I have discussed in respect of the charge-sheets and notices of enquiry in connection with the workmen in Appendices B and C that service of charge-sheets and notices on the Union Secretary should be taken as sufficient service on the workmen whose Union he represented as Secretary, in the circumstances of the case. The claim of the Union that the men attended the gate of the factory and were refused entrance by the Management is unworthy of credit. O.P.W. 5 stated in his evidence that he had definite instructions to the Head Time-keeper, Assistant Labour Officer, and the Head Durwan that he should be immediately informed if any workmen who were on unauthorised absence reported for duty. He also stated that he did not receive any letter from the Union Secretary that any worker was reporting for duty but was refused employment. It appears that 170 men in Appendix D are from those mentioned in the notices, Ext. GG and Ext. II. No. 170 in Appendix D is Subodh Guha. I shall deal with his case separately here below. Excepting him, there are 169 workers in Appendix D. In view of the evidence on record, I have no doubt that these 169 workmen were on unauthorised absence till the date of the reference with effect from 12th August 1958, and the Company issued notices, Exts. FF, GG and II to them in the form of charge-sheets. It has been decided by the Hon'ble Supreme Court in the case of Indian Iron and Steel Co., reported in 1958(I) L.L.J., 260, at page 268, and Burn & Co. reported 1957(I) L.L.J., 226 that the grounds of discharge for continued absence of an employee and his inability to do work were sufficient and there was no necessity of a formal charge being delivered to him. In view of all these circumstances and facts, I come to the conclusion that 169 men, being Nos. 1 to 169 in Appendix D, had ceased to be in the service of the Company with effect from 1st September 1958, as their services were terminated by the Company for unauthorised absence and this termination of service of these workmen by the Company was justified in the circumstances. They are not entitled to any relief in this case and I award accordingly.

49. No. 170 in Appendix D is Shri Subodh Guha. He is P.W. 8. It appears that he was dismissed from service on 13th June 1957, but was reinstated by an award of the Fourth Industrial Tribunal, published in the "Calcutta Gazette" on 10th April 1958. This award is Ext. 5. Ext. 27 is a letter, dated 30th April 1958 by which he informed the Management of the Company that he intended to resume his duties with effect from 7th May 1958. The Company, however, did not allow him to join and informed him by letter, Ext. B, that the Company had preferred a petition under Article 226 of the Constitution of India wherein Subodh Guha was a party and the Hon'ble Court had been pleased to issue a rule and stay the operation of the award of the Fourth Industrial Tribunal. He was informed that in the circumstances the question of his reinstatement should not be considered and he was advised to act upon the terms of the judgment of the Hon'ble Court when the same is made after the hearing of the petition. Ext. ZZ(17), dated 8th August 1958 is the judgment of the Hon'ble Court by which the finding of the Industrial Tribunal as regards Subodh Guha was not disturbed and the application of the Company was held to have failed so far as Issue No. 1 as to the dismissal of Subodh Guha was concerned. Under the award, Ext. 5, Subodh Guha was directed to be reinstated in his former job after he appeared at the factory gate and presented himself for employment within one month from the date of the publication of the award, which was 10th April 1958. By Ext. B(1), dated 20th September 1958, the Company informed Subodh Guha that under the terms and directions of the award, published on 10th April, 1958 and the judgment, dated 8th August 1958 by the Hon'ble High Court, he had not reported for duty within one month from the date of judgment of Justice Sinha withdrawing the stay order against the said award and in fact, he had not reported for duty till 20th September 1958. Consequently, he had lost his right for reinstatement and also other rights. It appears that on 4th April 1959, Subodh Guha was paid by the Company all his dues in respect of back wages up till 8th August 1958. This receipt is Ext. B(2) and is the same as Ext. 20 filed by the Company. The learned Counsel for the Company states in his address that Subodh Guha was not taken back by the Company, as he did not appear within one month of the Hon'ble High Court's judgment, and the fact that he did not protest at Ext. B(1) shows that he did not appear to join within the stipulated period. P.W. 8 Subodh Guha states that he went to the factory on 12th August 1958 after the judgement of the Hon'ble High Court. He found many workers standing outside. The Gate Durwan told him that he would not be given work. Since then he had not got any employment in the Company. He also states that he did not receive Rs. 925 after waiving his claim for reinstatement. He is the Vice-President of the Union. It must be remembered that there was a stay-in-strike from 6th August 1958 to 11th August 1958, and a great confusion prevailed in the Company from 12th August 1958. If Subodh Guha really appeared for joining on 12th August 1958, it might have been difficult for him to do so in the prevailing confusing condition in the Company. Considering all facts and circumstances, I am of the opinion that Subodh Guha appeared to join his duties, as claimed, and that he should be allowed to join with effect from the date of the commencement of the operation of this award. He shall be allowed to join his duties on any date when he chooses to do so within three months from the date of the commencement of the operation of this award. He is not allowed any other relief in view of the circumstances of the case.

50. The Company states in its written statement that 8 workers who had resigned from the Company's service of their own accord are mentioned in Annexure H to its written statement. This Annexure H appears as Appendix E to this award. A copy of each of the letters, dated 27th August 1958, 3rd September 1958, 6th September 1958, 18th September 1958, 23rd September 1958, 4th October 1958, 6th October 1958 and 14th October 1958, received from the workers concerned are annexed to the Company's written

statement and marked Annexure I. The resignation letters filed appear as Exts. KK to Ext. KK (28). These letters show the resignation of the 8 workmen mentioned in Appendix E, as well as resignation of 5 other workmen, viz., Ramchandra Misra, Chandrabali Gore, Bhutti Harijan, Kamal Prosad and Bechan Ahir. Documents Exts. KK series, being from Ext. KK to Ext. KK(28) show resignation letters and the letters of the Company showing acceptance of resignation letters. Documents, Ext. KK to Ext. KK(12) and KK(24) to Ext. KK(27) relate to the resignation letters of the 8 workmen mentioned in Appendix E and the rest of the letters relate to the resignation letters of the other 5 workmen mentioned above. P.W. 1 Shri Fatick Ghosh, Secetrary of the Union, stated that none of the 8 workers who are alleged to have resigned, intimated to the Union about their resignation and the Union did not admit that they had resigned. In view of the evidence adduced by the Company's side, it is awarded that these 8 workers whose names are mentioned in Appendix E, resigned their services between 27th August 1958 and 14th October 1958, and that the Company was justified in refusing to employ them after the respective dates of their resignation. They are not entitled to any relief in this case.

51. The Company states that 66 workmen who are not in the Company's employment, are as mentioned in Annexure J to the Company's written statement. This Annexure appears as Appendix F to this award. The Company's case is that these 66 men are not in the Company's employment and the Union's case is that they were in the Company's employment but were refused work from 6th August 1958. O P.W. 5 states that the 66 men mentioned in Annexure J to the Company's written statement were not in the employment of the Company, as their names are not borne in the muster rolls, which give a faithful account of the workmen of the Company. The witness admitted that the name of Rampada Roy has been mentioned twice, but he states that it was a clerical blunder in the muster rolls. Some clerical errors in the muster rolls were pointed out. I do not find that they are serious enough to justify a total rejection of the muster rolls. On a consideration of the evidence on record, I find that there are seven workmen, viz., No 46 Bhagelu, No. 47 Lakshman Rajbhor, No. 48 Satiram Goswai, No. 49 Satiram Rajbhor, No. 56 Ram Kewal Tewari, No. 64 Ram Murat Singh and No 65 Bhamarnath Rajbhor whose names appear in the muster rolls and this fact was admitted by the learned Counsel for the Company's side at the time of his argument These workmen should, therefore, be considered to be in the employment of the Company and they should be allowed to join the Company's services. I also find that No. 30 Ramdhari Kori is in the employment of the Company, and his name appears in No. 8 in the muster roll, Ext. ZZ(14) in the month of June 1958 The name of Badli Kahar, No. 61 in Appendix F, appears as No. 173 in muster roll, Ext ZZ(14) for June, 1958. It is awarded that No. 30 Ramdhari Kori and No. 61 Badli Kahar are also in the employment of the Company and they should be reinstated. It is, therefore, awarded that all the persons mentioned in Appendix F, except 9 workmen as mentioned above, were not in the employment of the Company and the Company was justified in refusing them employment. The 9 workmen mentioned above shall get compensation to the extent of one month's wages in the circumstances of the case and they shall be employed with effect from the date of the commencement of the operation of this award. They shall not get any other relief.

52. The Company states, in its written statement, that a list of workers mentioned as working under Contractor appears in Annexure I to the Company's written statement. This shows 73 names. These workers were never taken in direct employment and their names were never shown in the Company's muster roll at any relevant time. The Contractor has all along been responsible for the payment of wages to the said workers, and exercised over-all control and supervision as regards their recruitment, discharge, etc. from time to time. These 73 workmen appear in Appendix G to this award. The Union's claim is that these men are the direct employees of the Company. O.P.W. 5 Shri B. L. Jaiswal states that the Company had a Contractor. His name is Munshi. He was employed in the Key and Grinding Department. The Management paid him by bills. Ext. LL is the written contract with Munshi. Ext. MM are the bills of the Contractor. Ext. NN is the letter by the Company complaining about the work of the Contractor. The next letter of complaint is Ext. NN(1). Exhibit OO is the copy of the letter terminating the contract of the Contractor with the Company. These 73 workmen are comprised in the list attached to the Order of Reference in two Departments, being Nos. 189 to 224 in the Grinding Department and Nos. 311 to 347 in the Key Department. There are 36 men in the Grinding Department and 37 men in the Key Department. The question as to whether the workmen of the Key and the Grinding Departments, numbering 73 as stated above, are employed by the Contractor, or are direct employees of the Company, and whether there is justification for their work being intermittent is the subject-matter of Issue No. 2 in this case. The Counsel for the Company stated at the time of his address that the Key and the Grinding Departments were not functioning at the present time. The learned spokesman for the Union pointed out to the letter by the Deputy Labour Commissioner, dated 17th June 1958, Ext. 10, and stated that from what the Deputy Labour Commissioner saw, his impression was that the claim of these men that they were employed directly by the Company could not be rejected outright and the position should be carefully re-examined. I do not consider that this statement alone is of sufficient value to substantiate the plea that the workmen of the Key and Grinding Departments were employed by the Company. The documents proved by the Company's side, being Ext. LL, Ext. MM, Ext. NN, and Ext. OO, clearly show that there was a Contractor operating in this Company in these Departments. Exhibit MM to Ext. MM(39) are the bills of the Contractor by which he was paid for the work performed by his men. P.W. 6 Shri Sukhdeo Gore is No. 6 in the list Appendix G. He stated that the Head Mistri supervised his work and took disciplinary action against the workers.

The supervision of the work by the Head Mistri was nothing wrong even if he was employed by the Contractor. There is no substantial evidence to show that the Management punished any of the employees. The learned spokesman for the Union also stated that these workers worked with the tools of the Company. That was nothing unsual. The learned spokesman for the Union drew my attention to the fact that No. 41 in Appendix G, Jadu Goala, was charge-sheeted for continued unauthorised absence by notice, Ext. II. From this, it was sought to be proved that he was in the Company's employment. I do not find that this makes any difference, to the case of Jadu Goala, as it has been decided above that his discharge should be upheld. If, however, No. 41 Jadu Goala in Appendix G be the same man as No. 24 Jadu Goala in Ext. II, he cannot claim re-employment in the Company. It was stated by the learned spokesman for the Union that No. 72 of Appendix G Barhu Kurmi was the same as No 17 Baru Kurmi of Ext. FF and No. 54 of Appendix G. Daneshar Jadab was the same person as No. 13 Daneswar Ahir in Ext. FF. I do not consider that the names agree. In the same way, the suggestion that No. 57 Shivdhani Jadav in Appendix G was the same as No. 9 in Ext. FF. Sheodhani Ahir is not also accepted, as the names do not tally. The suggestion that No. 60 in Appendix G, Badan, is the same as No. 16 in Ext. FF, Budhan Lodh, is also not acceptable, as the names do not tally. The other suggestion of 58 in the list Appendix G, being the same as 23 in Ext. FF or 53 in Ext G, being the same as No. 21 in Ext. FF are not acceptable, as they do not tally. The learned spokesman for the Union suggested to P.W. 5 that the Management of the Company urged upon the Contractor to give false evidence in favour of the Company and that, as he refused, his contract was terminated. The suggestion was denied by the witness. The suggestion is, however, consistent with the fact of the existence of the Contractor. The evidence on record justifies the conclusion that 73 men mentioned in Appendix G, who are working in the Key and Grinding Departments were not under the direct employment of the Company and were working under the Contractor. It appears that due to shortage of raw materials, particularly rolled bars and billets, the working in the Key and Griding Departments were intermittent. The written statement of the Company in paragraph 22 states that the work is never intermittent, as alleged. The learned Counsel for the Company stated that his was a clerical mistake, and it should be read as "intermittent" and not "never intermittent". The statement of the Company in paragraph 22 clearly shows that due to shortage of raw materials, rolled bars and billets, the department has to be closed down from time to time. This clearly shows that taken as a department, the work is intermittent, although the department does not work intermittently when it works. I consider this is what the statement means. Considering all facts and circumstances of the case and the evidence on record, it is awarded that the 73 workmen mentioned in Appendix G to this award, who were workmen of Key and Grinding Departments, were employed by a Contractor and were not direct employees of the Company. The Company is not bound to continue them in employment after the contract with the Contractor was terminated on 1st September 1958. It is awarded that the work of the Key and Grinding Departments is intermittent, as the Department has to be closed down at times.

53. Issue No. 2 is accordingly answered.

54. I shall now take up the cases of three workmen, namely Shri Tulshi Rajbhar (No. 412), Shri Sibu Das (No. 413) and Shri Rangalal (No. 414), whose cases have already been adjudicated upon, according to the pleadings of the Company. The Company states that the termination of services of Shri Tulshi Rajbhar was upheld by the Hon'ble Calcutta High Court by the decision, dated the 8th August 1958, while the cases of the remaining two workers were disposed of by the Fourth Industrial Tribunal by its award, published in the "Calcutta Gazette", dated 10th April 1958. By the award, Ext. 5, of the Fourth Industrial Tribunal, which was published in the "Calcutta Gazette", dated 10th April 1958, the discharge of Shri Sibu Das and Shri Rangalal was upheld, but Shri Tulshi Rajbhar was ordered to be reinstated. There was an appeal against this award and in the judgment of the Hon'ble High Court, Ext. ZZ17, dated the 8th August 1958, the order of reinstatement of Tulshi Rajbhar was set aside. The plea of the Company that the question of refusal to employ these three workmen could not arise is justified. It is awarded that the Company is justified in not employing these three workmen after their cases were adjudicated upon, and their claim of reinstatement is rejected.

55. I shall now take up the cases of 14 workers in whose cases there has been repetition of names in the Government Order of Reference. These 14 names appear in Annexure L to the Company's written statement and in Appendix H to this award. This Appendix clearly shows that these 14 names have been twice mentioned in the list in Issue No. 1. There is no evidence on record to justify that the claim of the Company that the names of these 14 men were repeated was not justified. This claim of the Company is, therefore, accepted and it is awarded that these 14 men mentioned in Appendix H to this award have been twice mentioned in the Order of Reference. The cases of these 14 men are covered by other groups mentioned above. From what has been discussed above, I have dealt with all the 429 names mentioned in the list attached to the Order of Reference. A number of workmen has been reinstated and payments of money have been awarded in the cases of some. All payments of money as awarded in this Issue shall be made within one month from of the date of the commencement of the operation of this award. Workmen who have been ordered to be taken back in employment by the Company shall be so done if they appear for employment within one month from the date of the commencement of the operation of this award Shri Subodh Kumar Guha, No. 331 in the list, however, is allowed to join within a period of three months from the date of the commencement of the operation of this award, in place of one month as in the case of others.

56. Issues Nos. 1 and 2 are accordingly answered.

Issue No. 3- Medical attention for workers injured during working hours.

57. In regard to Issue No. 3, the Union pleads that there is no first aid arrangement in the factory for attending workmen injured during working hours. The Union prays for arrangements for medical attention for workers during working hours. The Company states, in its written statement, that provision for medical attention has been made in accordance with the requirements of law. In evidence P.W. 1, Shri Fatick Ghosh states that there is no arrangement for first aid or other medical facilities to the workmen injured in course of their work. O.P.W. 5 states in evidence that the Company has got first aid arrangements in the factory, that there is a Compounder in the factory for medical attention of the workers and the Company pays medical expenses to the workers who are injured during work and the Company also bears medical expenses when the workers are injured. A part-time Medical Officer, Dr. J. C. Biswas, was employed by the Company, but he has since resigned and he is now a doctor of the Municipality. The Company has now got two other doctors, both graduates in Medicine, to whom they send cases for treatment. The witness also states in his cross-examination that the Company has got no limitation for payment of medical expenses and in special cases, they allow medical expenses to the workers till they are fully fit. In these circumstances, it appears that the Company have made good arrangement for medical aid and these should continue. I award accordingly.

Issue No. 4—Medical Leave with full pay.

58. The Union states in its written statement that the Company does not grant any medical leave to its workmen with pay and prays that the Company should be asked to grant medical leave with full pay for a period of one month annually, cumulative up to two months. The Company states, in its written statement, that it has been allowing sick leave on half pay to its employees as and when needed and also has been paying actual medical expenses. The Company states that the grant of one month's medical leave in a year is unjustified and is beyond the financial resources of the Company. P.W. 1 states in his evidence that no medical leave with pay is available here. O.P.W. 5 states that the Company grants 15 days' sick leave on half pay. It is noteworthy in this connection that in the Jute Textile Industry, in areas where the Employees' State Insurance Act, 1948, is not applicable, the worker gets only 15 days' sick leave on half pay in the year on the basis of a medical certificate from the Medical Officer of the Mill, or from a qualified registered medical practitioner approved by the Mill authorities. I do not consider that there is any special ground for the employees of this Company to claim a longer period of sick leave on full pay. It is awarded that employees of all description shall get sick leave on half pay, up to 15 days in a year, on the basis of a medical certificate from the Medical Officer of the Company, or from a qualified registered medical practitioner. This direction will hold good till the Employees' State Insurance Act, 1948 comes into full operation, that is to say, till the "sickness benefit" as provided for by section 49 of the Act, becomes actually available to the employees.

ANNEXURE

In the matter of an industrial dispute between Messrs. Krishna Silicate and Glass Works Ltd., Jadavpur, 24-Parganas (Head Office, 17 Radhabazar Street, Calcutta), and their workmen represented by the Krishna Silicate and Glass Works Mazdur Union, 48 Dharamtalla Street (1st floor), Calcutta-13, and Krishna Glass Karmi Sanga, Raja S. C. Mullick Road, Calcutta-32. (Case No. VIII-125/58.)

BEFORE THE FIRST INDUSTRIAL TRIBUNAL, WEST BENGAL.

Present:

Shri M. C. BANERJI, District Judge (Retd.), Judge, First Industrial Tribunal.

The Government of West Bengal, in the Department of Labour, by order No. 2399-I.R./IR/11L-87/57, dated 10th June 1958, and addendum No. 2778-I.R./IR/11L-340/58, dated 24th June 1958, referred, under sections 7A and 10 of the Industrial Disputes Act, 1947 (XIV of 1947), the industrial dispute between Messrs. Krishna Silicate and Glass Works Ltd., Jadavpur, 24-Parganas (Head Office, 17 Radhabazar Street, Calcutta), and their workmen represented by the Krishna Silicate and Glass Works Mazdur Union, 48 Dharamtalla Street (1st Floor), Calcutta-13, and Krishna Glass Karmi Sangha, Raja S. C. Mallick Road, Calcutta-32, relating to the following issues to this Tribunal for adjudication.

Issue

(1) Probationary period for unskilled workmen.

(2) Introduction of gratuity for the period not covered by Provident Fund.

(3) Whether the dismissal of the workmen named in the attached list is justified? To what relief are they entitled?

List of dismissed workmen.

(1) Shri Ram Deo Tewary, (2) Shri Misri Saha, (3) Shri Manindra Roy, (4) Shri Santi Sarkar, (5) Shri Amar Choudhury, (6) Shri Santi Brahmo, (7) Shri Tarapada Chakroborty, (8) Shri Rajen Chakraborty, (9) Shri Anil Dey, (10) Shri Balendra Roy and (11) Shri Anil Ghosh.

2. Notices were issued on all parties and they filed written statements setting forth their respective cases.

3. The pleadings of the parties shall be considered as necessary in the decision of the issues here below.

4. The appearances for the parties were as follows:—

For Krishna Silicate and Glass Works Mazdur Union: Shri Subodh Banerjee, M.L.A., an official of the Union, along with Shri Rama Prosad Roy Chowdhury, Secretary.

For Krishna Glass Karmi Sangha: Shri Amar Chakrabarty, Advocate, and Shri Madan Saha, Advocate.

For Messrs. Krishna Silicate and Glass Works Ltd.: Shri P. K. Ghosh, Advocate, and Shri H. L. Roy, Advocate, instructed by Shri R. K. Ghosh, Manager.

5. The Company, in its written statement, filed on 29th September 1958, states that on a charter of demand submitted by Krishna Glass Karmi Sangha, an Agreement was entered into between the Sangha and the Company, and the benefits of the Agreement have been accepted and enjoyed by all the workers of the Company without any exception. Krishna Glass Karmi Sangha is a registered Trade Union organisation existing in the factory and representing the workers of the factory. The Company have also recognised the said Union. It is pleaded that issue Nos. 1 and 2 referred by the Government to the Tribunal for adjudication, were included in the charter of demand submitted by Krishna Glass Karmi Sangha, and after long discussion, an Agreement between the Sangha and the Company was concluded on 8th February 1957, and this Agreement was for a period of two years from the date thereof. With regard to the cases of the dismissed workers as mentioned in issue No. 3, the Company submits that after consideration of those cases, the Labour Department, Government of West Bengal, was satisfied after exhaustive enquiry, that the action taken by the Company against those workers was justified, and the Government found no reason to intervene. The department by its order No. 2653-I.R./IR/11L-87/57, dated 23rd July 1957, informed the

Company that the Government did not like to make further intervention in the matter. A copy of the said order is annexed to the Company's written statement and marked "A". Thereafter, the Labour Department, Government of West Bengal, by order, dated 25th April 1958, informed the Union and the Company that the Government did not find any reason to disturb the matter by further intervention. A copy of the said order is annexed and marked "B" to the Company's written statement. The Krishna Glass Karmi Sangha, being the real representative of the workmen and an agreement having been entered upon between the Company and the Sangha and its acceptance by the general body of workers, show that no industrial dispute is existing or apprehended between the Company and its workmen. In any event, Krishna Silicate and Glass Works Mazdur Union has no legal status and locus standi to re-agitate the points which have already received the sanction of the Government and of the workers represented by the Sangha, and such agitations are hit by the principles of res judicata. The agreement entered into by and between the Sangha and the Company is still in operation and binding between the workmen and the Company, and no dispute can be raised over the self-same issue during the continuance of the Agreement. The Labour Department of the Government of West Bengal have no legal and justifiable reasons to refer the alleged disputes by the pretended order of reference without assigning any justification for the same. It is, therefore, submitted that the order of reference as made is bad in law and not maintainable, and that the Tribunal is not competent to adjudicate upon the alleged issues referred to it by the Government and the order of reference and the notices issued by the tribunal assuming jurisdiction to adjudicate on the illegal order are without jurisdiction and beyond the scope vested in them by law.

6. On these pleading, 3 legal issues were framed for adjudication. They are as follows:—

Issue Nos. 4, 5 and 6

4.—Has the Tribunal any jurisdiction to adjudicate on the issues during the currency of the agreement, dated 8th February 1958, between the Company and the Krishna Glass Karmi Sangha?

5.—Was the reference competent and legal during the currency of the settlement and especially without notice terminating it under section 19 of the Industrial Disputes Act?

6.—Are the issues barred by the principles of res judicata including constructive res judicata?

7. These issues were opposed by the Krishna Silicate and Glass Works Mazdur Union. The issues that arise for the decision of this case are, therefore, six in number, being the three mentioned in the order of reference and the issue Nos. 4, 5 and 6 as mentioned above.

Issue Nos. 4 to 6

8. I shall take up these 3 issues first. All the 3 issues are inter-linked. It is necessary to note that there are two Unions operating amongst the workmen of the Company, the Krishna Silicate and Glass Works Mazdur Union, which will be referred to hereafter as the Mazdur Union, and the Krishna Glass Karmi Sangha, which will be referred to hereafter as the Karmi Sangha. There is no evidence on record to show what is the proportion of the adherent of the two Unions. It is claimed that the Karmi Sangha is the majority Union, and the Mazdur Union has in its fold only a minority of the workmen. I do not consider that the question as to whether a Union represents a majority or the minority of the total number of workers is of any consequence in the context of the present enquiry. It is an admitted fact that both the Unions submitted charter of demands to the Company. Ext. 13, dated 10th May 1957, is the charter of demand submitted by the Karmi Sangha, and Ext. A, a document marked on the Company's side, dated 12th July 1957, is the charter of demand submitted by the Mazdur Union. The evidence on record shows that there was a conciliation proceeding over the charters of demands in which the representatives of both the Karmi Sangha and the Mazdur Union attended along with the representative of the Company. At the latest stage, however, when an Agreement was reached between the Karmi Sangha and the Company, as shown in Ext. 14, the representative of the Mazdur Union was not present and the Mazdur Union was not a party to the Agreement, Ext. 14, dated 8th February 1958. There can be no doubt that the workers represented by the Mazdur Union were, therefore, not bound by this Agreement. It is admitted by P.W. 1, the Secretary of the Mazdur Union, that all workers without exception, including those who are members of the Mazdur Union, participated in the benefits conferred by the Agreement, Ext. 14, with the Karmi Sangha. It was argued by the learned Advocate for the Company that as the agreement, Ext. 14, was entered into between the Company and the Karmi Sangha, who was representing the majority of the workers and as the benefit offered by the Agreement was also availed of by the members of the other Union, it could not be urged that the Mazdur Union was not a party to it, and could, therefore, disturb it in this proceeding. The decision reported in 1960(I) L.L.J., page 491, was cited in support of the claim that the Mazdur Union could not be permitted to assail the Agreement, Ext. 14, without issuing a notice to terminate it. The Hon'ble Supreme Court in the case abovementioned, enunciates the doctrine that any party bound by an award shall continue to be bound by it notwithstanding the expiration of the period prescribed by sub-section (3) of section 19(3) of the Industrial Disputes Act until it is terminated by a notice under section 19(6) of the Act, and the notice to terminate the award could be given not only by an individual workman but by a group of workmen acting collectively either through their Union or otherwise and it is necessary that such a group or the Union through which it acts should represent the majority of the workmen bound by the award. There is no doubt that the Hon'ble Court enunciates the principle that a party bound by an award cannot avoid it without issuing a notice to terminate it under section 19(6) of the Act. It was pressed by the learned Advocate for the Company that applying this principle to the present case, it should be

accepted that the members of the minority Union, viz., the Mazdur Union, were bound by the Agreement, Ext. 14, and they could not plead against it during the period of its operation without issuing a notice under section 19(2) of the Act. The fundamental defect in this proposition of the learned Advocate is that a notice to terminate the Agreement, Ext. 14, would have been necessary if the Mazdur Union had been bound by it. A settlement arrived at by Agreement between the employer and the workmen otherwise than in a conciliation proceeding is binding only to the parties to the Agreement under section 18(1) of the Act. Under section 18(3) of the Act, a settlement arrived at in a conciliation proceeding or an award of a Tribunal is binding upon all the persons employed in an establishment to which the dispute relates on the date of the dispute and all persons who are subsequently employed in that establishment. In the present case, Ext. 14 is a settlement which was not arrived at in a conciliation proceeding. It was, therefore, binding upon the parties to it only unlike an award. The learned Advocate for the Company claimed that the members of the Mazdur Union are bound by the Agreement, Ext. 14, as they took benefits of the Agreement in the shape of increased wages and provident fund contributions, and also any other amenities offered by the Agreement. This plea is not supported by the provisions of section 18(1) of the Act. There is nothing to show that the members of the Mazdur Union took the benefits provided for in the Agreement, Ext. 14, as under that Agreement. P.W. 1 the Secretary of the Mazdur Union, states that the workers who are members of his Union, accepted the benefit offered by the Agreement in partial satisfaction of their claims. I do not find that the members of the Mazdur Union taking the benefits under the Agreement were bound by it. Considering all these circumstances, I do not find any ground to conclude that the members of the Mazdur Union were bound by the Agreement, Ext. 14, to which they were no parties. It, therefore, cannot be claimed that the Mazdur Union was not competent to plead against the Agreement without having issued a notice terminating the Agreement under section 19(2) of the Act. The decision of the Hon'ble Supreme Court in 1960(1) L.L.J., 491, has got no application to the present case.

9. The Agreement itself, however, excludes the claim of the learned Advocate for the Company that the demands which were resolved by the Agreement, Ext. 14, could not be agitated in the Tribunal by the workmen who were even parties to it. The last paragraph, being paragraph 8, which lays down the provision for the period of Agreement, states at page 4 that if any dispute is referred to the Tribunal on the self-same demand on which the Agreement is entered upon, this Agreement will cease to have effect and the Company will implement the award as may be given by the Tribunal The paragraph shows that even the Karmi Sangha is entitled to plead against the Agreement if the dispute, which is the subject-matter of the Agreement, is again referred to the Tribunal. Considering all these circumstances, I am of the opinion that the workmen, who are members of the Mazdur Union, are not bound by the Agreement, Ext. 14, and further that even the members of the Karmi Sangha would be competent to re-agitate the demands which were the subject-matter of the Agreement, Ext. 14, in a suitable proceeding before the Tribunal, and the present award of the Tribunal will be binding on the parties inspite of the agreed terms in the Agreement, Ext. 14. That being so, the reference of the dispute to the Tribunal is competent and the Tribunal is competent and even obliged to adjudicate on the issues during the currency of the Agreement, Ext. 14, dated 8th February 1958, between the Company and the Karmi Sangha. The reference of the dispute is, therefore, competent and lawful during the currency of the Agreement abovementioned, even in the absence of a notice terminating it under section 19 of the Industrial Disputes Act. It is also clear from what has been decided above that the issues are not barred by the principles of res judicata, including constructive res judicata.

10. Issue Nos. 4, 5 and 6 are accordingly answered.

Issue No. 1

11. The Mazdur Union states that a good number of workers are rotting under the Company without confirmation and prays that the Company should be directed to fix the probationary period at 3 months on completion of which every worker should be confirmed in its service. The Karmi Sangha pleads that the Company has changed and improved its certified Standing Orders at the instance of the Sangha recently, and the workman is made permanent according to the provision of the Standing Orders, i.e., after 6 months. The Company states in its written statement that the workmen of the Company are confirmed in accordance with the provisions of the Standing Orders. As such, no separate rule for confirmation of unskilled workmen is called for and is reasonable. The issue was considered and covered by the terms of Agreement which is still in force. It was argued by the learned Advocate for the Company that this issue was not covered by the charter of demand of the Mazdur Union and did not, therefore, raise an industrial dispute. Ext. A, the charter of demand of the Mazdur Union, shows under clause (7) "Confirmation" that all workers were to be confirmed within 3 months of Agreement. I consider that this clause covers the issue No. 1.

12. I do not find that there is any clause in Ext. 14 regarding the probationary period of workmen. Ext. X, Standing Orders of the Company, shows that the workmen have been divided into four categories, viz., permanent, probationary, temporary and apprentice, and a probationer is a workman who is provisionally employed to fill a permanent vacancy in a post and has not completed 12 consecutive months' work therein. It is, therefore, clear that a probationer is a workman who is provisionally employed to fill a permanent vacancy and the period of probation is 12 months. Considering all circumstances, it is awarded that the probationary period for an unskilled workman, who may be provisionally employed to fill a permanent vacancy, shall be six months instead of 12 months.

13. This issue is accordingly answered.

Issue No. 2

14. The Mazdur Union in its written statement states that the Company has deprived even the small section of the workers, for whom very recently the Provident Fund benefit has been introduced, by not providing any kind of retiring benefits for the period of service they rendered prior to the introduction of the Provident Fund. The Union, therefore, prays that the Company should pay gratuity at the rate of 4 annas per rupee per month on the total wages for the period not covered by the Provident Fund and to every workman now under the Provident Fund benefit scheme. The Karmi Sangha states that after prolonged discussions and negotiations, an Agreement is arrived at between the Sangha and the Company whereby the Company enhanced the contribution to the Provident Fund on 8th February 1958, and enhanced the contribution to 6¼ per cent. The Company, in its written statement, states that in the Glass Industry, no Company producing less than 600 tons per month is required to introduce Provident Fund system. This Company has been granted licence to produce only 400 tons per month by the Central Government and as such, the Company is not bound to introduce the system of Provident Fund. The Company, however, introduced the Provident Fund to grant the workers a kind of retiring benefit. The learned Advocate for the Company also stated that this claim was not covered by the charter of demands of the Mazdur Union, Ext. A. There is a claim for gratuity in clause 15 of the charter of demands, but this is in the form of a double benefit, over and above Provident Fund, and is not in the way of supplementing the Provident Fund for the period not covered by it. I, therefore, agree that this claim is not covered by the charter of demands, Ext. A, and cannot be agitated before this Tribunal, as there was no dispute raised on the point.

15. On merits also, I find that the Company introduced the Provident Fund system, although it was not bound to do so until it increased its production to 600 tons per month. No further addition to the Provident Fund should be judicially saddled upon the Company.

16. This claim is, therefore, not allowed and this issue is accordingly answered.

Issue No. 3

17. The Mazdur Union, in its written statement, states that the 11 workmen mentioned in the list in issue No. 3 in the order of reference were refused work and dismissed without notice on false and malicious grounds. The Karmi Sangha, in its written statement, states that the Company discharged or dismissed the 11 workmen mentioned in the order of reference on various dates and the Sangha challenged the said discharge and dismissal as unjustified and arbitrary. The Company on representations by the Sangha gave full facts and circumstances of each case as stated in the written statement. Thereafter the Sangha reported to each workman the case, facts and circumstances against them and thereafter the workmen did not approach the Sangha. Afterwards it was reported to the Sangha that five of the workers, viz., Amar Choudhury (serial No. 5), Tarapada Chakraborty (serial No. 7), Rajen Chakraborty (serial No. 8), Balendra Roy (serial No. 10) and Anil Ghosh (serial No. 11) had taken their dues in full and final settlement of their claims. The Sangha also states that Ram Deo Tewary (serial No. 1) and Misri Saha (serial No. 2) were appointed on contract basis for a stipulated period and as soon as period was over, the Company did not renew the contract. Shri Manindra Roy (serial No. 3) and Shri Santi Sarkar (serial No. 4), were charge-sheeted for gross misconduct and were dismissed after due enquiry. Shri Santi Brahmo (serial No. 6) was suffering from continuous illness and became unfit for his job. He made an application for a lighter job, but as the Company could not provide him with such job, he left the service of his own accord. Shri Anil Dey (serial No. 9) was appointed for a fixed period on a contract basis and when the period was over, the Company did not renew the said contract.

18. The Company in its written statement states that the statements made by the Mazdur Union in regard to the 11 workmen mentioned in issue No. 3 in the order of reference is false and malicious. The activities and conduct of the particular workmen will justify the action of the Company. The Company then states in detail the case in regard to each of the workman in question. I shall discuss here below the cases of the parties in regard to each of the 11 workmen in question.

19. Evidence was adduced by both parties. P.W. 1 Shri Ramaprosad Roy Chowdhury, Secretary of the Union, P.W. 2 Shri Manindra Roy, one of the dismissed workers, P.W. 3 Shri Amar Chowdhury, a dismissed worker and P.W. 4 Shri Santi Brahmo, a dismissed worker, deposed for the Mazdur Union. P.W. 5 Shri Purnendu Sekhar Dutta, Secretary of the Karmi Sangha, deposed for the Karmi Sangha. O.P.W. 1 Shri Ram Kumar Ghosh, Manager of the factory since the commencement of the work of the Company, deposed for the Company. Documents Ext. 1 to Ext. 12 and Ext. 19 to Ext. 19(b) were marked for the Mazdur Union and document, Ext. 13 to Ext. 18, were marked for the Karmi Sangha, and document Ext. A to Ext. X were marked for the Company.

20. The case of the 11 workmen will be considered herebelow:—

(1) Shri Ram Deo Tewary and (2) Shri Misri Saha.—The Mazdur Union states in its written statement that after the Union placed its charter of demands, the Company refused to give work to Shri Ram Deo Tewary and Shri Misri Saha without any charge-sheet and no reason for refusal of work was shown to them. Both Shri Tewary and Shri Saha have their wages and other claims due, and for the same, the case has come before the Tribunal. The Company states in its written statement that Ram Deo Tewary and Misri Saha were employed on a contract for fixed periods only. As soon as the periods were over, their services stood terminated. Ext. G(1) is the document which shows that Ram Deo Tewary was appointed on 18th July 1957 for a period of six months and his service terminated on 18th January 1958. Ext. 8 is a letter by the Secretary, P.W. 1, to the Labour Commissioner, Government of West Bengal. It is dated 30th January 1958. It shows that Shri Ram

Deo Tewary was discharged with effect from 21st January 1958. Ext. 10 is the letter by Shri Ram Deo Tewary to the Company stating that he was not given any work from 21st January 1958. O.P.W. 1 Shri Ram Kumar Ghosh, the Manager of the Company, states that Ram Deo Tewary was a temporary workman on contract for a certain period. Ram Deo Tewary has not deposed in this case. There is nothing to show that he was entitled to any relief in this case. Ext. 8 and Ext. 10 do not show that his wages and other dues were not paid. In the circumstances, it is awarded that Shri Ram Deo Tewari is not entitled to any relief.

Ext. G(5) is the contract of employment of Shri Misri Saha dated 13th March 1957. The period of his service was for one year and was to terminate on 1st March 1958. Ext. K, dated 21st February 1958, is an application by Shri Misri Saha for leave from 3rd March 1958 to 3rd April 1958. Ext. N, dated 8th March 1958, is the reply of the Manager, O.P.W. 1, stating that he was appointed on 13th March 1957 for a period up to 1st March 1958 and the question for leave for one month from 3rd March 1958 to 3rd April 1958 could not arise, as his service was to terminate on 1st March 1958 under the terms of the employment. The same is the reply of the Manager to the Assistant Labour Commissioner in his letter, Ext. N(2), dated 5th April 1958. It is awarded that Shri Misri Saha, is not entitled to any relief in this case.

No. 3 Shri Manindra Roy.—The Mazdur Union states in its written statement that Shri Manindra Roy was a member of the Executive Committee of the Krishna Glass Karmi Sangha, and subsequently he resigned from the said Sangha and became a leading organiser of the Mazdur Union and on account of this fact, the Company victimised him. He was charge-sheeted on 3rd January 1957. Shri Roy replied to the charge-sheet refuting the charges. The Company fixed the date of enquiry on 5th January 1957, but no enquiry was held on that date, though Shri Roy attended the factory and stayed there for 3 hours, and he was asked to regret his offence, which he did not agree to do. Shri Roy was not allowed to do any work from that date. Shri Roy appealed to the Company on 7th January 1957 to allow him to resume his normal duty. The Company intimated Shri Roy that the hearing was refixed on 7th January 1957, and the enquiry was held by the Enquiring Officer on that date in his absence. Shri Roy worked under the Company up to 4th January 1957. Shri Roy has his wages and other claims due and the case has come before the Tribunal for finalisation.

The Company, in its written statement, states as follows: Shri Manindra Roy was charge-sheeted on 3rd January 1957 and asked to appear on the date of enquiry fixed on 5th January 1957. He did not reply to the charge-sheet, but was present on 5th January 1957. When he was asked why he did not reply to the charge-sheet, he prayed for time. So, no enquiry was held on that date. The date was fixed on 7th January 1957, and he was asked to give replies to the charges. He did not submit any reply to the charges; nor was he present at the enquiry on 7th January 1957, which was within his knowledge. The enquiry was held on 7th January 1957 and on the report of the Enquiring Officer, the Management dismissed him from service. A copy of the charge-sheet and the letter of dismissal are annexed as "G" and "H" to the Company's written statement.

P.W. 2 Shri Manindra Roy deposed in this case. He stated that he got the charge-sheet, Ext. 11(a), dated 3rd January 1957, and that his reply is Ext. 11(b), dated 4th January 1957, Ext. 11(c) is the letter, dated 7th January 1957, stating that he appeared at the enquiry on 5th January 1957, and though he waited for 3 hours, no enquiry was made and he was advised to express regret. Ext. 11(e) is the letter of the Manager showing that the Manager states that Shri Manindra Roy did not reply in time to the charge-sheet No. 903, Ext. 11(a), on the original copy of the charge-sheet handed over to him, hence the hearing appointed for 5th January 1957 could not be held, and that he also addressed a letter, dated 4th January 1957, in which there was no mention of the charge-sheet. Hearing was refixed on 7th January 1957 and was held on that date. The Manager denies that any suggestion was given to him to regret the incident contained in the charge-sheet No. 903. Charge-sheet No. 903 is Ext. 11(a). Reply to the charge-sheet was not given on the original charge-sheet, Ext. 11(a) and the letter, Ext. 11(b), dated 4th January 1957, did not mention the number of the charge-sheet. The reply to the Manager's letter, Ext. 11(e), is Ext. 11(f), dated 10th January 1957. Ext. 11(h) is the letter, dated 10th March 1957, informing him that he was dismissed with effect from 3rd January 1957, and was asked to vacate the quarters allotted to him by the Company. Ext. 11(i), dated 28th March 1957, is the reply to this letter by Shri Manindra Nath Roy, stating that he was entitled to occupy the room. P.W. 3 Shri Manindra Nath Roy states that he is now temporarily serving at Sri Gobinda Glass Works and he prayed for back wages and other consequential reliefs. In cross-examination, he states that he was not told that the enquiry was postponed to 7th January 1957 according to his prayer. He went to the Manager on 7th January 1957 to deliver a letter, Ext. 11(c). He was not present at the enquiry on 7th January 1957. He denies that he had any exchange of words with Niren Chowdhury or Jogen Majumder. He proved Ext. E and Ext. E(1). Ext. E is a warning letter, dated 3rd August 1956, served on him on account of misuse of Company's kerosene oil, and Ext. E(1) is the acknowledgment receipt of that letter. Ext. E(2) is another charge-sheet on Shri Manindra Chandra Roy, dated 11th June 1953. Ext. E(3) is the report of one Shri Nirendra Kishore Chowdhury against Shri Manindra Nath Roy, stating that he committed disorderly behaviour on 2nd January 1957. Ext. Q is the report of Shri Jatin Majumder on the same incident. Exts. E(3) and Q are dated 3rd January 1957. Shri Nirendra Kishore Chowdhury is the Shift Supervisor of Shri Manindra Nath Roy. O.P.W. 1 Shri Ram Kumar Ghosh, Manager, states that Shri Nirendra Kishore Chowdhury, Supervisor, made the complaint, Ext. E(3), against Manindra Nath Roy. The charge-sheet, Ext. 11(a), was given to Shri Manindra Nath Roy on the basis of this report. O.P.W. 1 states that the Company's Chemist, Shri Bidhu Chowdhury, was the Enquiring Officer and Ext. L is the report of the Enquiring Officer on 5th January 1957. Ext. L shows that the enquiry could not be held as reply to the charge-sheet was not submitted and that

Shri Manindra Nath Roy made an appeal for time, and the enquiry was refixed on 7th January 1957. Shri Manindra Roy was asked to submit his reply before that date. The Manager says that on 7th January 1957, Shri Manindra Nath Roy came to him at about 10 or 10-15 a.m. and gave him a letter. This letter was Ext. 11(c). Shri Manindra Nath Roy told him that he would not appear at the enquiry and asked them to act as they liked. The final report of the Enquiring Officer is Ext. L(1), dated 7th January 1957. It appears from the evidence of O.P.W. 1 that Shri Bidhu Chowdhury, Chemist, is not in the employment of the Company in Calcutta. He is now working in the Bombay factory of the Company. The report shows that the Enquiry Officer found him guilty of a major misdemeanour and recommended for his dismissal. The Manager, O.P.W. 1, denies that Shri Manindra Nath Roy waited for a hours on 5th January 1957 at the enquiry or that he was asked to pray for pardon. He states that Shri Manindra Nath Roy's dismissal letter was sent on 10th January 1957 by registered post. The Company asked him to vacate his quarters on 10th March 1957. This letter is Ext. 11(h), and in reply to the letter on 28th March 1957 in Ext. 11(i) he refused to vacate the quarters. The Manager states that Manindra Roy vacated the quarters prior to 28th March 1957. Ext. U is a letter of Sri Gobinda Mills, which shows that Shri Manindra Nath Roy is working in their factory since May 1957. It does not appear from the evidence that any of his dues in wages, etc., are payable by the Company. Considering the evidence on record and the circumstances of the case, I award that Shri Manindra Nath Roy, was rightly dismissed after a proper enquiry and he is not entitled to any relief in this case.

No. 4 Santi Sarkar.—Shri Santi Sarkar filed a petition, Ext. V, stating that he was rightly and legally dismissed by the Company and that the Company after consideration of his prayer, agreed to pay some ex gratia payments and as such, he had settled the dispute as attempted to be raised by the Mazdur Union. He also says that he has accepted the ex gratia payment in full and final settlement of his claims and he has no claims or any dispute against the Management. He prays that a "no dispute" award may be given so far as he was concerned. In the circumstances, his case was not pressed by the Union at the time of hearing, and it is awarded that he is not entitled to any relief in this case.

No. 5 Shri Amar Choudhury.—The Mazdur Union states that Shri Amar Choudhury worked under the Company for 10 years and that he played a leading roll in forming the Mazdur Union and for his Trade Union activities, he was dismissed immediately after the formation of the Union. Shri Choudhury was given 7 days' notice of dismissal on 25th July 1958, alleging insubordination, absenteeism, damaging of machine, moulds and parts, that no enquiry was held and he was not given any chance to defend himself. Shri Choudhury took back his due wages, but his other claims are still unsettled. The Company states in its written statement that Shri Amar Choudhury once left the service of the Company of his own accord and joined Messrs. Annapurna Glass Works where he was dismissed from service. Thereafter, he approached some of his relatives serving in this Company, and at the request of his relatives, he was given a temporary appointment in December 1955, on compassionate grounds. After his re-employment in the Company, he was charge-sheeted and then dismissed after a proper enquiry. In accepting the dismissal as final, he settled his account in full and final satisfaction of his claim with the Company on 28th April 1957. Ext. C(4), dated 14th April 1955, is a warning letter issued by Shri Bibhuti Sarkar against Shri Amar Choudhury. Ext. C(8) is a charge-sheet, dated 2nd July 1956, against Shri Amar Choudhury, alleging that he had damaged a mould. The charge-sheet is No. 905. Ext. C(5) is the reply to the charge-sheet admitting that he damaged the machine in a fit of anger. Ext. C(9) is another charge-sheet No. 920, dated 23rd July 1956, and Ext. C(6) is his explanation. Ext. C(7), dated 25th July 1956, is a letter of dismissal of Shri Amar Choudhury giving him 7 days' notice, and discharging him from 1st August 1956 on several grounds. It states that he was a temporary worker since 12th June 1956 and his work has been found to be most unsatisfactory, resulting in short production and heavy loss to the Company, that there has been cases of insubordination reported against him, that he was habitually absent without information, and that he caused damage to machines, moulds and parts thereof on a number of occasions. Ext. C is the resignation letter of Shri Amar Choudhury, dated 28th April 1957, stating that he had given up his job under the Company with effect from 1st August 1956 according to the directions of the Company and that, he had received all his dues and he had no claim against the Company. He denied the signature, Ext. C(1), in this letter, but P.W. 1 the Secretary of the Union, proved the signature. Ext. C(2) and Ext C(3) are stamped receipts showing payments of Rs. 100 as his due wages and Rs. 350 as a payment in full and final satisfaction of all his claims, including reinstatement. They are dated 28th April 1957. He denied the signature in Ext. C(2) and Ext. C(3), but the Secretary also proved the signature. I have no doubt on the evidence on record that Shri Amar Choudhury received Rs. 100 towards his arrear wages and an additional sum of Rs. 350 in full and final satisfaction of all his claims against the Company, including the claim of reinstatement, and submitted the resignation letter, Ext. C. P.W. 1 the Secretary of the Mazdur Union, Shri Roma Prosad Roy Chowdhury proved Exts. C, C(1), C(2) and C(3). P.W. 3 Shri Amar Choudhury denied the signature in Ext. C(1) and in Ext. C. He admits that he got Rs. 100, as shown in Ext. C(3), but stated that he did not get Rs. 350 as shown in Ext. C(2). O.P.W. 1 the Manager, Shri Ram Kumar Ghosh, stated in his evidence that Shri Amar Choudhury has taken all his dues and he paid Rs. 350 to him personally as per Ext. C(2). In view of the evidence on record, I have no doubt that Shri Amar Choudhury received the sum of Rs. 350 as shown in Ext. C(2) in full and final satisfaction of all his claims, including the claim of reinstatement. The letter, Ext. U, from Sri Gobinda Glass Works, shows that Shri Amar Choudhury has been working in that Company since 19th January 1959. It is awarded that Shri Amar Choudhury is not entitled to any relief in this case.

No. 6 Shri Santi Brahmo.—The Mazdur Union states in its written statement that Shri Santi

Brahmo was refused work on and from 31st December 1956, and has his wages and other claims due and has come before the Tribunal for finalisation of these matters. The Company, in its written statement, states that Shri Santi Brahmo asked for lighter jobs and as a lighter job was not available at the time, he left the job of his own accord. The Company's refusal to give him work does not arise at all, as he left work of his own accord. Ext. F shows that he was appointed as a temporary worker for 3 months with effect from 17th September 1956, and that the period of service would end on 29th December 1956. Ext. S is an application by Shri Santi Brahmo, dated 25th November 1956, asking for a lighter job and stating that if he was not given a lighter work by December next, it would not be possible for him to continue in service of the Company. Shri Santi Brahmo deposed in this case as P.W. 4. He states that he did not leave the service of the Company of his own accord and that it was not a fact that he demanded light work, and as it was not given, he left the service. He also states that he never applied to the Company requesting them to give light work. He was at first a member of the Karmi Sangha and then became a member of the Workers' Union. The Manager told him that he would be beaten with shoe and driven out if he did not leave the Union. He admitted the signature in Ext. F. He states that he became a member of the Mazdur Union in November 1956, and on 31st December 1956, the Manager asked him to sign on a blank sheet of paper and as he refused to do so, he was not given any work. To my question, he answered that he informed the Mazdur Union orally on that very day, and he also asked the Union to write a letter to the Company on this matter. The Secretary wrote a letter to the Manager in his presence, but he did not know how it was despatched. He denied the signature in Ext. S. Ext. S was proved by O.P.W. 1. He also proved the signature in Ext. S. O.P.W. 1 also denied that he ever wanted to beat Santi Brahmo with shoes or that on 31st December 1956 he told him that unless he signed on blank papers, he would not be given any work. In the circumstances, I have no doubt that Shri Santi Brahmo left the service of the Company of his own accord on 31st December 1956 and did not go there for further service, as he was not given a light job. His service terminated on 29th December 1956 as shown in Ext. F. In the circumstances, he is not entitled to any relief in this case.

No. 7 Shri Tarapada Chakraborty.—The Mazdur Union states in its written statement that Shri Tarapada Chakraborty is the organiser of the Union and was threatened with discharge by the Works Manager. He was refused work since 10th November 1956, and the Company informed him by their letter, dated 21st November 1956, that his service would be terminated with effect from 22nd November 1956 on the ground of absence without leave since 10th November 1956. The Company, in its written statement, states that Shri Tarapada Chakraborty was dismissed for absence without leave as per provisions of the Standing Orders of the Company. He accepted his dismissal and accepted an amount in full and final satisfaction of his claim against the Company. Ext. I is a letter, dated 30th April 1957, of Shri Tarapada Chakraborty stating that he was absent without leave from 10th November 1956 and the Company had, therefore, dismissed him on 21st November 1956 by registered letter. He also states that had received all his dues and had no further claims against the Company. Exts. I(1) and I(2), dated 30th April 1957, are receipts showing payments of money to Shri Tarapada Chakraborty. Ext. I(2) shows payment of arrears wages to Shri Tarapada Chakraborty and Ext. I(1) shows payment of an ex-gratia amount in full settlement of all claims including reinstatement. In these circumstances, it is awarded that Shri Tarapada Chakraborty had no claims against the Company, and he is not entitled to any relief in this case.

No. 8 Shri Rajen Chakraborty.—The Mazdur Union states in its written statement that Shri Rajen Chakraborty was charge-sheeted on 17th September 1956 asking him to show cause why he should not be punished for abusing the Company's workers in general, that Shri Chakraborty replied refuting the charges on 18th September 1956, but no reply was given by the Company to this letter, that no enquiry was held and that he was refused work from 28th October 1956. The Union states that Shri Rajen Chakraborty took his due wages but his other claims are still unsettled. The Company states in its written statement that Shri Rajen Chakraborty was discharged from service for long absence without leave according to the Standing Orders of the Company. He was given one charge-sheet on 17th September 1956, but that was not proceeded with after his reply. He was given another charge-sheet on 25th October 1956, and he admitted his guilt and in admitting the guilt, he also settled his account in full and final settlement with the Company in accepting his dismissal. Ext. J(2) is the receipt, dated 14th April 1957, showing payment of arrears wages to Shri Rajen Chakraborty. Ext. J(1), dated 14th April 1957, shows payment of a lump sum as an ex-gratia payment in full and final settlement of all claims of Shri Rajen Chakraborty including reinstatement. Ext. J, dated 14th April 1957, is a letter by Shri Rajen Chakraborty stating that he was absent without leave from 27th October 1957 and that the Company had, therefore, dismissed him and that he had received all his dues from the Company and he had no claim against the Company. In these circumstances, it is awarded that Shri Rajen Chakraborty is not entitled to any relief in this case.

No. 9 Shri Anil Dey, No. 10 Shri Balendra Roy and No. 11 Shri Anil Ghosh.—The Mazdur Union states in its written statement that these three workmen were refused work on different dates and they were neither charge-sheeted nor any reason for refusal of work was given to them by the Company. It is further stated that Shri Anil Dey had his wages and other claims due, but Shri Balendra Roy and Shri Anil Ghosh took their wages, but their other claims are still outstanding. The Company, in its written statement, states that Shri Anil Dey, Shri Balendra Roy and Shri Anil Ghosh were all appointed on contract for fixed periods only. As soon as the period of their service was over, their services with the Company stood terminated. Shri Balendra Roy and Shri Anil Ghosh accepted their dues in full and final settlement of claims with the Company.

Ext. G(3) shows that Shri Anil Dey entered into the service of the Company on 5th June 1956, and

the period of his service was to terminate on 8th October 1956. Ext. G(4) is the contract of service of Shri Balendra Nath Roy. It shows that he was appointed on 27th March 1956, for a period of 9 months and his service was to terminate on 27th December 1956. Ext. W is an application by Shri Balendra Nath Roy, stating that he has accepted his dues in full and final settlement of his claims long ago and no dispute ever existed between the workman and the Company. Ext. G shows that Shri Anil Kumar Dey was appointed in the Company on 8th May 1956 for a period of 7 months, and his service was to terminate on 8th December 1956. Ext. H is a letter of Shri Anil Chandra Ghosh, dated 10th December 1956, showing that his period of service ended on 8th December 1956, and he had received all his dues. The evidence, therefore, clearly shows that Shri Balendra Nath Roy prayed in Ext. W for a "no dispute" award and Shri Anil Chandra Ghosh admitted in Ext. H that he had received all his dues and his service had been terminated by efflux of time on 8th December 1956. It is awarded that these two workmen are not entitled to any relief in this case. Regarding Anil Chandra Dey, Ext. G(3) shows that he was in service of the Company till 8th October 1956. He did not appear in this case, and there is no evidence to show that he is entitled to any relief. That being so, it is awarded that Shri Anil Chandra Dey is not also entitled to any relief in this case. This issue is accordingly answered.

Amendments

(A) In the said rules—

1. in rule 5—

(i) in sub-rule (2)—

(a) *for* the words "(or in the case of leave granted under section II of Chapter XV, 36)" *substitute* the following words, namely:—

"Section II—Revised Leave Rules.

160. Unless otherwise expressly provided in these rules, the revised leave rules contained in this section shall apply with effect from 1st August 1960 to the following classes of persons subject to the rule-making control of Government:—

(i) All persons who enter or have entered or are or have been re-employed in Government service, whether in a permanent or other capacity, on or after the 22nd July 1931, and

(ii) Persons who were in Government service whether in a permanent or other capacity on the 21st July 1931, if there is a break in their service after that date:

Provided that in the case of a Munsif who officiated on or before the 21st July 1931 any break in service prior to permanent appointment as Munsif shall not constitute a break in his service for the purpose of these rules.

NOTE 1.—For the purpose of these rules the terms 'Government service' shall be deemed to include prior service under the Government of India or any other State Government in India or under Local Funds administered by Government.

NOTE 2.—For the purpose of clause (ii) of this rule a person re-employed under the Bengal Re-employed Personnel (Conditions of Service) Rules, 1934, will be regarded as having had a break in service.

161. The revised leave rules shall not apply to persons for whom special provisions regarding leave have been made.

162. All other rules regulating leave and leave procedure contained elsewhere in these rules, shall, in so far as they are not inconsistent with, or repugnant in subject or context to, the rules in this section, remain operative in the case of all persons to whom the revised leave rules apply.

163. In this section—

(i) 'leave' includes earned leave, half-pay leave, commuted leave, leave not due and extraordinary leave;

(ii) 'earned leave' means leave earned in respect of periods spent on duty under rules 167, 168, 170 and 171;

(iii) 'half-pay leave' means leave earned in respect of completed years of service under rule 172;

(iv) 'earnd leave due' means the amount of earned leave to the credit of a Government servant on the date immediately preceding the date of effect of this rule under the rules in force on that date plus the amount of earned leave calculated as prescribed in rule 167, rule 168, rule 170 and rule 171, as the case may be, diminished by the amount of earned leave taken after the introduction of these rules;

(v) 'half-pay leave due' means—

(a) in the case of a Government servant in permanent employ, the amount of half-pay leave calculated under rule 172 for the entire continuous service diminished by the amount of leave on private affairs and/or leave on medical certificate taken before the date of introduction of these rules and half-pay leave taken on or after that date; and

(b) in the case of a Government servant not in permanent employ, the amount of leave on medical certificate, if any, standing to the credit of a Government servant on the date immediately preceding the date of effect of these rules under the rules in force on that date, plus the amount of half-pay leave calculated as prescribed in rule 172 diminished by the amount of half-pay leave taken after the introduction of these rules;

NOTE.—If the calculation under sub-rule (v)(a) results in a minus balance on the date of introduction of these rules, it should be adjusted against the half-pay leave that will be earned subsequently, such minus balance being treated as 'leave not due' for the purpose of the 180 days' limit in rule 173.

(vi) 'Commuted leave' means leave taken under sub-rule (c) of rule 172;

(vii) 'Government servant in permanent employ' means a person who holds substantively a permanent post or who holds a lien on a permanent post or who would hold a lien on a permanent post, had the lien not been suspended;

(viii) 'Completed years of service' includes, besides periods spent on duty, periods of absence on leave whether with or without any leave salary.

164. (1) No Government servant in permanent employ shall be granted leave of any kind for a continuous period exceeding five years.

(2) Where such a Government servant does not resume duty after remaining on leave for continuous period of five years, or where such a Government servant after the expiry of his leave remains absent from duty, otherwise than on foreign service or on account of suspension, for any period which together with the period of the leave granted to him exceeds five years, he shall, unless Government in view of exceptional circumstances of the case otherwise determine, be deemed to have resigned and shall accordingly cease to be in Government employ.

(3) Where a Government servant who is not in permanent employ, fails to resume his duties on the expiry of the maximum

period of extraordinary leave granted to him under sub-rule (b) of rule 174 or when such a Government servant who is granted a lesser amount of extraordinary leave than the maximum amount admissible, remains absent from duty for any period which together with the extraordinary leave granted exceeds the limit up to which he would have been granted such leave under sub-rule (b) of rule 174, he shall, unless Government in view of the exceptional circumstances of the case otherwise determine, be deemed to have resigned his appointment and shall accordingly cease to be in Government employ.

165. Any kind of leave under the rules in this section may be granted in combination with or in continuation of any other kind of leave under the rules in this section.

166. No leave shall be granted beyond the date on which a Government servant must compulsorily retire:

Provided that, if a Government servant has applied in writing for earned leave due to him preparatory to retirement and has on account of the exigencies of the public service been denied that leave in whole or in part by authority empowered to grant it, the said authority may grant to the Government servant the whole or any portion of the earned leave so denied, even though it extends to a date beyond the date on which such Government servant must compulsorily retire:

Provided further that a Government servant whose service has been extended in the interests of the public service beyond the date of his compulsory retirement may similarly be granted either within the period of extension or, if the conditions of the preceding proviso are satisfied, after its expiry, any earned leave which could have been granted to him under the preceding proviso had he retired on that date and in addition any earned leave due in respect of such extension not exceeding the limits prescribed in rule 167 or rule 168.

167. The earned leave admissible to a Government servant in permanent employ is—

(a) when belonging to a superior service, 1/11th of the period spent on duty; and

(b) when belonging to an inferior service, 1/16th of the period spent on duty:

Provided that when the earned leave due amounts to—

(i) 120 days in the case of a Government servant in superior service; or

(ii) 60 days in the case of a Government servant in inferior service, he shall cease to earn such leave.

NOTE.—See Note 1 below rule 168.

168. The earned leave admissible to a Government servant not in permanent employ is 1/16th of the period spent on duty:

Provided that when the earned leave due amounts to—

(i) 60 days in the case of a Government servant in superior service, or

(ii) 45 days in the case of a Government servant in inferior service, he shall cease to earn such leave.

NOTE 1.—In calculating earned leave under rule 167 or rule 168, the actual number of days spent on duty performed should first be counted and then multiplied by 1/11th or 1/16th, as the case may be, and the product expressed in days (and a fraction of a day).

169. A Government servant not in permanent employ appointed without interruption of duty substantively to a permanent post will be credited with the amount of leave which would

have been admissible if his previous duty had been duty as a Government servant in permanent employ diminished by any leave already taken. Leave is not an interruption of duty for the purpose of this rule.

170. Subject to the provisions of rule 171—

(a) earned leave is not admissible to a Government servant serving in a vacation department in respect of duty performed in any year in which he avails himself of the full vacation;

(b) the earned leave admissible to such a Government servant in respect of any year in which he is prevented from availing himself of the full vacation is such proportion of—

(i) 30 days' earned leave, if he be in a permanent employ in superior service;

(ii) otherwise 22 days' earned leave, as the number of days of vacation not taken bears to the full vacation:

Provided that if in any year he is prevented from availing himself of any part of the vacation, earned leave is admissible to him in respect of that year in accordance with the provisions of rule 167 or rule 168, as the case may be,

(c) vacation may be taken in combination with or in continuation of any kind of leave under these rules, provided that the total duration of vacation and earned leave taken in conjunction, whether the earned leave is taken in combination with or in continuation of other leave or not, shall not exceed the amount of earned leave due and admissible to a Government servant at a time under rule 167 or rule 168, as the case may be:

Provided further that the total duration of vacation, earned leave and commuted leave taken in conjunction shall not exceed—

(i) 180 days in the case of a Government servant in permanent employ; and

(ii) 120 days in the case of a Government servant in temporary employ.

171. Notwithstanding anything contained in clauses (a) and (b) of rule 170—

(a) the earned leave admissible to any of the following classes of Government servants in permanent employ, viz.—

(1) Judges and Registrar of Small Cause Court, Calcutta,

(2) Members of the West Bengal Civil Service (Judicial), and

(3) Members of the clerical establishment in the Small Cause Court, Calcutta, or in the Civil Courts,

in respect of duty performed in any year in which the officer avails himself of the full vacation shall be 1/22nd of the period spent on duty;

(b) the earned leave admissible to such a Government servant in respect of any year in which he is prevented from availing himself of the full vacation shall be such proportion of 15 days' earned leave as the number of days of vacation not taken bears to the full vacation.

172. (a) The half-pay leave admissible to a Government servant in respect of each completed year of service is—

(i) 20 days if he be in permanent employ, and

(ii) 15 days if in temporary employ.

(b) The half-pay leave due may be granted to a Government servant on medical certificate or on private affairs:

Provided that no half-pay leave may be granted to a Government servant in temporary employ unless the authority competent to sanction the leave has reason to believe that the officer will return to duty on its expiry.

(c) Commuted leave not exceeding half the amount of half-pay leave due may be granted on medical certificate only, subject to the following conditions, namely:—

(i) commuted leave during the entire period of service shall be limited to a maximum of (a) 180 days in the case of a Government servant in permanent employ; and (b) 120 days in the case of a Government servant in temporary employ;

(ii) when commuted leave is granted, twice the amount of such leave shall be debited against the half-pay leave due; and

(iii) the total duration of earned leave and commuted leave taken in conjunction shall not exceed the maximum limits prescribed in sub-clause (i) of this sub-rule:

Provided that no commuted leave may be granted under this rule unless the authority competent to sanction leave has reason to believe that the officer will return to duty on its expiry.

NOTE.—When commuted leave is granted to a Government servant under clause (c) of this rule and he intends to retire or to leave Government service during the pendency of the leave, or immediately on expiry of such leave, the commuted leave shall be converted into half-pay leave and the difference between the leave salary in respect of commuted leave and half-pay leave shall be recovered. An undertaking to this effect, should, therefore, be taken from the Government servant who avails himself of commuted leave, but the question whether the Government servant concerned should be called upon to refund the amount drawn in excess as leave salary should be decided on the merits of each case, i.e., if the retirement is voluntary, refund should be enforced, but if the retirement is compulsorily thrust upon him by reason of ill health incapacitating him for further service, no refund should be taken. Similarly, where a Government servant is compelled to leave service because of ill health, no refund of the excess leave salary drawn will be required.

173. Except in the case of leave preparatory to retirement, leave not due may be granted to a Government servant in permanent employ for a period not exceeding 180 days during the entire period of service, provided both the following conditions are fulfilled—

(i) the leave is required for the treatment of the Government servant himself and has been recommended by a Medical Board or other competent authority determined by Government;

(ii) the Government servant is likely to return and to continue in service for a sufficient period to earn the leave granted, and the leave so granted should be limited to the half-pay leave he is likely to earn thereafter.

Such leave, when granted, shall be debited against the half-pay leave the Government servant may earn subsequently.

174. (a) Extraordinary leave may be granted to a Government servant in special circumstances—

(i) when no other leave is by rule admissible, or,

(ii) when other leave is admissible but the Government servant concerned applies in writing for the grant of extraordinary leave.

(b) Except in the case of a Government servant in permanent employ, the duration of extraordinary leave shall not exceed three months on any one occasion:

Provided that—

(a) when such a Government servant is undergoing treatment for—

(i) pulmonary tuberculosis in a recognised sanatorium; or

(ii) tuberculosis of any other part of the body by a qualified Tuberculosis Specialist or a Medical Officer of Health; or

(iii) Leprosy in a recognised Leprosy Institution by a Medical Officer of Health or a Specialist in Leprosy recognised as such by the State Administrative Medical Officer concerned;

he may, subject to such conditions as Government may by general or special orders prescribe, be granted extraordinary leave for a period not exceeding 12 months; or

(b) when he requires leave for the purpose of study in India or abroad, Government may, if the exigencies of public service so require, grant him extraordinary leave up to a maximum of 24 months in combination with or in continuation of any other kind of leave admissible under this section, provided the Government servant concerned agrees to give an undertaking in writing to serve, if so required by Government for a period of at least 5 years after the expiry of the leave.

NOTE 1.—The concession of extraordinary leave up to 12 months under proviso (a) of this sub-rule would be admissible also to a Government servant suffering from pulmonary tuberculosis, who receives treatment at his residence under a tuberculosis specialist recognised as such by the State Administrative Medical Officer concerned and produces a certificate signed by that specialist to the effect that he is under his treatment and that he has reasonable chances of recovery on the expiry of the leave recommended.

NOTE 2.—The concession of extraordinary leave up to 12 months under proviso (a) of this sub-rule will be admissible only to those Government servants who have been in continuous Government service for a period exceeding one year.

NOTE 3.—The term 'Medical Officer of Health' in proviso (a) of this sub-rule shall include besides the Chief Medical Officer of Health, District Medical Officers of Health and the Presidency Surgeons.

(c) The authority empowered to grant leave may commute retrospectively period of absence without leave into extraordinary leave.

175. (1) A Government servant on earned leave is entitled to leave salary equal to the greater of the amounts specified below:—

(i) the substantive pay on the day before the leave commences, or

(ii) (a) in respect of the first 60 days of the earned leave, the average monthly pay earned during the 12 complete months preceding the month in which the leave commences; and

(b) thereafter the average monthly pay earned during the 36 complete months preceding the month in which the leave commences.

(2) A Government servant on half-pay leave or leave not due is entitled to leave salary equal to—

(i) half the substantive pay on the day before the leave commences, or

(ii) half the average monthly pay earned during the 36 complete months, preceding the month in which the leave commences, whichever amount is greater, subject in either case to—

(a) a maximum of Rs. 750 per month, and

(b) for any portion of the leave which is spent outside Asia in expensive countries such as U.K., U.S.A. or the Cotinent of Europe, a minimum of £20 or the amount of average pay for the last 36 complete months, whichever is smaller:

Provided that in the case of an attachment order having been issued by a Court in India in accordance with rule 48 of Order XXI of the First Schedule to the Code of Civil Procedure, 1908 (Act V of 1908), that part of the leave salary which is attached, shall be remitted to the Court in rupees by the accounts authority in India and the balance of the leave salary payable to the Government servant, where drawn in sterling, shall be calculated after deducting the amount specified in the attachment order on its conversion into sterling at the rate of exchange prescribed.

NOTE.—Payment of leave salary in foreign currency will be subject to orders issued by the Government of India from time to time.

(3) A Government servant on commuted leave is entitled to leave salary equal to twice the amount admissible under sub-rule (2).

(4) A Government servant on extraordinary leave is not entitled to any leave salary.

NOTE 1.—For the purpose of this rule, 'substantive pay' means the substantive pay of the permanent post which a Government servant holds substantively or on which he holds a lien or would hold a lien had the lien not been suspended. Clause (i) of sub-rule (1) or of sub-rule (2) has thus no application to Government servants not in permanent employ. The leave salary in the latter cases will accordingly be regulated under clause (ii) of sub-rule (1) or of sub-rule (2), as the case may be."; and

(B) In the Appendices to the said rules—

1. In Appendix No. 5, *after* rule 16 as contained therein, *add* the following new rule, namely:—

"17. No leave under these rules shall be granted to Government servants not in permanent employ for the purpose of study in India or abroad. Extraordinary leave may be granted in such cases under rule 174 in section II of Chapter XV of these rules.": and

2. in Appendix No. 8, in rule (2) as contained therein—

Shew Shakti Dal Mills and their workman Shri Ramdhani Mistri, represented by West Bengal Confectionery Fobd Products Mazdur Union to the Second Labour Court for adjudication regarding the issue mentioned in the order of reference.

Issue

Whether the dismissal of Shri Ramdhani Mistri is justified? To what relief is he entitled?

Findings

The case was fixed on 1st July 1960 for hearing. On that day two witnesses were examined and cross examined, and the case was adjourned to 9th July 1960 for further evidence. On that day both the parties filed a joint petition of settlement on the following terms:—

(1) The employer agrees to pay Rs. 251 to Ramdhani Mistri in full and final settlement of all his claims whatsoever against the Company including arrear wages and claim of reinstatement.

(2) The employer has paid the sum of Rs. 251 as settled above to Ramdhani Mistri who has accepted the above sum and has granted a receipt for the same.

The above terms of compromise are fair. So I accept them. Hence I declare the dispute to have settled on the above terms.

ANNEXURE

In the matter of an industrial dispute between Messrs. Calcutta Iron and Engineering Co. (P.) Ltd., 77/A Beneras Road, Howrah, and their workmen represented by the Iron and Steel Workmen's Union, 172 Beneras Road, Salkia, Howrah. (Case No. VIII-24/60.)

BEFORE THE FIRST INDUSTRIAL TRIBUNAL, WEST BENGAL.

Present:

Shri M. C. BANERJI, District Judge (Retd.) Judge, First Industrial Tribunal.

AWARD

1. The Government of West Bengal, in the Department of Labour, by order No. 260-I.R./IR 10L-4/60, dated 19th January 1960, referred, under sections 7A and 10 of the Industrial Disputes Act, 1947 (XIV of 1947), the industrial dispute between Messrs. Calcutta Iron and Engineering Co. (P.) Ltd., 77/A Beneras Road, Howrah, and their workmen represented by the Iron and Steel Workmen's Union, 172 Beneras Road, Salkia, Howrah, relating to the undermentioned issue to this Tribunal for adjudication.

Issue

1. Wages and dearness allowance.

2. Notices were issued on both the parties. The Union in due course filed its written statement setting forth its case. The Company obtained several adjournments on the ground that talks of compromise were in progress.

3. The appearances for the parties were as follows:—

For the Union: Shri Patit Paban Pathak, an official of the Union with Shri H. Dutta, Secretary.

For the Company: Shri P. R. Mukherjee, Lawyer.

4. On 30th May 1960, Shri S. L. Hakim, Manager of the Company, appeared for the Company and filed a petition of compromise signed by the Manager. This petition bears the thumb impression of 10 workmen. On 14th June 1960 Shri Patit Paban Pathak, an official of the Union, appeared with the Secretary of the Union and stated that they did not want to press the case and prayed for an award on the basis of the compromise petition. The spokesman for the Union was, however, directed to file a petition signed by the Union Secretary on the lines of the statements made before me. According to the directions of the Tribunal, the Union Secretary appeared before the Tribunal on 21st June 1960 and filed a petition stating that the Union did not want to press with the matter, as the dispute referred to for adjudication did not exist any longer. The compromise petition filed on 30th May 1960 and the petition of the Union Secretary, dated 21st June 1960, praying for a "no dispute" award appear as Appendices A and B respectively. Perused the terms of the compromise petition in Appendix A as also the petition of the Secretary of the Union in Appendix B. It appears that the terms are quite fair and reasonable and should be accepted. The petitions in Appendix A and Appendix B shall form a part of this award, and an award is made on the basis of these terms.

M. C. BANERJI, Judge,
First Industrial Tribunal.

ANNEXURE

In the matter of an industrial dispute between Messrs. Bengal Paper Mills Ltd., P.O. Raniganj, and their workmen represented by the Bengal Paper Mill Mazdoor Union, Ballavpur, P.O. Raniganj. (Case No. VIII-C-71/60.)

BEFORE THE FIRST LABOUR COURT, WEST BENGAL

Present:

The Government of West Bengal, in the Department of Labour, by order No. 1894-I.R./1R/11L-264/60, dated 26th April 1960, referred under sections 7 and 10 of the Industrial Disputes Act, 1947 (XIV of 1947), an industrial dispute between Messrs. Bengal Paper Mills Ltd., P.O. Raniganj, and their workmen represented by the Bengal Paper Mill Mazdoor Union, Ballavpur, P.O. Issue

Whether the stoppage of allowances to the cleaners of motor vehicles for being on duty between 11 a.m. and 1 p.m. within a radius of 5 miles and outside the radius of 5 miles from the Mill is justified? What relief, if any, are they entitled to in each case?

AWARD

Decision

The present reference was received on 29th April 1960 and notices were issued to the parties fixing 26th May 1960 for appearances of the parties and for filing written statement by the Union. On that date the parties duly appeared and filed a joint petition of compromise stating that the transport cleaner will be given Rs. 1.25 nP. as tiffin allowance if he is required to work at a place beyond a radius of 5 miles from the Mill, and that he will also be given overtime allowance at double rates if he is to work for more than 8 hours on any day or for more than 48 hours in any week. The terms of compromise appear to be fair, reasonable and lawful and may be given effect to. The dispute is thus disposed of in terms of the petition of compromise which do form a part of this award.

Sitala Mistanna Bhandar, 76 College Street, Calcutta, and their workmen represented by West Bengal Sweetmeat Workers' Union, 19/1 Creek Row, Calcutta-14, regarding the issue mentioned in the said order being a matter specified in the second schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the First Labour Court;

And whereas the First Industrial Tribunal in charge of the First Labour Court has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an industrial dispute between Messrs. Sitala Mistanna Bhandar, 76 College Street, Calcutta, and their workmen represented by West Bengal Sweetmeat Workers' Union, 19/1 Creek Row, Calcutta-14. (Case No. VIII-C-47/60.)

BEFORE THE FIRST LABOUR COURT, WEST BENGAL

Present:

Shri M. C. BANERJI, Judge, First Industrial Tribunal in charge.

AWARD

The Government of West Bengal, in the Department of Labour, by order No. 1249-I.R./IR/111.-198/60, dated 24th March 1960, referred under sections 7 and 10 of the Industrial Disputes Act, 1947 (XIV of 1947), an industrial dispute between Messrs. Sitala Mistanna Bhandar, 76 College Street, Calcutta, and their workmen represented

by West Bengal Sweetmeat Workers' Union, 19/1 Creek Row, Calcutta-14, regarding matters specified in the Second Schedule of the Act to this Court for adjudication:—

Issue

Whether the dismissal of Shri Kartick Chandra Das is justified? To what relief, if any, is he entitled?

DECISION

The present reference was received on 28th March 1960 and notices were issued to the parties fixing 29th April 1960 for appearances and for filing written statement by the Union. On 29th April 1960 the Union, however, failed to file the written statement and it was granted time till 16th May 1960 for the purpose. Before the expiry of the extended time, the Union filed its written statement on 13th May 1960, and 25th June 1960 was fixed for filing written statement by the Company. But in the meantime the parties joined hands together, and put in a petition of compromise on 10th June 1960 stating that the dispute has been settled amicably between them, and that the workman concerned has been paid all his dues by the Company in full and final settlement of all his claims against it. The terms of compromise appear to be fair, reasonable and lawful and may be given effect to. The dispute is thus disposed of in terms of the joint petition of compromise which do form a part of the award.

On 18th July 1960 both the parties filed a joint petition, embodying therewith a memorandum of settlement, intimating that a compromise had been effected outside the court in terms of the memorandum of settlement on 15th July 1960. After the service of notice on the employer asking therein to file its written statement, the company appeared and prayed for time. Subsequently on 11th July 1960 the applicant filed a petition stating therein that the matter had been amicably settled between the parties and that permission might be granted to withdraw the petition of complaint. The Tribunal assumes jurisdiction under section 33A of the Act only when a complaint is filed alleging contravention of section 33 of the Act. If the complainant does not like to proceed with the case and wants to withdraw the application, there remains nothing to be adjudicated upon. In this view I allow the prayer and pass an award stating that there exists no dispute between the parties.
